Alpha,  $\text{A}$ , and Omega,  $\Omega$ , are the Greek symbols representing the beginning and the end. In many ways, our time spent at Cullman High School symbolizes the same. It is the start of new friendships and lasting memories; however, it is also the finish of our cherished moments shared.

For the freshmen, this year is the end of all things familiar and the beginning of an exciting adventure known as high school. As for the sophomores, it is the end of those embarrassing years of riding with your parents and the beginning of that sense of freedom that comes when you turn 16. The juniors end their years of being known as underclassmen and begin to realize how fleeting their time together really is.

Finally, for the seniors, this is the end of everything we have ever known and the beginning of an uncertain tomorrow. But as we look toward our tomorrows, let us not forget our yesterdays at CHS. Let us not view these days at Cullman High School as the end,  $\Omega$ , instead let us look upon them as the beginning,  $\text{A}$ , of the rest of our lives.

This year, Cullman's mascot underwent "reconstructive surgery." On August 27, 1998, the student body received its first glimpse of the new and improved Bearcat. The cheerleaders were proud to introduce the new addition to the school at the first pep rally of the football season.

The Bearcat is an important figure in Cullman and to the students. It travels to all of the football games, attends some basketball games, and even goes to some camps and competitions with the cheerleaders.

The old Bearcat was bought about ten years ago by Student Council. The new Bearcat was bought in 1998 for \$725.00. The Quarterback Club generously gave enough money to pay for about half of the cost of the Bearcat, and the cheerleaders paid for the rest. When the time came to pick out the Bearcat, they found that no company made a Bearcat uniform; therefore, the only solution was to make drawings and sketches.

Top Left: Heather Smith, Summer Williams, and Katy Dunn share smiles and laughter at the pep rally for Cullman vs. Hartselle.

Above: Lee Bates and Brent Pritchard try to follow Mrs. Perry's complicated lab instructions.

Right: Will Harding, A. J. Johnson, and Robbie Laney enjoy the fabulous lunches provided at CHS.

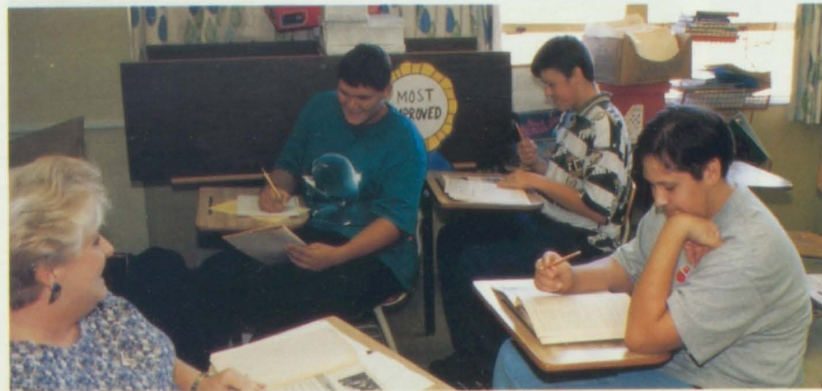

Left: Laura Thompson, Hannah Brown, and Lana Davis enjoy each other's company during break.

Middle Left: Charlie Morrow, Gary Collier, and Randy Sparks are working hard in Mrs. Chaney's classroom.

Bottom Left: Elizabeth Dunlap and Sally Culpepper are forever friends.

Below: Brian Bostick can score a fifty yard touchdown and Brad Ramsey can write newspaper articles, but neither can work a camera.

In the beginning, our bathrooms were far from luxurious. They were cramped, poorly lit, distastfully colored, and confusing. Now that C building has been added to the CHS campus, we have new and improved bathrooms. These bathrooms have more space, better lighting, and more pleasant appearance. The most important addition to the new bathrooms are the "Guys" and "Girls" signs. These signs were truly needed. They keep freshmen from making that embarrassing first trip to the wrong bathroom. Along with all of these blessings, the doors actually lock, and one can see his entire body in the mirrors. In the end, we are thankful for the nice bathrooms that we already have, but we really like our new and improved C building bathrooms.

## October 12-16

### A Week Full of Memories

This year's homecoming was an unbelievable and unforgettable week filled with school spirit and class competition. Pajama Day kicked the week off, followed by Costume Day, Dress-Up Day, Camouflage Day, and the traditional Black and Gold Day. Cash prizes were awarded on Costume Day for the most uniquely dressed. The costumes ranged from "Tweedle Dee and Tweedle Dum" to "Dorothy and Toto." This year, our participation in the homecoming events soared. The raffle ticket sales and the canned food drive were both record breaking events. Thursday night was the bonfire and the crowning of Derrick Taff as the 1998 Ugly Court Winner. The Senior/Sophomore team defeated the Junior/Freshmen team 28-0 in the Powder Puff game. The biggest pep rally of the year took place on Friday afternoon. Creativity, school spirit, and a few good lungs secured the spirit stick for the Seniors. After being pumped up from the pep rally, everyone stormed the football field ready for the most competitive event of the week - field day. The victory, once again, went to the Seniors, but the most important victory was still yet to come. That night, the battle of the Cullman Bearcats and the Boaz Pirates began. At halftime, the crown was given to CHS's new Homecoming Queen, Mary Hollis. The Bearcats dominated the entire game, and ended with a final score of 38-27. The game was followed by what was possibly the shortest dance in school history. The last song, "Leaving on a Jet Plane," concluded our week long festivities. Everyone went home with a renewed sense of pride and a feeling of togetherness. - Josh Hight

This year, many of CHS's previous homecoming records were broken. The Senior class collected 7,257 canned goods to add to the school's total of 10,288. \$6,037 was collected from the raffle ticket sales, and the penny drop raised \$852.27. Competition was the incentive for the record-breaking goals, but a much more memorable result occurred than anyone could have imagined. The students of Cullman High School supplied food for the needy of our community. Several members of our school delivered the food to various churches in town. The outpouring of gratitude was overwhelming. The sweet potatoes were cause for much excitement! Every class wanted to win the contests of Homecoming, but in the end, we were merely the players in the game in which the citizens of Cullman came out on top.

# 1998 Homecoming Queen Mary Hollis

On October 16, 1998, Mary Hollis was crowned the CHS 1998 Homecoming Queen. Mary was captain of the varsity football and basketball cheerleading squads. She was actively involved in many school clubs including National Honor Society, Key Club, FBLA, and FHA. Mary was the treasurer of the German Honor Society, secretary of Youth in Government, and a Student Council representative for her class.

"I feel extremely honored to be chosen as the 1998 Homecoming Queen. I appreciate all the support I received from my friends and classmates. Thank you all so very much!"

This year has been filled with many new experiences for all of Cullman High School. One of these allowed the Senior class to leave a lasting impression on our Alma Mater. For five dollars, one could purchase a brick in the new sidewalk of C building. The bricks were sold by National Honor Society to raise money for Relay for Life. This difficult and time-consuming task could not have been completed without the essential help of the carpentry class. For the Seniors, our time at CHS has nearly come to an end, but long after we are gone, our bricks will still be here. Cullman High School will always be a part of us, and now, we will always be a part of our school - our home.

## Class Motto

Faces of old and faces of new,  
People we know and people we knew  
Growing together then drifting apart,  
Always an ending and now a new start.

At graduation we all grow nearer  
And all of our friends seem so much  
dearer

And as we say our final goodbye,  
One last embrace and one more cry,  
A “keep in touch” and a “promise I  
will,”

A “remember when” but better still,  
A place in my heart, you’ll always stay,  
this is what’s said as we go our own  
way.

Mr. and Miss CHS

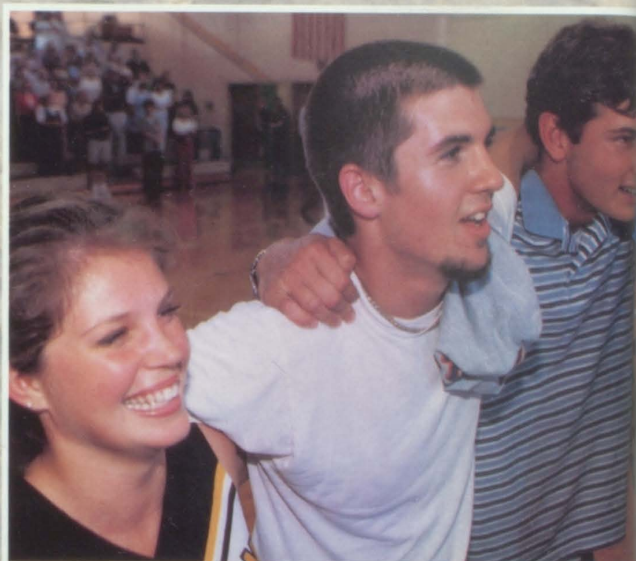

Casey Hardeman and Schenaye Mauldin

The Cullman High student body selected Schenaye Mauldin as the 1998-1999 Miss CHS. As well as being a vital part of the varsity volleyball team, Schenaye also served as Key Club and FBLA president, and vice-president of Youth in Government. Schenaye was actively involved Student Council, National Honor Society, YFC, French Club and Honor Society, and FCA. Schenaye will always be remembered for her outgoing personality and compassion for others.

This year, Casey Hardeman was chosen as Mr. CHS. Aside from his important position on the varsity football team, Casey was also president of Student Council. He was an active member of Key Club, National Honor Society, VICA, French Club, and FCA. Casey's hardwork and dedication made him a great asset to Cullman High School.

“The past four years of my life have gone by extremely fast, especially my Senior year. One of the things I have learned this year is, ‘If you live on the edge, you might fall off, but if you don’t, you’ll miss the view.’ Make the best of your high school years because they are the ones you’ll remember.”

Sarah Gibbs

“Although all my years at Cullman High School have been great, my Senior year has been by far the best! I have made so many memories and built so many relationships this year that I will carry with me for the rest of my life.” Brook Huffman

# ADMINISTRATION

It is a great pleasure to be able to write this editorial in the 1998-1999 *Southerner*.

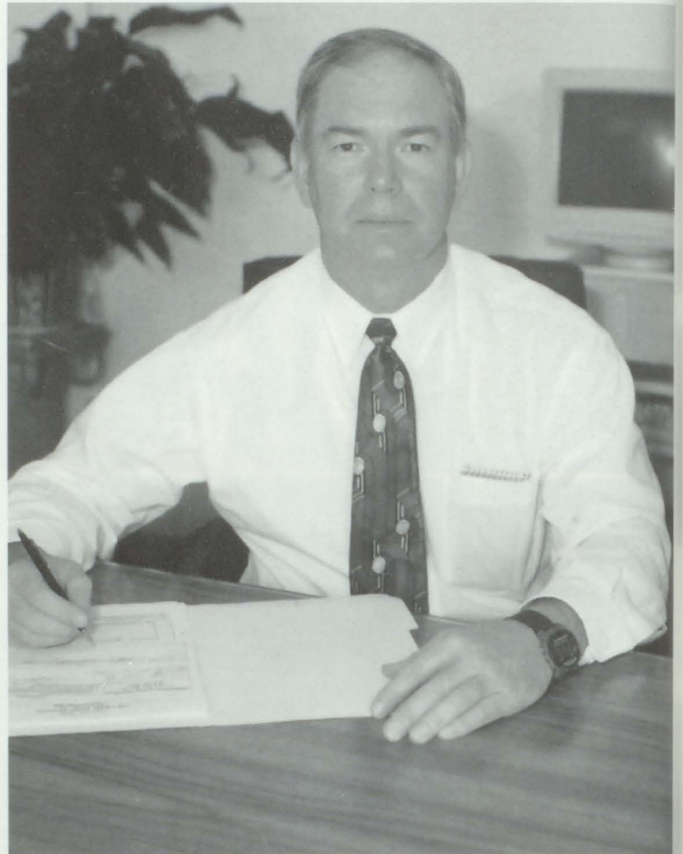

The *Southerner* is your school yearbook. As such it reflects on the happenings at Cullman High School over the school year. We are all part of it, since it is a mirror of all that we do. Years from now, when we look back upon the hours and days spent here, it will be publications like the *Southerner* that will aid our memories and help us recall the activities, events, and functions, the happy and the sad, the troubles and the triumphs of our school careers.

It is already tomorrow. Time, which never stops on its journey, will pass before your eyes, and in only a few moments you will be members of the community looking back on the years you spent at Cullman High School. When you do, the photos, facts, and memories in the book will be your stepping stones to a happy reminiscence.

May your memories of Cullman High School be pleasant ones, and may your futures be filled with happiness and success.

With every wish for a bright tomorrow,

The opportunity to be a part of the Hilight staff is one that I have greatly enjoyed for the last two years. Working hours and hours into the night has paid off in the results of our labor. Along with these hours of work has come a drastic improvement in the format of our school newspaper. More articles, more features, and more pictures are just a few of the improvements made this year. My involvement with the Hilight is one of me highest responsibilities, and it is one that I have thoroughly enjoyed.

Rachel Wyatt, Paige McDonnell, and Taylor Johnson show their excitement during candy sales for LEO Club.

Rebecca von Lehe works in the LEO Club concession stands at the fair.

The LEO Club is a service club affiliated with Lions International or more specifically, the Cullman Lions Club. The club was formed during the 1989-90 school year. It has grown to a membership of 162, being the largest club at Cullman High School and the largest LEO Club in the state.

The members are truly given the opportunity to serve their school and community. Each year there are many members who surprise themselves when they feel the rewards of community service and the gift of giving of one's self. Through personal contact with someone in need, the members experience self fulfillment. Many discover that working to help others and being involved in the community can be very enjoyable. There is a major project each month.

The year began with 136 members working in the Lion's concession stand at the Cullman County Fair in September. Several Leos made the goal post banner for the CHS vs. Arab football game and "Sightsaver Mints" were sold during halftime of the CHS vs. Hartsell game. A dance was held on October 30th with a Halloween theme. DJ Daryl Weidman played dance favorites along with some karaoke numbers. The installation banquet where new members and officers were installed was held in November. The keynote speaker was Tyrenda Williams, 1998's America's Junior Miss and a former LEO Club president at Vestavia High School. Members donated toys and canned goods and later helped sort and pack them for the Christmas Love project. In February, the LEO's helped the Lions with their annual catfish/ham dinner. The annual pizza party and volleyball game with the Lions was held in March. Each year two girls and two boys are sponsored by the Lions Club to attend the Alabama Lions Youth Camp in April. To end the year, several LEO's assisted as ushers at the Community concert performance in May.

The Leo Club also has a commitment to serve its school. Besides annually supporting many school projects, it has made some other major contributions. The LEO Club purchased and operates the moving message sign in the CHS lunchroom throughout the year to keep students up to date on upcoming events. The club also purchased a sign for the school marquee above the electronic message sign at the cost of \$2,500. Thank you LEO Club for your service and support!

An organization busy all year with projects, the French Club began the year with a Variety Show and a Christmas present wrapping party for a sponsored family. Later in the year, they sold Valentine's Day flowers, organized a banquet, visited Bombay Cafe, and went to the Birmingham Museum of Art.

## French National Honor Society

"French Club has been such a vital part of my high school career. Being an officer, I was able to see the club help the community in innumerable ways. Between sucker parties, flower sales, and other traditions that the French Club has, I have found that it has become a large gem in my high school crown." Lawayne Walker

"I have many memories of French Club. I will never forget going to Bombay Cafe, shopping for the kids that the club sponsors, and making tons of suckers for Valentine's Day. Being involved as a member and officer has given me many valuable lessons about myself and others. I will forever treasure my time in French Club." Katie McBrayer

Spanish Club did a variety of projects throughout the school year. In the beginning of the year, there were projects with the March of Dimes, Christmas Love, and sponsoring a Primary School family. Spanish Club was involved with Teacher Appreciation Day and Relay for Life in the spring. Spanish Club also took a trip to a local Mexican restaurant. They had fund raisers such as the sucker sales to help earn money for these projects.

Future Business Leaders of America is a nonprofit educational association of students preparing for careers in business and business-related fields. This association has four divisions: FBLA for high school students, FBLA-middle Level for junior high and intermediate students, PBL(Phi Beta Lambda) for postsecondary students, and the Professional division for businesspeople, educators, parents, and anyone who supports the goals of the association.

The first national high school chapter was chartered on February 3, 1942 in Tennessee. Alabama received its state charter in 1952 and Cullman High School organized its first FBLA chapter in 1975. Two of the Alabama State Presidents have been from CHS: Carrie Comer in 1991-92, and Jodi Bauschka in 1994-95.

The goals of FBLA are to promote competent business leadership, understand American

business enterprise, establish career goals, encourage scholarship, promote sound financial management, facilitate the transition from school to work, and develop character and self confidence. To accomplish these goals, FBLA holds conferences and seminars, sponsors a competitive awards program, produces national publications, and provides scholarships, programs, and other services for its members.

At Cullman High School, FBLA is a very active club. Some of the years activities have included the CHS dance, Christmas Open House in Cullman, the Early Bird breakfast for the Chamber of Commerce, and many other fund raisers for the club. The year was finally brought to an end with another great Relay for Life in May.

Youth in Government is a community service organization that interacts not only the students, but also the public with government and politics. This club allows students to engage in political events and learn how the government is operated.

Throughout the year, this organization holds many political functions and is involved in area competitions. In October of 1998, Youth in Government held a political forum for the candidates of the November election. This forum was open for the public to ask the candidates questions and discuss political issues. The forum was a big success.

Another activity that Youth in Government participated in was creating mock trials for the experience of learning the procedures in a court room.

# German Club

German Club students participated in various activities. In the beginning of the year, they were involved with the German dinner at St. Johns church, a dinner in honor of the German Ambassador, a tour of the German based company REHAU, and bought Christmas gifts for a family. To help raise German scholarship money, the students sold advent calenders. At the end of the year, the German Club attended a competition in Tuscaloosa and hosted students from Germany. Over the summer, they visited Germany and many surrounding countries.

"German Club is really interesting and fun. If you get to go to Germany after two years of studying German, you learn that your hard work and studying pays off."

# C. A. T. S. 55

Jackie Spiegle tapes a few seconds of Mary Kreps and Melissa Reese reading their scripts for the new morning show.

Cullman High School was chosen during the summer of 1998 to be the location for a new public access television station. It was decided that the station would be operated by students at the high school and a teacher would advise the staff. Bill Bagley was chosen as this advisor and a staff of ten members was selected by teacher recommendations. An old classroom was designated to be the studio and sound room. This class was responsible for getting C.A.T.S. 55 started and running by the end of the 1999 school year. The station was on air by the end of the year with a professional studio and equipment thanks to the city of Cullman, many sponsors, a dedicated advisor and a hardworking staff.

Tyler Morgan and Rusty Walker learn how to use the new equipment at the TV station.

"At the beginning of the year I didn't know what I was getting into, but now that it's all over, I'm glad that I was a part of this class. It allowed me to become acquainted with the operation of an office and working with colleagues and superiors. C.A.T.S 55 has been a great learning experience for me."

## Senior Profiles

My career playing football here at CHS will be a time I will cherish forever. Even though at times I asked myself why I do this, now I know. It is so I can look back on some of the best times of my life. These last three years have been great. Like all things it must come to an end but will never be forgotten. I thank God I could be a part of something this special. Statistics: 2400 yards and 28 touchdowns.  
Danny Simms

High school football has to be the best thing I have ever participated in. The memories and moments I have shared over my career have by far overshadowed the bad. After experiencing wins, losses, and letdowns, I am proud to be a part of Bearcat football! Statistics: 1100 yards receiving and 12 touchdowns.  
E.J. Elliot

Football has been a great experience for me over the years. I do not know many people who love to go to practice every day, but I have never met anyone who hates to play the game on Friday night. I think we played well as a team, and that is the only reason we were able to go 8-3! I will miss it because it is the only time you can hit someone without the law being involved. Statistics: Defensive captain and 7 tackles per game.  
Derek Gossett

"Despite my injury this year, I was able to finish the season." David Heptinstall

Coach Bates seems to be instructing Danny Simms on a new play while Danny is listening intently to ensure a win over Hanceville.

The Bearcat football players are anxiously awaiting to see the results of the final play that will complete the second quarter of the Boaz game.

Coach Wilson hurriedly instructs Adam Swafford and Justin Kent who are on the offensive line to ensure success on the field.

# Football Cheerleaders

The 1998- 1999 cheerleading squad participated in many new activities. Before every game the cheerleaders decorated the football locker room and provided candy for the players. At pep rallies the cheerleaders performed skits and activities including tossing paper airplanes in a garbage can and rolling the gym. For Homecoming they filled the locker room with balloons and decorated the quad with ships. The cheerleaders have contributed in getting the student body involved in supporting our football team.

Over the summer the cheerleaders went to UCA camp at the University of Alabama. The varsity placed second in the sideline competition. Second place was awarded to the junior varsity in the dance, cheer, and sideline competition. Selected to be UCA All Stars were Mary Hollis, Jessica Shivers, and Ashley Lamar. Lynsey Stansberry was also chosen to be an All Star.

"With a new costume, I had a great time as the Bearcat. We cheerleaders tried many new ideas, and we had one of the best seasons we have had in a while. Go Cats!"  
Lynsey Stansberry

"Through many long hours of practice and hard work of being a cheerleader, I have learned the importance of self-discipline and teamwork. Being a Cullman High School cheerleader has truly been an honor. I will never forget the many wonderful memories cheerleading has left me."  
Mary Hollis

"The time I have spent here at CHS will be a time I will cherish always. Cheerleading is something of which I am proud to say I was a part — from the pep rallies to the cold Friday night games to the time spent practicing after school. These are all things I will miss, but like all good things, it must end. The friends and memories I have made will never be forgotten."

This year's basketball season proved to be quite different from past seasons. Our team was successful and played with a team attitude. There were many close games that tested the team's abilities such as teamwork, perseverance, and dedication. They definitely succeeded in these areas. When asked what each player's best quality was during the games, Coach Dean said many good things about each player. Brent Bowen had a good three pointer as does Jared Giddens and Brian Bostick. Our defense was led by Deke Perkins while Clint Wallace scored in the lane. Ryan Akers spent quality minutes off the bench. Jay McPhillips, the starting point guard, did a good job running offense. Jimmy St. Louis also rebounded well as well as running the floor.

# 1999 Basketball Sponsors

The 1999 Basketball Sponsors were an excellent group of seniors who supported the basketball team throughout the season. It was the varsity boys' team who voted for these individuals. Most of the sponsors could always be found at the victory line at the start of each game to welcome the players. However there were some already in the stands; Emily, Beth, Schenaye, and Blakely served as statisticians for the teams. They were extremely devoted to the team and encouraged the players to a winning season! Pictured L to R: Sarah Gibbs escorted by Rusty Walker, Emily Satterfield escorted by Chris Hutchens, Beth Windham escorted by Zac Moore, Schenaye Mauldin escorted by Derrick Taff, and Blakely Reese escorted by Zach Morrow.

Brent Bowen shoots for two points in the Brewer game while Jimmy St. Louis and Ryan Akers block the goal.

Clint Wallace takes a shot at the free throw line after being fouled during the Homecoming game against Hanceville. Hanceville is one of Cullman's biggest rivals. After being down at halftime, Cullman came back and gained the lead. During the fourth quarter, a Hanceville player was injured and after a twenty-five minute delay Cullman's defense held the lead. It was a close but exciting game. The guys did a great job!

Mascot Candi Sager

"This was my first year to cheer for basketball. It was a great experience even though half my squad was suspended most of the time. It was an honor to get the crowd yelling with you. When we failed, we tried harder the next time. Each cheerleading squad did a great job for her first year, and our basketball teams were exceptional."  
Ashley Lamar

"Cheering for basketball this year has been a great experience. Although none of us were really prepared to cheer for another season, spending the extra time with our teammates and staying involved in our activity has really added to the joy of my senior year. I can never thank Donna Heptinstall enough for being a great coach and for everything she has done."  
Brook Huffman

Katy Dunn jumps high to make a shot while everyone watches in amazement.

Kelly Hubbard shoots for three as a Brewer defender tries to intimidate her.

Teresa Killian and the injured Kim Freeland cheer on their teammates.

Lindsey Bouldin watches the ball closely and is ready to make a steal.

Katy Dunn looks for a teammate to pass the ball.

Laura Laminack is prepared to take the ball from her opponent.

"Coach Dunn was always nice and helpful. He explained everything to me when I was clueless, and he always encouraged me. It was a great feeling to be part of the team, and it was fun. I also learned more about basketball, especially how to make a basket for the right team. I want to thank all my teammates for supporting and helping me, and I also want to thank the other students who cheered for us. It is a great feeling to hear and see that somebody is interested in what we are doing. Even a "here we go Kat, you can do it" made me happy. I will never forget the basketball season, and my whole year at Cullman."

## Senior Profiles

"Playing basketball has made the transition of moving here a lot easier. The team has worked very hard and accomplished several goals!"  
 Katy Dunn

"This is the most memorable year, not only are we winning, but my teammates are like family to me. I have made many close relationships that I will miss. I am glad Coach Dunn came in because he really motivates us to play our best. Our team has made many memories, and that is what I will hold so dear to me."  
 Laura Laminack

"This year's basketball season has been quite memorable. I thank Coach Dunn for all he has done for all of us. The memories and friendships I have made will never be forgotten. This has truly been the best basketball experience of my career."  
 Kim Freeland

# Varsity Volleyball

The volleyball teams have had an exceptional year. The varsity had a record of 13-13 which included all tournament matches. In the area tournament, they placed second to Athens allowing the team a trip to Regionals. The Lady Cats were put out by Curry and Bradshaw, but only after extremely close games. The junior varsity finished with a record of 10 wins and 2 losses. The freshman team had 4 wins and 1 loss. Congratulations on an outstanding year!

The seniors led the team with great enthusiasm. Schenaye Mauldin was one of the most consistent servers and an excellent defensive player. Cassie Barron played strong on the back row while Laura Laminack helped with attacking and blocking. Kim Freeland had an extraordinary season as a "setter" and "digger". Improving tremendously throughout the season, Katrin Hegemann added height to the team as well as becoming an excellent blocker.

"The cross country team has been great. Waking up early in the morning to run eight miles was not always a thing we looked forward to. However, we did it for our team. I have enjoyed all six years of pure pain and glory. Cross country is one of the toughest sports. When you can't seem to breathe, your legs are numb, body dead, and you look ahead to see a hill that appears to be at a ninety degree angle, believe me, it is hard to continue. I will always remember all the great trips we have been on and all the rocks we climbed and springs we swam across. It has been great and I'm going to miss it."

Chris Hutchens

"Cross country has been a great experience for me. I wasn't able to run at state my sophomore year due to a broken arm, but I made up for that this year. The guys have been great and the races have been interesting. I've had great memories and met some new people. It's been a challenge trying to balance football, AYSO soccer, and cross country, but not impossible. The times I've spent on the team will always make me laugh."

Patrick Coleman

The cross country girls are excited after winning a meet.

"Being a member of the Cullman Cross Country team has taught me self motivation and self actualization. The people are extremely special; the memories are unforgettable; and the unity is overwhelming. I will miss the practical jokes and most importantly those who kept me motivated when I wanted to give up."

Jessica Yoho

As Kate Peinhardt focuses on the finish line, she thinks to herself how great it will be when the race is over.

"Through many early mornings of practice, we grew to become stronger athletes and closer friends. Every practice was demanding and time consuming. But in the end the girls were runner-up champions, and the boys received third place. Every athlete gave their heart, time, and dedication. Our coach William Calvert deserves much of the credit also. Never missing a practice, motivating each athlete, and dealing with everyone's complaints made an extremely hard job. All the seniors have a great confidence for the upcoming years."

"Considering the limited practice time we have for indoor track, our team's performance was outstanding. Indoor track gave us a jump start on the spring track season."

Coach Calvert

Indoor track consisted of fifteen boys and thirteen girls. There were twenty practices and three meets. The meets were held at the Priceville Celebration Arena with a 200 meter banked wooded oval track. Although most of the events are the same as outdoor track there are not as many events. Indoor track is sanctioned and holds a state meet. Cullman competed in the 4A- 5A Division. The girls placed fourth in state, and the boys finished sixth. Ashley Lamar won an individual state championship in the high jump for the second straight year, while Lauren Bussey took second place. Christa Calvert, Susan Chappell, Kate Peinhardt, and T'aira Gibbs received third place in the 4 x 800 relay. For the third year, Allen Calvert won the high jump at the State indoor meet. David Heptinstall took first in the pole vault. Chad Johnson placed second in the mile run. Everyone who participated in indoor track did an excellent job.

Tennis in high school has been so much fun. It has given me the opportunity to get to know so many great friends as well as getting to know a great coach, Johnny "All-American" Burks. He has such a positive influence on me. He always pushed me, and I think that he has prepared me for next year at UAB.

While playing at Cullman, I've shared so many memories—the bus trips, dodge ball, and ice fights. But my favorite memory would have to be when I won the State Number 1 Singles Championship. I'll never forget watching Coach Burks cheering me on from the roof of the tennis building.

I'll always cherish the good times I've experienced while playing tennis." I want to leave you with my favorite quote from Coach Burks: "The good Lord didn't put you on this earth to be afraid."

As this edition of the Southerner comes to a close, so does our time here at CHS. The years we have spent here, from the alpha until the omega, are characterized by the memories we have made. And although we may go our separate ways, these memories will remain forever engraved in our hearts. The times we have shared are what bind us to the past, sculpting who we are and leaving lasting marks on our lives. As our journey through high school is completed, we take a step into the future — a future filled with new and exciting beginnings. But as we each grow and change, there will always be a place in our hearts for those shared moments, the moments of high school — the common experience which unites us all forever.

“The world is round and sometimes what seems like the end is really just the beginning.”
