Who's Who: Faculty Selections of Six and Potential

Leadership

In one of the most moving campaign speeches ever given on a high school campus, KEN PRESTON won the heart of the student body and the presidency of the student council, the result of 3 years of service and leadership. Under his direction, the council took steps to establish the first book store. Ken has been president of the junior and sophomore class, treasurer of NHS and Student Council, director of Interact's guidance dept. program, and Boys' State Representative. He has lettered in football and track, organized a local philosophy club (of which he is president) and is an AFS brother to Heinz Huesser.

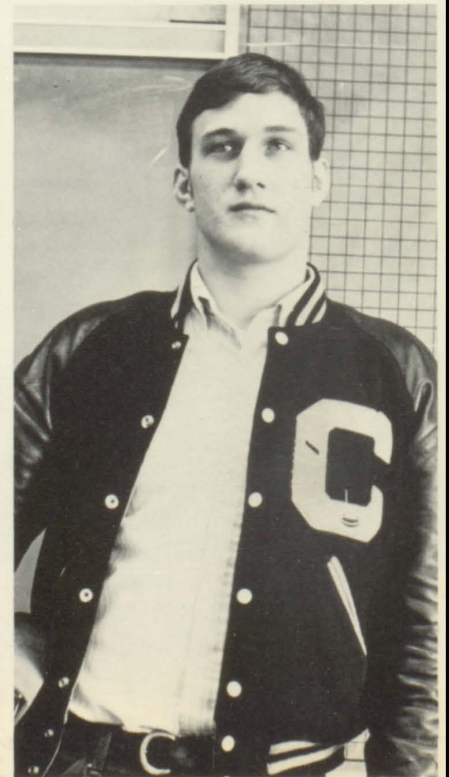

Scholarship

Selected as the outstanding student her freshman year and junior year, JUDY FRIEDRICK has compiled an enviable record of service and maintained one of the highest scholastic averages. Her cheerful disposition has made her one of the friendliest personalities in the leadership position which include chaplain of the Student Council, secretary and vice-president of the Future Teachers Club, vice-president of NHS (of which she has been a member for three years) and treasurer of the mixed Glee Club. JUDY has been active in the German Club, Philosophy Club (of which she is secretary), and the AFS Student Committee as one of the major planners of the 1969 summer bus stop. Judy was honored this year as a nominee for the NHS National Scholarship.

Citizenship

Friendly, easy-going, broad-shouldered JOHN TOWNSEND has gone a long way in disproving the old myth about dumb athletes, with a high scholastic average, membership in NHS (of which he is on the board of directors), presidency of the newly formed Chess Club, and a reputation as something of a physics scholar. As a valuable player of the Bearcat football team, on which he has lettered for three years and made ALL TVC in his junior year, John has shown himself to be exceptionally well rounded in campus life. A member of the Interact Club, he has served as a board member, director of the clubs recreation projects, and was the vice-president of the junior class. For his general reputation in academics, sports, and school activity, John was selected from the senior class as the good citizenship boy for 1969-70.

Outstanding Seniors in Achievement

Creativity

Known as something of a campus "artist-in-residence" during his junior year, DAVID FROST has combined a variety of creative pursuits with a number of leadership positions to make him one of the busiest people in the senior class. His artwork has ranged from posters and signboards for school organizations and local merchants to paintings and portraits and drawings for interested patrons to stage sets and a 14 by 24 foot psychedelic mural for the NHS state convention. He plays French horn in the CHS Band, worked as photographer and art editor for the SOUTHERNER. In his Junior year he was publicity director for Interact and was president in his senior year. David was also an active member in Drama Club, NHS (as projects chairman and member of the board of directors, Philosophy Club, AFS Committee, selected as a Boys' State representative, and a National Merit Scholarship semi-finalist.

Personality

Holding undisputed claim to the unofficial title of "Queen of CHS", CAROLINE REDDICK has ranked high in academics, honors, and leadership. She has served as Freshman Class treasurer, Junior class secretary, secretary of the Student Council in her Junior year and vice-president in her senior year, and president of the Interclub Council. She holds positions of leadership in the German Club, NHS, and AFS Student Committee. She is active in EYC (Episcopal Young Churchman) and has been president for three years, also serving as president of Tennessee Valley EYC. Among Caroline's many honors are most Outstanding Sophomore girl, sophomore and Junior homecoming attendant, and homecoming queen, and seventh in the Miss Southerner pageant. As this year's Key Club Sweetheart, she became the divisional II-A Sweetheart, Alabama District Key Club Miss Congeniality. She was also rush chairman and secretary of STAR.

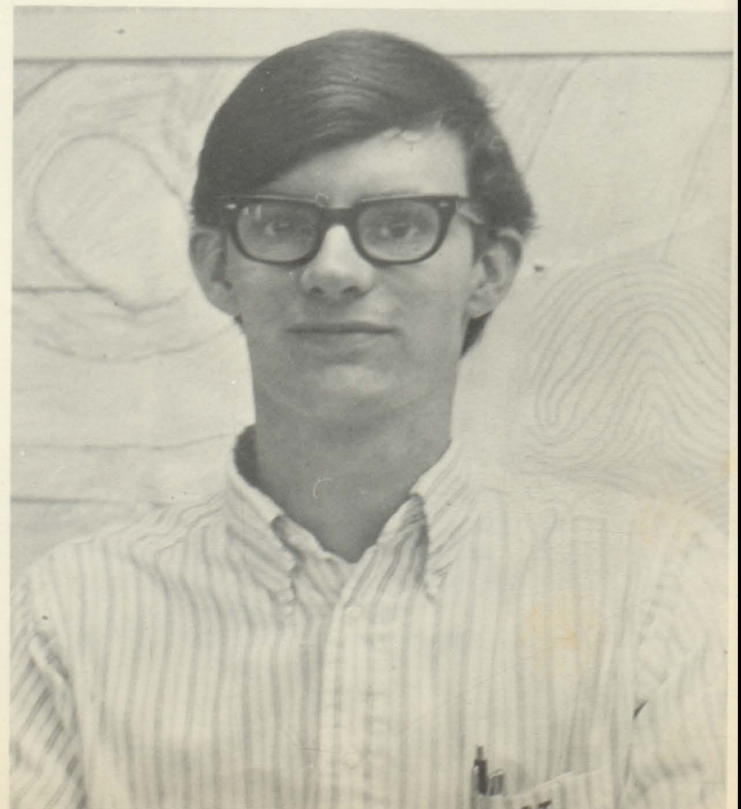

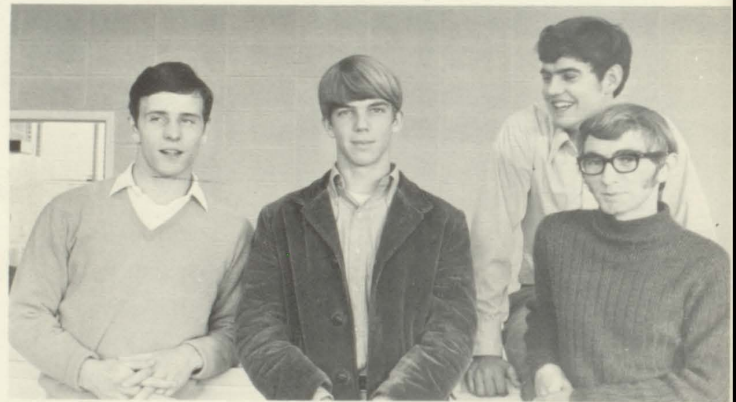

Sportsmanship

As the outstanding player of 1969, CHARLIE SMITH ended a solid high school career of Bearcat football with a string of Player-of-the-Week Awards, a "B" team letter and two varsity letters to his credit. Charlie has maintained a consistently high academic average and earned a reputation as being pretty smart when he wanted to be. As a member of National Honor Society, he has worked on the Constitution Committee and elected chaplain of the "C" Club. He spent a great deal of spare time with his hobbies, hunting, watching football, and enjoying campus life.

Most students find mathematics very challenging, some even find it impossible. The math department offers a wide variety of courses ranging from industrial to college preparatory. The students are able to select just the right course that pertains to their future plans. Nine students are now enrolled in the Math Honors Program at Sacred Heart College. Student Council Presents

A busy organization, the Student Council takes an active part in school activities. This year they provided the orientation program for eighth graders, organized the AFS Bus Stop, and sponsored fund-raising drives for both the AFS and Partnership Programs. Other activities include collecting for the Colony Community Center, sponsoring a victory dance and the Homecoming Dance, and presenting a Christmas play for the student body. This year's Christmas play was "A Christmas Carol." It was presented the day before Christmas Holidays began.

Scholarship, character, leadership, and service are the criteria for admission in the National Honor Society. Inductees are considered by a screening committee on the basis of grade averages (A for sophomores, B for juniors and seniors, and any F is immediate disqualification), faculty recommendations, and extracurricular activities. NHS is a service organization and its members can be summed up in one word: involvement. Honor Society has for several years offered such services as tutoring (in any subject), keeping students abreast of school events and 'Peanuts' cartoons with the bulletin board, ushering for every event in the auditorium, and sponsoring College Night, where over 200 students met representatives from over 20 Alabama colleges. This year, NHS offered with Interact Club, the first scholarship for CHS seniors exclusively. The scholarship was established on a permanent basis, amounting to roughly \$1000. In addition to their regular school services, National Honor Society members found time to publish the Alabama Honor Society Bulletin for all state chapters of NHS.

Community projects ranged from aiding Red Cross to work at the retarded children's day school to groundwork for an extensive recreation project to helping at a St. Bernard Sorority Day. The World of Music

Composed of 117 members, the CHS band has put forth a lot of effort in order to provide the half-time performance for your entertainment. The 7 minute half-time performances are a result of many hours of marching, yelling, and memorizing music. It all begins in August when the band heads for Jacksonville State to begin working on their first show. The camp is limited to 4 days so they are out on the field every morning regardless of weather conditions to prepare for the football season. When school starts the band is pretty well on its way but 1st period and Thursday night rehearsals are still required to make the shows extra good. Many things are expected of the band each year, but their main goal is to show the many different types of music and how it can be appreciated.

After auditioning before a judge, several of the members have represented the school in the All-State Chorus. Each year the choruses give two concerts, one at Christmas and one in the spring. Reviews:**The Man Who Came to Dinner**

For the first time in several years, the school dramatic facilities were used for a genuine theatrical presentation when the Drama Club presented the delightful comedy spoof on Alexander Woollcott, The Man Who Come To Dinner. The Kaufman-Moss satire, directed by Miss Weithoner, was concerned with the results of a sophisticated egotist's stay with a middle class family. Playing the lead of Portly, falstaffian Sheridan Whiteside was Joe Lovoy (well suited for the part), backed by a supporting cast which included his personal secretary, Maggie - Sarah Coffee; Mr. Stanley - Ken Preston; Mrs. Stanley - Debra Gay; their children Richard - Randy Swofford, and June - Connie Priest; Mr. Stanley's sister Harriet - Glenda Hamner; newspaper editor - Tut Underwood; actress Lorraine Sheldon - Juanita Merrit; Nurse Preen - Shirley Carnes; actor Beverly Carlton - Mike Millison; Dr. Bradley - Robin Ledlow, and a friend of the Stanley family, Mrs. Dexter - Debbie Adcock. Other members, who worked and stage crew were: Jim Myers, Mack White, and Dale Lamar. Search for Talent Continues

Sponsored by Mr. Foster, the CHS Talent Scouts carried on the tradition of seeking original performances for the spring student body council co-sponsored by the student council. This 35-member organization spent several meetings listening to different kinds of music as a lesson in objective criticism, but it was felt that this was unnecessary since the record player was broken and the records warped. Officers were: Dan Henry, sec., Paige Nantz, treas., Mike Wachter, vice-pres., Richard Nixon, pres., Members: Mike Edge, Scrappy Folsom, Bobby Franklin, Debbie Gardener, Kitty Graf, Alan Grier, Bill Griffin, Janie Harris, Jimmy Hudson, Pete Lessere, Joe Lovoy, Randy Martin, Diane Mathis, Terri Norton, Greg Pichelmayer, Debbie Pierce, Gary Puckett, Mike Reid, Jean Schoettlin, Debra Tucker, Donna Tucker, Debbie Washburn, Tony Watkins, Freida Weidheit, Claudia Higdon, David Lee, John McMeans.

Cycle Buffs Dominate Hobby Club

Under the sponsorship of Mrs. Knight, the 24 members of the CHS Hobby Club listed their favorite hobby as motorcycles, and easily spent several meetings examining the various 'rods' at CHS. The members have seen coin and arrowhead collections, and slot car sets, in keeping with the club's provision for exchanging hobby ideas. Tri-Hi-Y Supports March of Dimes with \$73

Outfitted with posters, canisters, and buttons, and working as small groups, the Cullman Tri-Hi-Y invaded stores and plazas to collect money for Interact-sponsored March of Dimes last January, highlighting a year of several successful service projects. Cosmetology Club Caters Kids

One of the largest "special interest" groups at CHS proved to be one of the most unique when the Tri-C's augmented a busy program of cosmetology lectures with a service program for underprivileged children. The club collected money to sponsor a theater party, complete with refreshments and gifts for several children, aged 2-8. Sponsored by Mrs. Phillips, the club has heard from a representative of Merle Norman on correct use of make-up, and a trade school representative on hair and clothing styles, manners, jobs, and college, opportunities in cosmetology. Officers were: Pres. Carol Black, Vice Pres. Sandi Payne, Sec. Freida Alexander, Treas. Doris Blackwood. Members were: Becky Chambers, Jan Cheatwood, Deborah Chesser, Geardean Folds, Peggy Hanson, Debi Loyd, Susan Miller, Debbie Morgan, Paula Murphree, Sheila Parker, Sara Paulovich, Patricia Richard, Susan Shikle, Debbie Jean Story, Sandra Rucker, Glenis Turner, Milinda Yancy, Terri Croxton.

Auto Addicts Split

A substantial increase in auto interest made it necessary to divide the club into two groups this year. The aims of the organization remained intact however, and, under the supervision of Mr. Hartley (Auto Club I) and Mr. Bowling (Auto Club II), emphasis was placed on safe driving and safety laws. The 49 members watched films and invited a local law enforcement agent to speak on safe driving habits. Officers and members, club I: Dwight Tubbs, pres., Craig Walker, vice-pres., Frankie Cospser, sec.-treas., Danny Joe Burnham, Jim Clos, Harold Goggins, Michael Harbison, David Hilbun, Ricci Hudson, Roger Hunt, Danny Johnson, Van Jordon, Bill Lorey, Ken Lovell, Ricky Miller, Dan Morgan, Alan Perry, Mark Sandlin, Tony Tankersley, Dan Tekulve, David Tucker, Larry Weeks, Greg Williams, Ricky McPherson, Donald Hancock. FHA-FFA Members Give Children a Merry Christmas

Future Homemakers and Future Farmers of America got together this year and planned a Christmas party for needy children from Head Start. These organizations worked hard collecting and repairing toys. F.H.A. members were busy days before baking cookies, wrapping gifts and decorating the Home Economics room to provide the Christmas Spirit. Joe Lovoy acted as Santa Claus for the occasion and distributed the gifts. To see the children's happy, sparkling faces made the members feel that all their work had been worthwhile.

International Relations Challenges on as Seeker of Solutions

The increasing concern of youth over world affairs was evidenced by the increase in membership and consequent division of the international relations club. This year, Mrs. Hughey (club 1), Mr. Petty (club 2), Mr. Pilgrim (club 3), Mr. Talley (club 4), and Mrs. Wright (club 5) took on the task of enlightening 129 students on the world situation. Officers and members for the five groups were: (Club I) Officers: Marian Fidler, pres., Mary Jane Aldridge, sec., Pat Basch, vice-pres., Terry Cleghorn, treas., Members: Virginia Aldridge, Janis Alverson, Magdalena Arcia, Martha Bates, Eda Brock, LuAnn Brock, Shelia Brown, Dale Buchanan, Lendon Butler, Lesia Carter, Cheri Clark, Jane Clemmons, Vicki Cole, Richard Collier, Becky Conn, Sue Cox, Dianne Dale, Joy DeMonia, Loyd Dismukes, Emmye Edleman, Joan Edwards, Gary Schwaiger, Pam Brown, Kathy Brown. Girl Scout 'Cookies' Hit CHS

Cullman High's first school-oriented girl scout troop led off the year with the inevitable October Girl Scout camping trip, this time at Camp Trico in Huntsville. Christmas found the girls on a caroling spree in the Shopping Center and the hospital, followed by a traditional Girl Scout Christmas party at the high school. In addition to their many service projects, this organization found time to sponsor a troop of Brownies. The troop has also done extensive work on a youth center project.

VICA Members Enjoy Banquet

VICA, a club organized for students taking ICT, had their annual banquet Dec. 4 at the All Steak. Attending the banquet was Mayor Nesmith, who presented the trophies to Mr. and Miss VICA, Doug White and Karen Hicks. These two finalists were chosen on their poise, personality, expression, and appearance. Other finalists were David Freeman, Russell Walker, Renee Dale and Nan Holmes. Attending the banquet were members and their employers, Dr. Dennis, Superintendent of City Schools, and Mr. J. C. Hunnicutt, Asst. State Supervisor of Trade and Industrial Education. DNA Concerned with Genetics

The Cullman chapter of the Junior Academy of Science (DNA), sponsored by Mrs. Adams, began its first year here with research into heredity, genes, and the genetic code. CHESS CLUB: When do we play?

Short Period Stalemates Chess Club

Student interest rated two chess clubs this year, and, under Mr. Brock and Mr. Arnold, the members began a series of inter-club matches (that were never finished before the end of the club period) to improve their game. Some attention was given to strategy, though most members relied on previous experience in competition. The club also made plans for a school tournament. Officers for Club I were: John Townsend, pres., Susan Richard, vice-pres., Pete Jacobs, sec., and Chuck Steipp, treas. Members: Larry Griffin, Steve James, Tommy Ponder, Darrell Sims, Joe Sinclair, David Stankard, Dewayne Smith, and Keith Waters. Math Team Rates Semi-Finals (in Basketball?)

The Cullman High Math Club, advised by Mr. Freeman, showed itself to be remarkably diverse to have such a small number of members this year. The club sponsored (and was the biggest promoter) of the CHS Math Tournament, which involved over 80% of the school's math course enrollees. In addition, the club discussed the AMTS problems, played 3-D tic-tac-toe, and found time to enter a basketball team in the intramural tourney (where they even made the semi-finals). Officers: Michael Pruitt, pres., Larry Whisenant, vice pres., Janice Pruett, sec., Steve Maxcy, treas. Members: Allen Bowling, Randy Daniel, Michael Powell, Stephen Giles, Mike Marty.

If We Rang a Bell

For Every Major Project We've Completed,

You'd Hear 176 Wonderful Chimes.

That's an average of 35 1/5 per year. And in our five year history at Cullman High School we've managed to compile the most enviable project list of any club in town. It is easy to see why. We built a school marquee, and provided school benches, outfitted a hospital in Viet Nam, painted goal posts, packed and mailed 2,000 Ditty bags to overseas forces, moved a city library, redecorated a school for retarded children, participated in fund raising drives for some twenty organizations, and have given over \$11,000 to our school, community, and nation. We've even moved teachers into new apartments.

1970 has been no different. We adopted a Taiwanese orphan and two AFS students, built a complete college reference library, established a scholarship fund, initiated a recreation program, cleaned up the Fair grounds, and conducted our third successful March of Dimes campaign as county chairman. All told, we've worked over 5,000 hours on over 35 projects. As a service club, we're proud of our record. We don't mean to be boastful, but is the only chance we get to "sound" off. Thank you for letting us serve.
