CLASS OF
2009

It is Our Turn

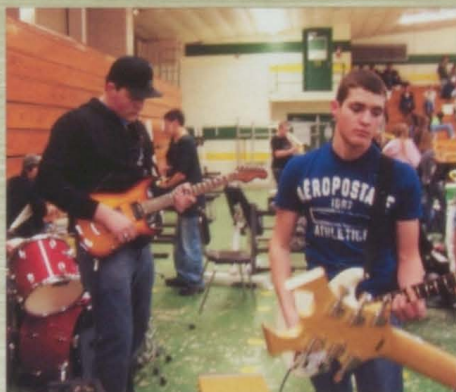

Throughout the entirety of school, we have always heard that one day the real world will come and knock us off our feet. Well that day is here. Just like all the classes before us, we will be faced with the times that we have been preparing for, for 13 years. One wonders whether the Class of 2009 will succeed or fail. It is our turn to show the world that we are capable. It will require determination and perserverance that we have not had the oppurtunity to show.

I hope that the word quit never enters your mind. It will be tough, but I hope you are able to look back on your days at HPHS and use those experiences to succeed. I am confident that we will all find happiness, perhaps in places we do not expect.

To the Class of 2009, I say good luck! I hope that you all find what you are looking for.

-Paul Mattox

M Dedication 2009

Ms. Lulette Benefield

The Holly Pond Bronco Band is one of the greatest programs in school history. It is solely because of this educator. She has provided Holly Pond School with 17 years of loyal service and dedication. Season after season she has seen success.

She knows the formula for victory and understands that it takes hours and hours of hard work. Not only is she a great leader on the marching field, but a great leader in the lives of her students. She is always ready to give good, fair advice to anyone who asks. She has always put the school and her students before herself and for that we say thank you. The times that she has gone above and beyond for people that do not even understand or know are countless. It should be counted as a blessing if you have been taught or been able to work with this wonderful person. For these reasons, the Holly Pond Annual Staff of 2009 has decided to dedicate this year's Bronco to Ms. Lulette Benefield.

B-Ball # 12

My son, when you were born, I held you in my arms. Tears of joy ran down my face. God blessed me with your heart and smile. Seeing you grow from the little boy you once were to the young man that you are becoming has blessed us. We pray for God's guidance, His peace, His wisdom, His protection, His love.

Hear and seek your Heavenly Father's voice. You are amazing and we will always love you.

"The only thing that will stop you from fulfilling your dreams is you." -Tom Bradley

We are so proud of you. Stay the way you are and you will go as far as you want in life.

-Mom & Dad

Sarah Dansby

Sarah,
Let seeking God's blessing be your ultimate act of worship. Let doing more for Him be your utmost ambition. Stay dependent on the strong hand of God. Your surrendered need turns into His unlimited opportunity. And He becomes great through you!

We love you!

PopC, Mommy and Katie

Lanna and Anna Easterwood

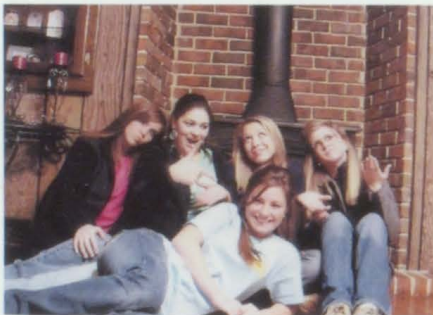

One plus one is two
And that's the both of you.

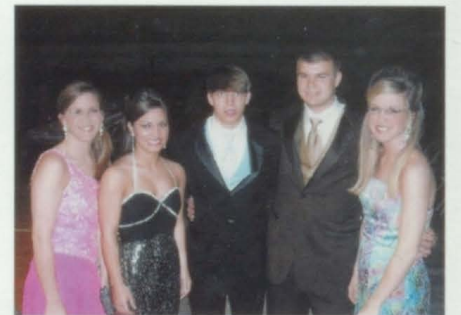

Twice as much to love,
two blessings from above
Two precious lives to mold,
two little hands to safely hold.

God touched our hearts so
deep inside,
our special blessing
multiplied

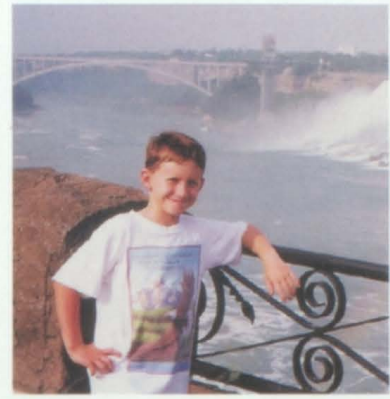

Lanna and Anna,

When you were born we knew it would be an adventure raising twins. There's double everything from Strollers to Trailblazers - From two starting Kindergarten to getting two ready to graduate. We have been "double" blessed to have you. God has an awesome future planned for the two of you. Just remember - whatever you do and wherever you may go that our love and prayers will be there with you. You will never walk alone because God is right beside you.

We love both of you so much,
Daddy, Mama, and Hannah

We never doubted you would come this far. Now we sit back and watch a wonderful, beautiful, intelligent young woman continue her goal toward a very positive and promising life that she has planned before us all. Words can't explain how very proud we are of you and all you have become!

*We love you so much!
Mom, Dad, Nana, and Poppy*

Todd Eric Phillips

It's hard to believe that our precious, blonde, blue-eyed, baby boy that GOD blessed us with December 17th, 1989, is now graduating. We thank GOD for blessing you with so many great and wonderful friends. Remember, Todd, to always put GOD first in your life and blessings will continue and life will be much easier. We love you and are so very, very proud of our wonderful son!!

Brittany Lynn Haynes

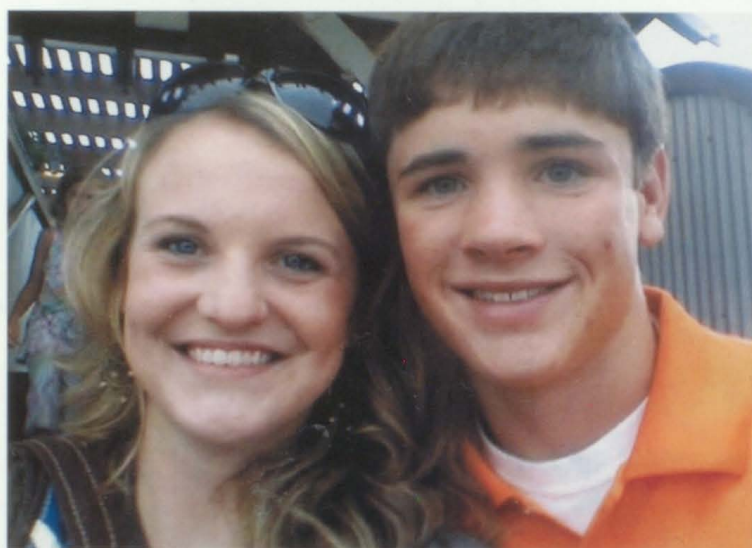

Brittany,

It is hard to believe you are a senior and all grown up. You have become a beautiful, caring young lady. We are very proud of you and all of your accomplishments. Always pray for GOD's guidance in your life, continue to lean and trust upon Him and you will not fail. Go for the goals you have set before you and strive to do your best. We love you very much and will always be here for you.

In Memory of Michael R. Crumbley

Mikie passed away on January 28, 2009. He was a part of the freshmen class and would have been a graduate in 2012. Mikie will be missed by many. He made everyone smile and was always a joy to be around. Mikie is in a better place now. He is walking the streets of gold in Heaven! Mikie's life was cut short, but the memories he left will last forever. His death should not sadden us but make us rejoice that he is with his heavenly father.

- From the Journalism Staff of 2009, class of 2012, staff of Holly Pond High School, and community of Holly Pond,

We love you Mikie.
