**The journey of each life  
begins with a single step.  
We reach out, grasping  
at things which are  
intangible.  
We seek to gain the  
understanding  
and knowledge of this  
vast universe and of  
ourselves.**

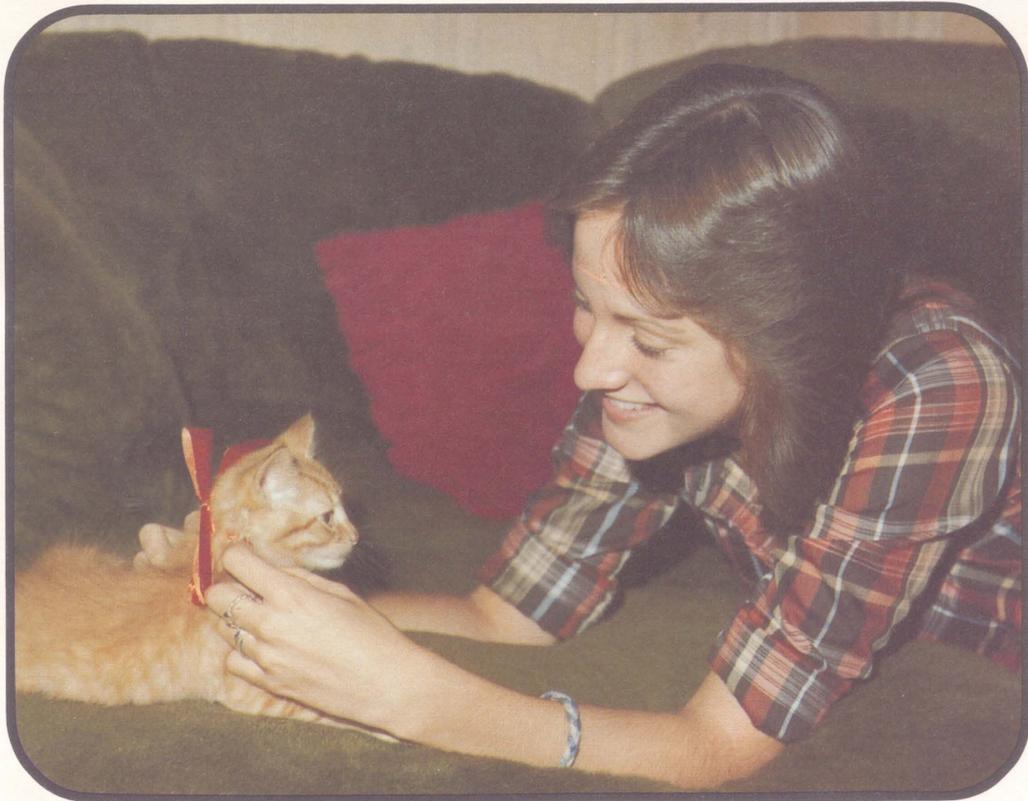

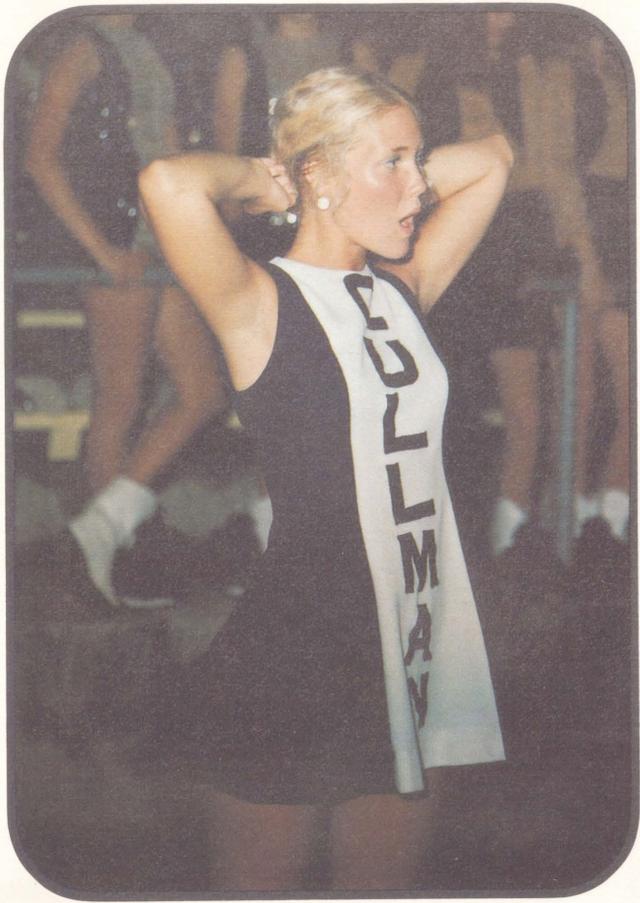

We seek an identity.

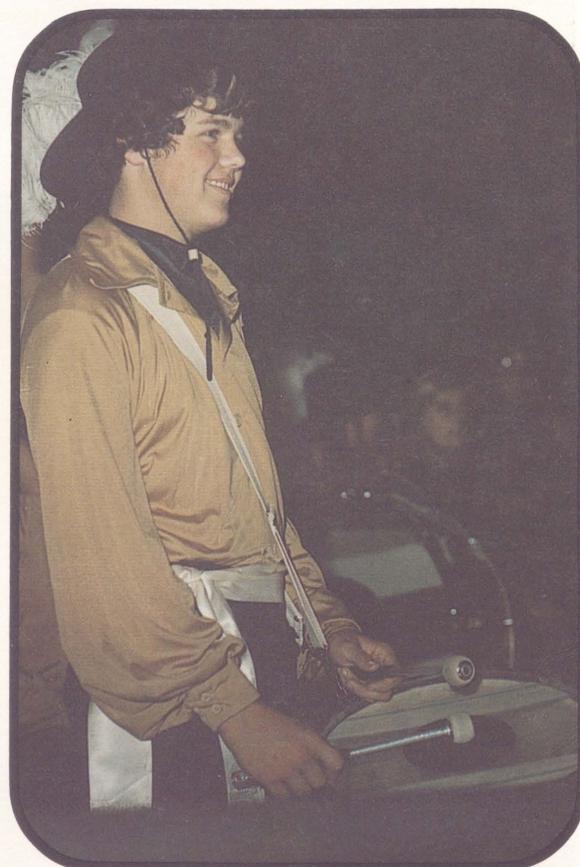

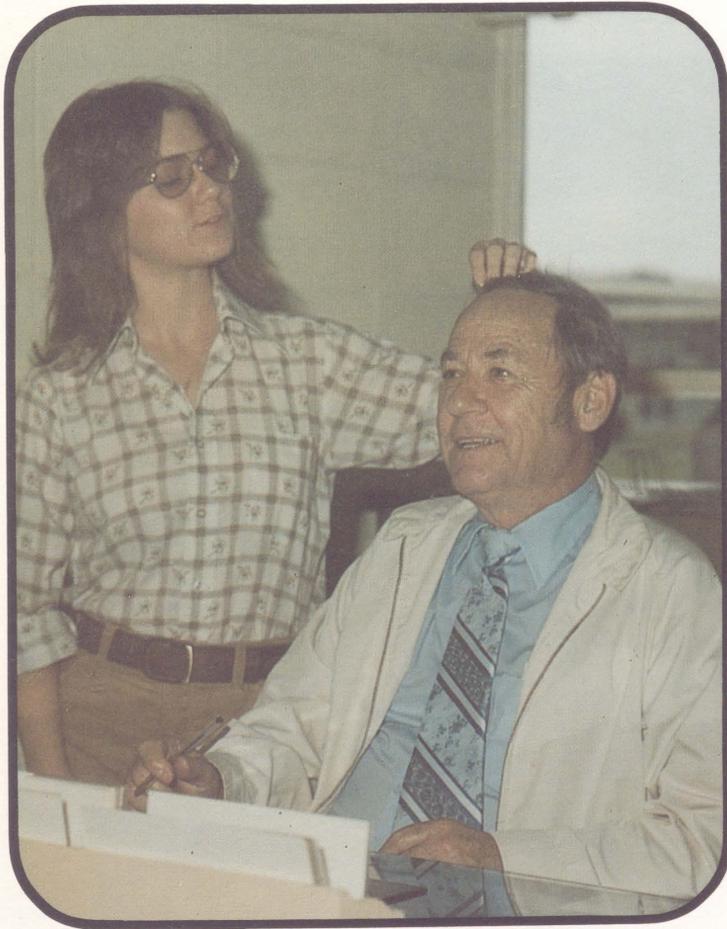

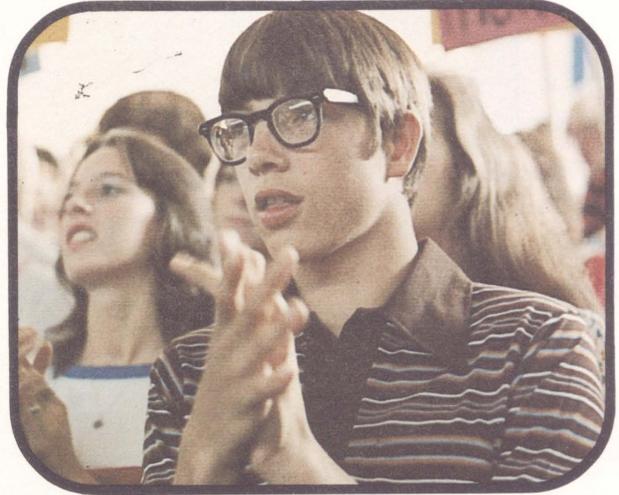

This understanding of the world and of ourselves may occur in a quiet peaceful moment when perhaps we find our God. Or, it could occur in a very excited, happy moment in the midst of joyful laughter. Then again, it is possible we will never really find ourselves.

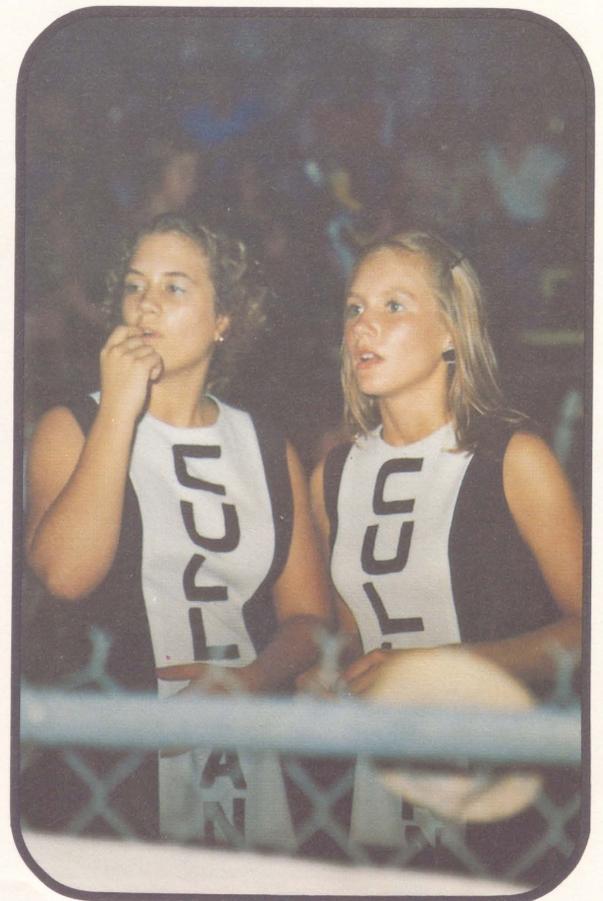

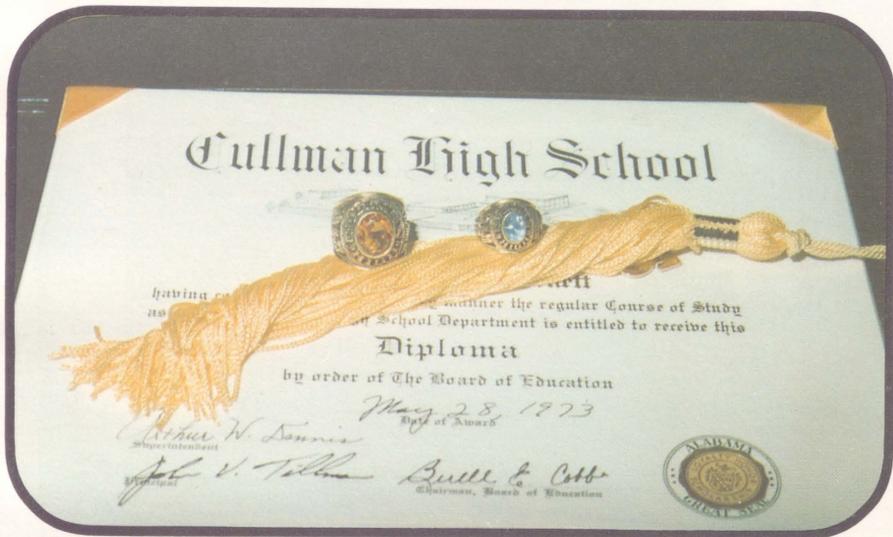

But through it all,  
we see how beautiful  
and unique each  
person is.

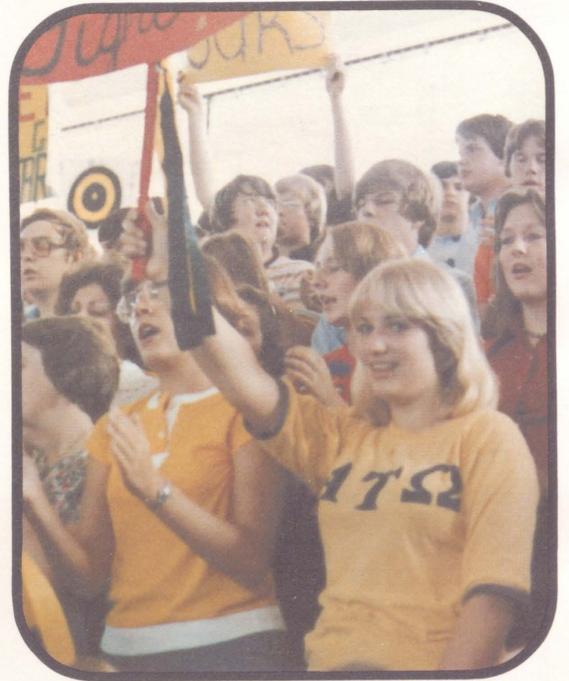

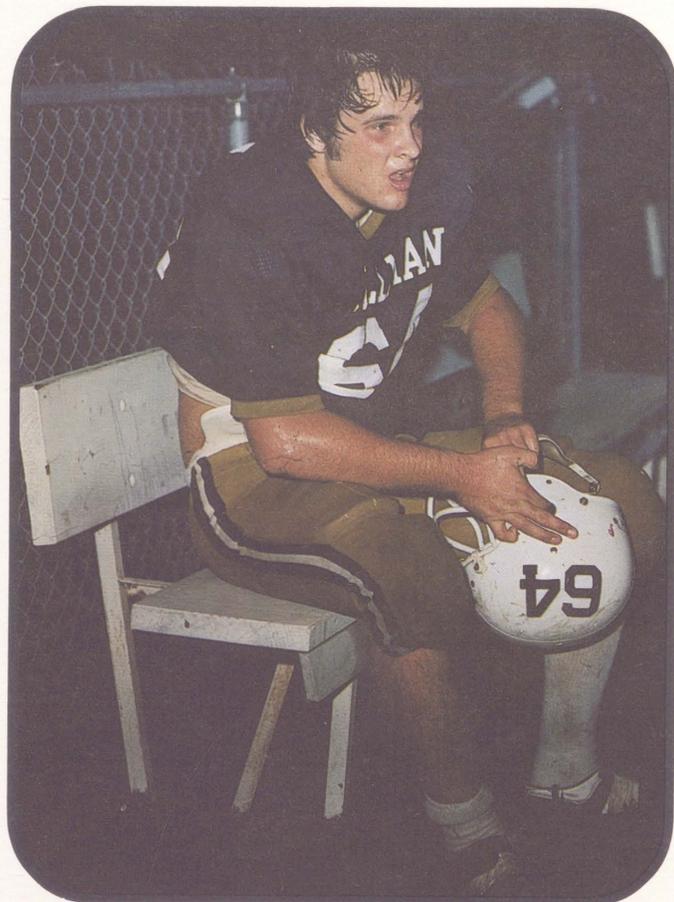

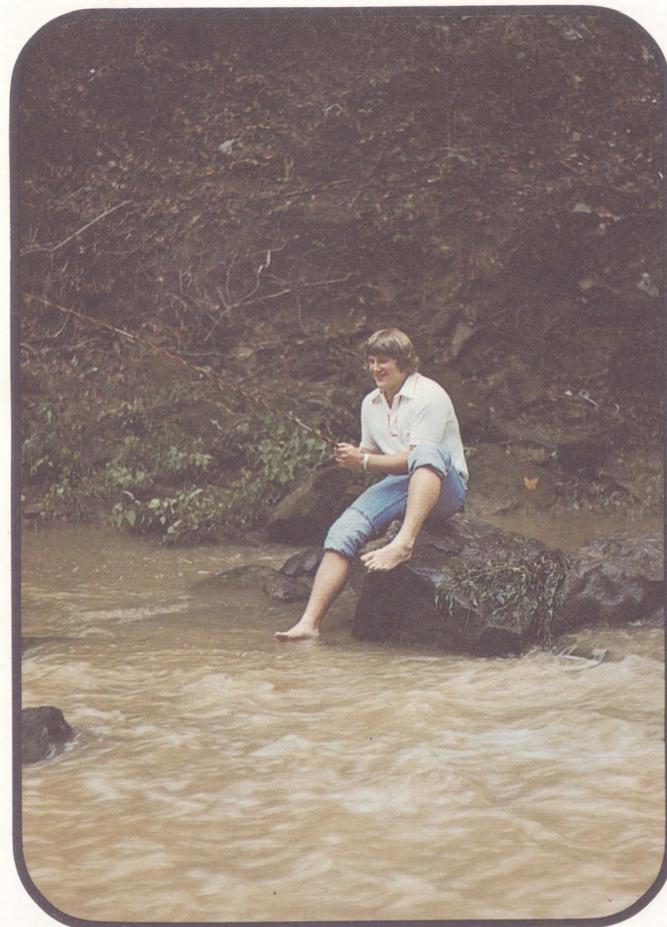

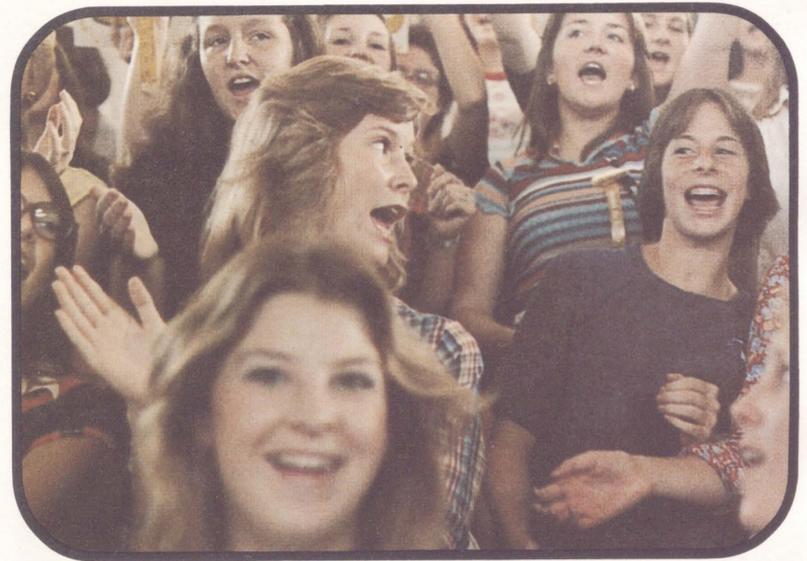

We see our  
doubt turn into  
hope and our  
dreams turn into  
reality.

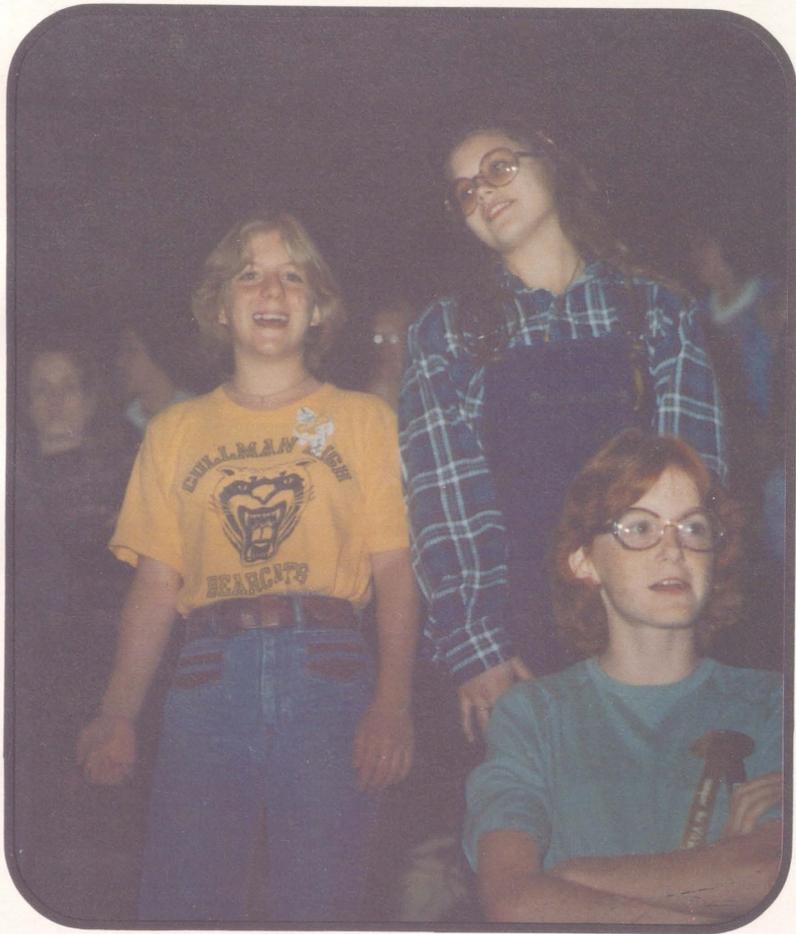

We learn to give love  
and to receive love.  
The happy times will  
always be cherished,  
and the sad times  
soon forgotten.

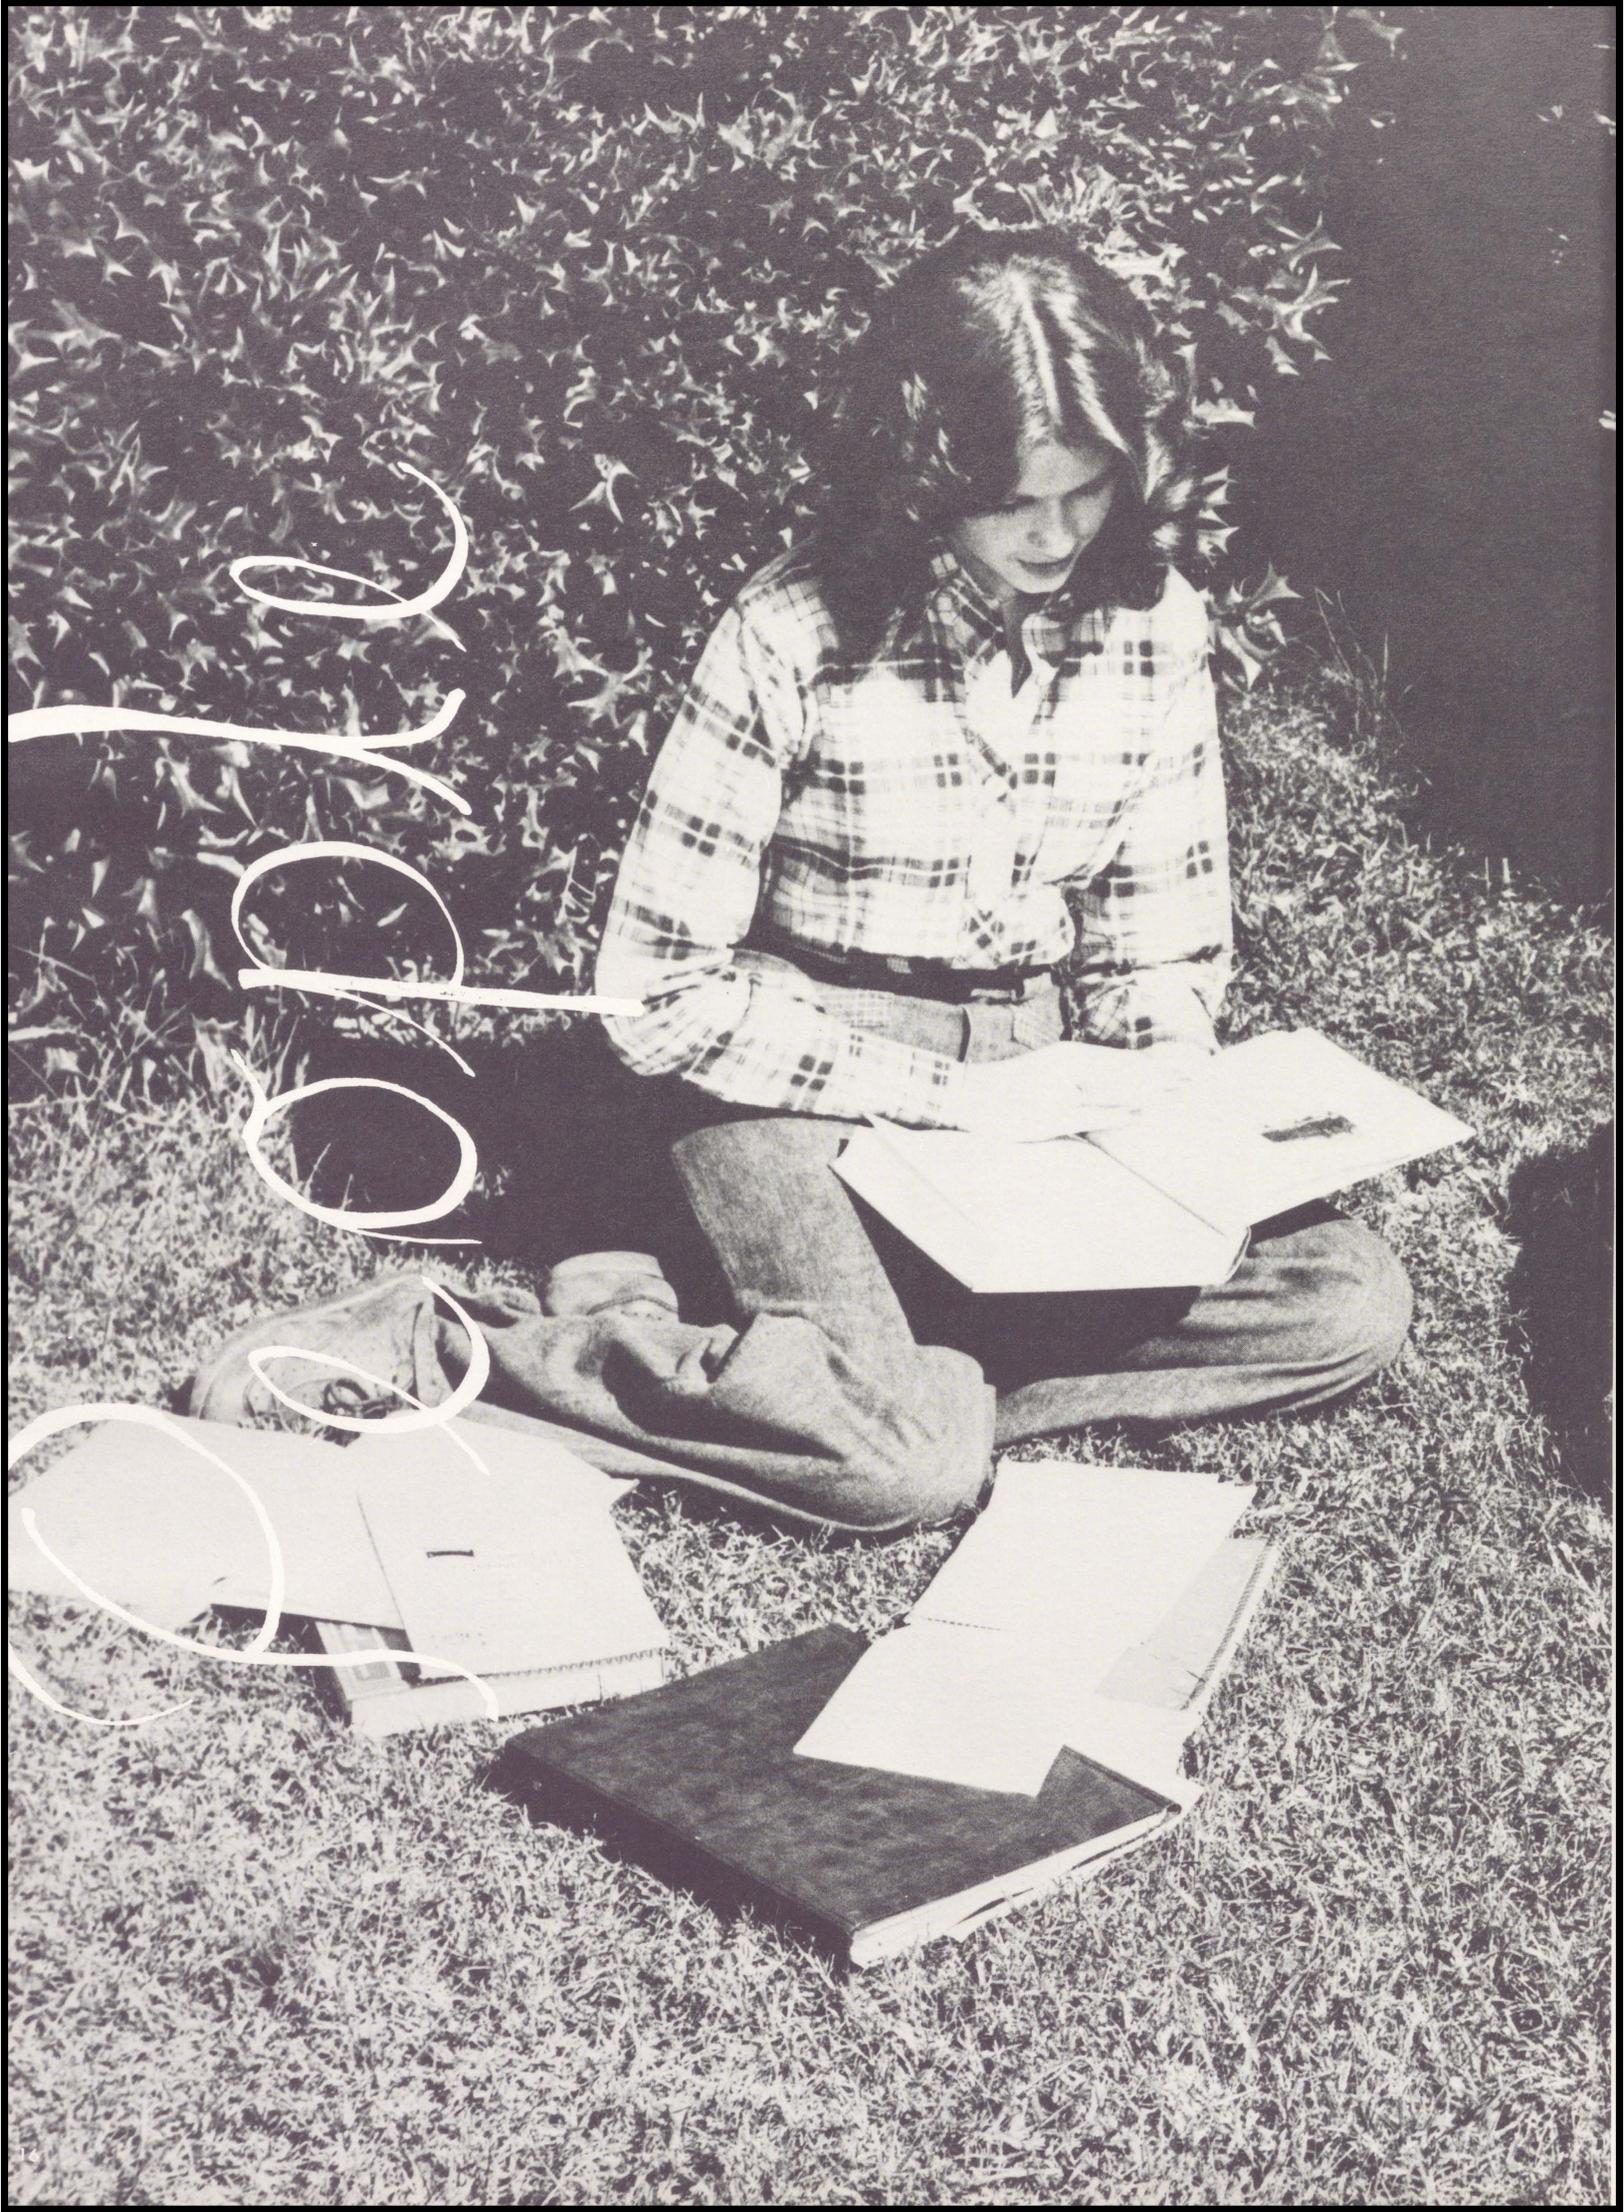

**Pausing,  
we see what it really is  
to live,  
and enjoy life . . .**

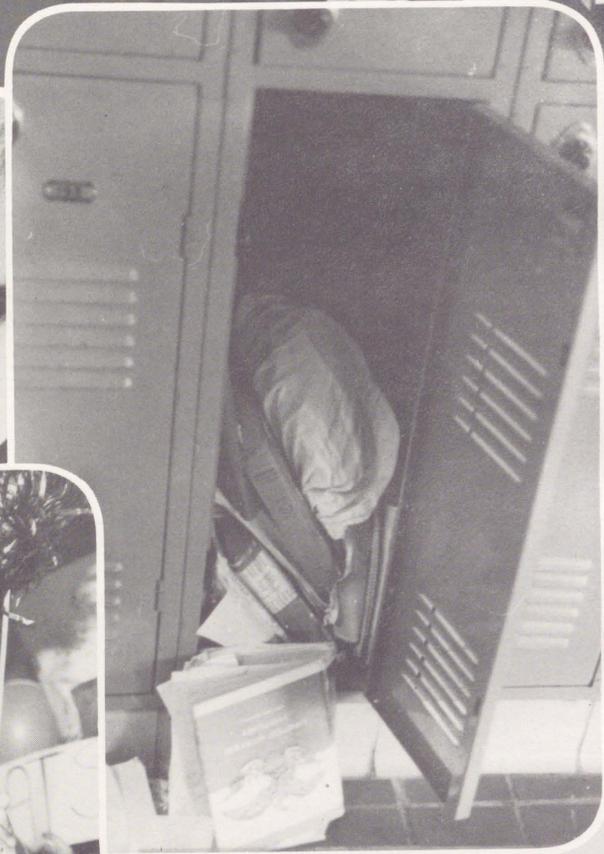

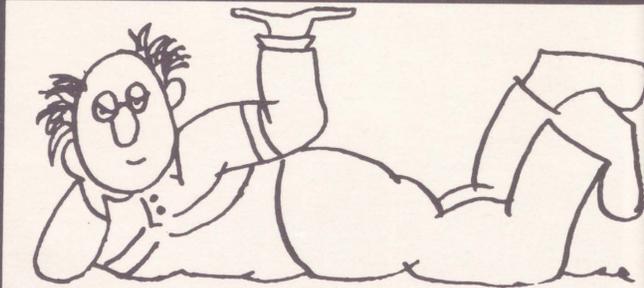

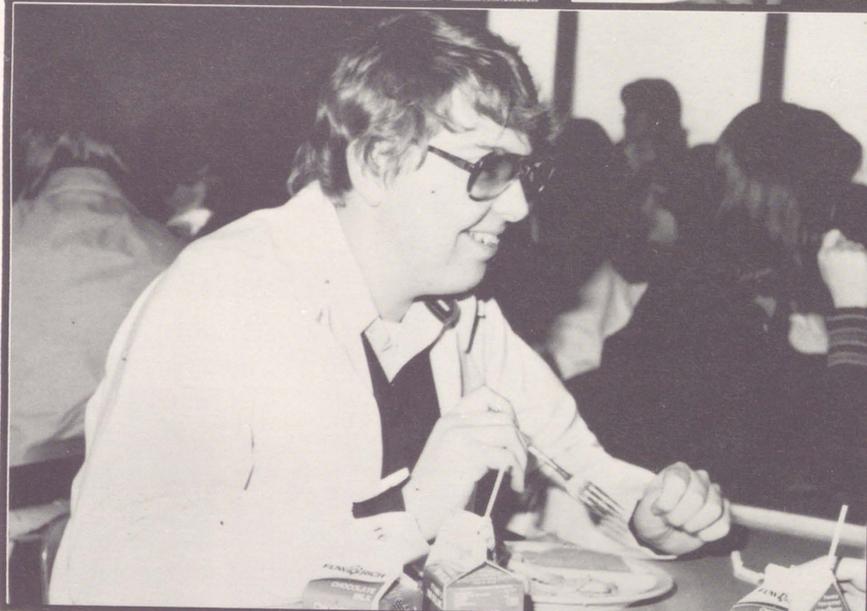

Enjoy Life!!

## Miss Cindi Buettner

Miss Buettner attended the Girls' State Convention held at Huntingdon College in Montgomery, Alabama, the first week of June, 1977. Girls' State is sponsored by the American Legion and is held like a simulated government. The girls stay in "cities" and run for positions in the city, county, and state government. Cindi felt Girls' State was rewarding because she "met many new friends and important government officials and learned much about government procedures and elections."

## Mr. Keith Pruitt

Keith was a part of the Boys' State Convention held at the University of Alabama in Tuscaloosa in the early part of the summer. He participated in political party meetings, elected state officers, and went with the rest of the Boys' State group to Montgomery where they took over the state government and ran things for a half day. Keith stated that at Boys' State he "learned a lot about the organization of state government and the duties of each office and made some lasting friendships."

# CATS

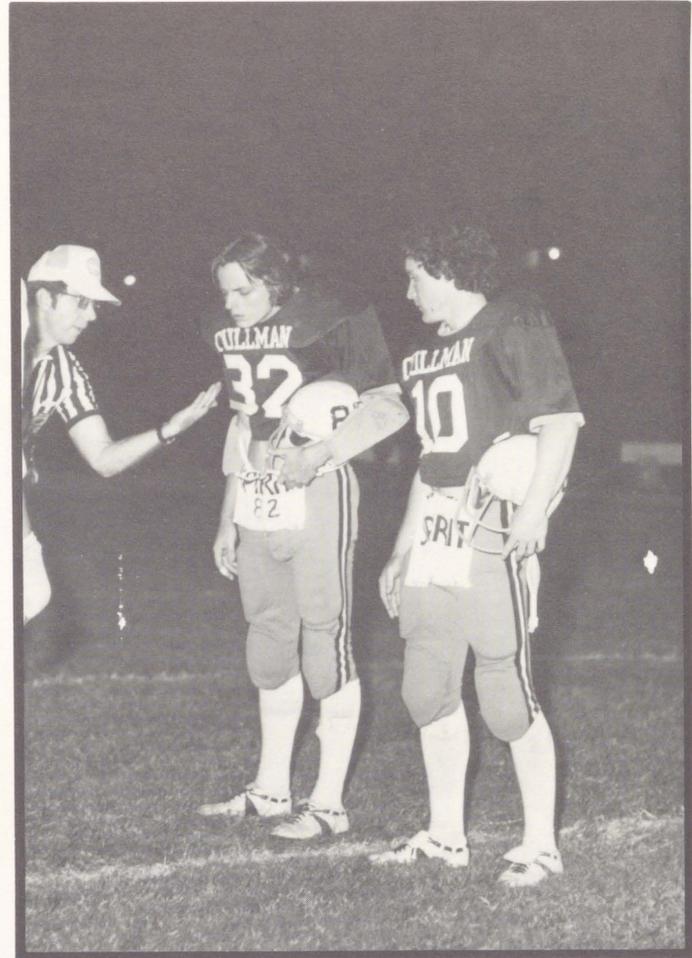

The Bearcats had an up and down season for '77-'78, marked by spectacular showings at times and disappointed defeats at others. The Cats did, however, end the season with a winning edge. The record being 5-4 with a tie coming in a 21-21 deadlock against Hartselle in their season finale.

# Cullman Cross Country — State Runners Up

The Cullman Cross Country Team for 1977-78 consists of: (left to right; first row) Greg Arndt, Anthony Mayhall, Paul McNeal, David Antaillia, David Denney; (back row) Eddie Lawrence, trainer, Tommy Arndt, Brian Moore, Carson Glasscock, Dylan Rogers, Mark Miller, Charles Schaffer; (n/s) Rick Kiner.

The Cullman High Boys' Cross Country team completed another successful season this year winding up with a 6-2 season record. The Bearcat runners did well in every tournament they entered with results including second place finishes in the Cullman Invitational and the Tennessee Valley Conference. They finished first in the John Carroll Invitational, their biggest win of the year, defeating an old nemesis, Gardendale, for the first time. The team capped their '77 season off with a second place finish in the state tournament out of thirteen teams, as Gardendale slipped by for first.

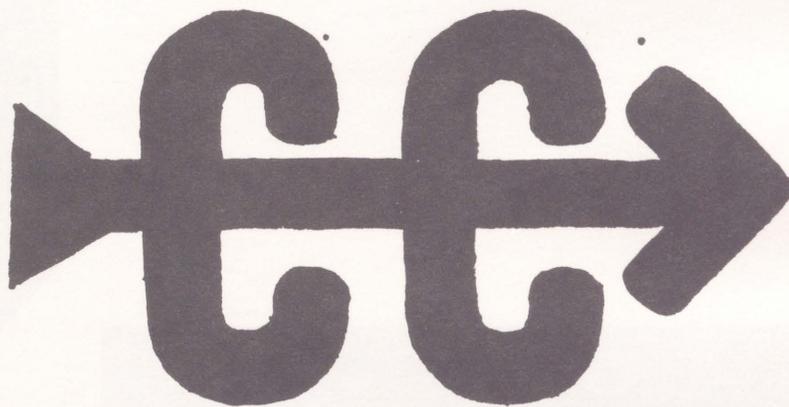

# Girls' 3-A State Champions 77-78

The Girls Cross Country Team for 1977-78 consists of: (first row) Ruth Thomas, Monica Rogers, Donna Messersmith, Melody Zinsmeister, Patti Rutledge, Sandy Frost, and Lisa Richter; (back row) consists of: Sherry Miller, Dorothy Arndt, Judy Morgan, Tracy Teeter, Diana Quattlebaum, Beth Lowry, Delilah Lee, (manager), and Ann Brown; (n/s) Rita Arndt.

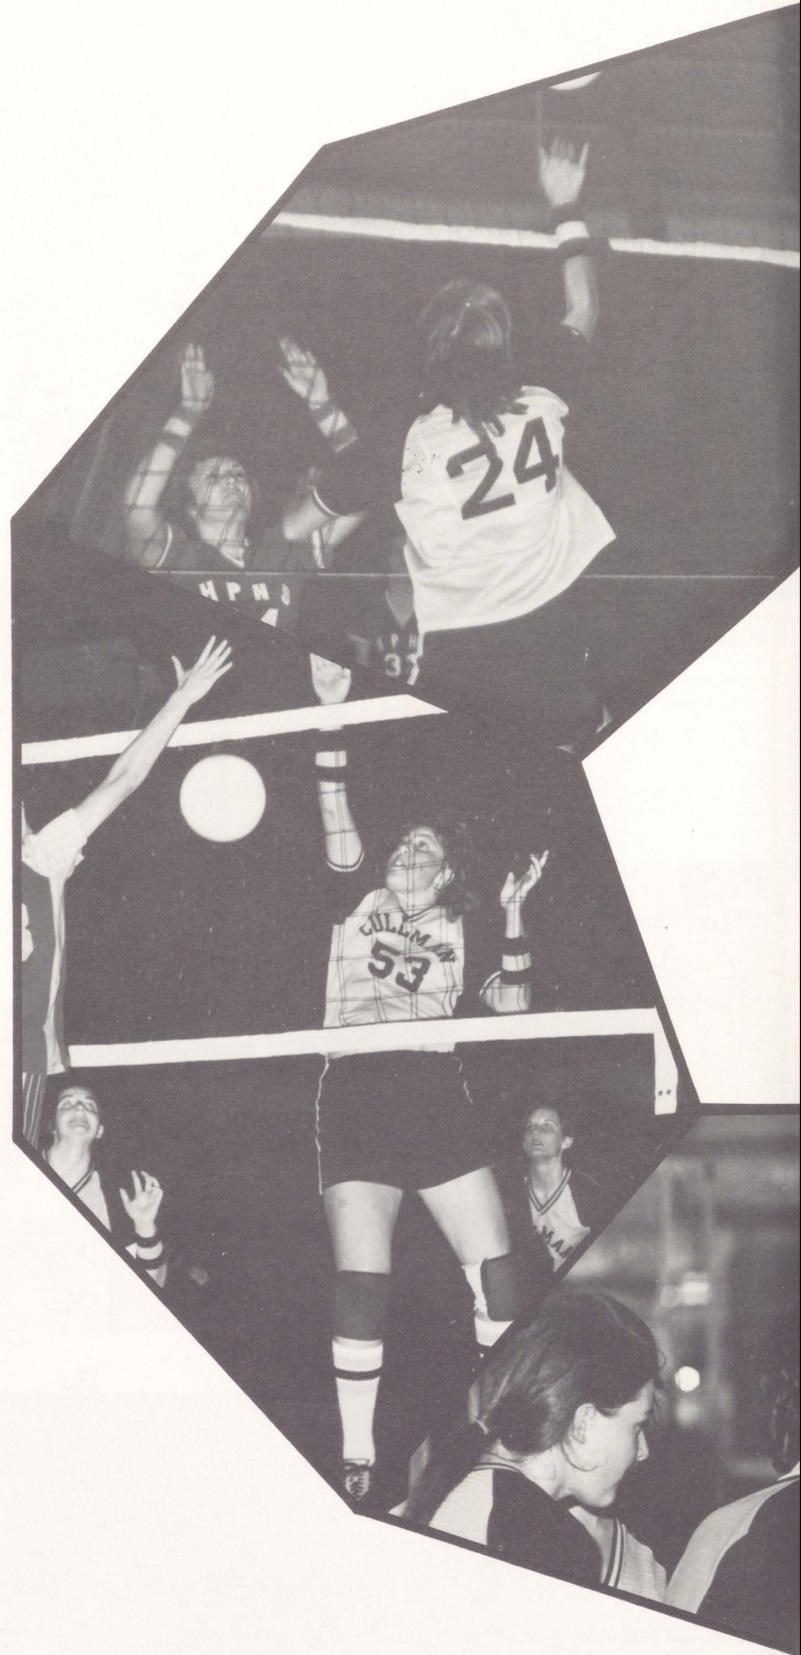

The Girls' Cross Country team ran in eleven season meets in 1977 which included competition in dual, tri-, and invitational meets. The girls were very successful in 3A competition, but also fared well in four large meets which included 4A schools. They took 1st place honors at Guntersville, 2nd place at Austin, and finished 8th out of sixteen teams at the Huntsville Invitational. Competing teams included the likes of Vestavia, Berry, Bradshaw, and Walker. The girls brought their second full season to a blazing close as they captured the 3A state championship trophy with an excellent showing at Florence.

# Volleyball

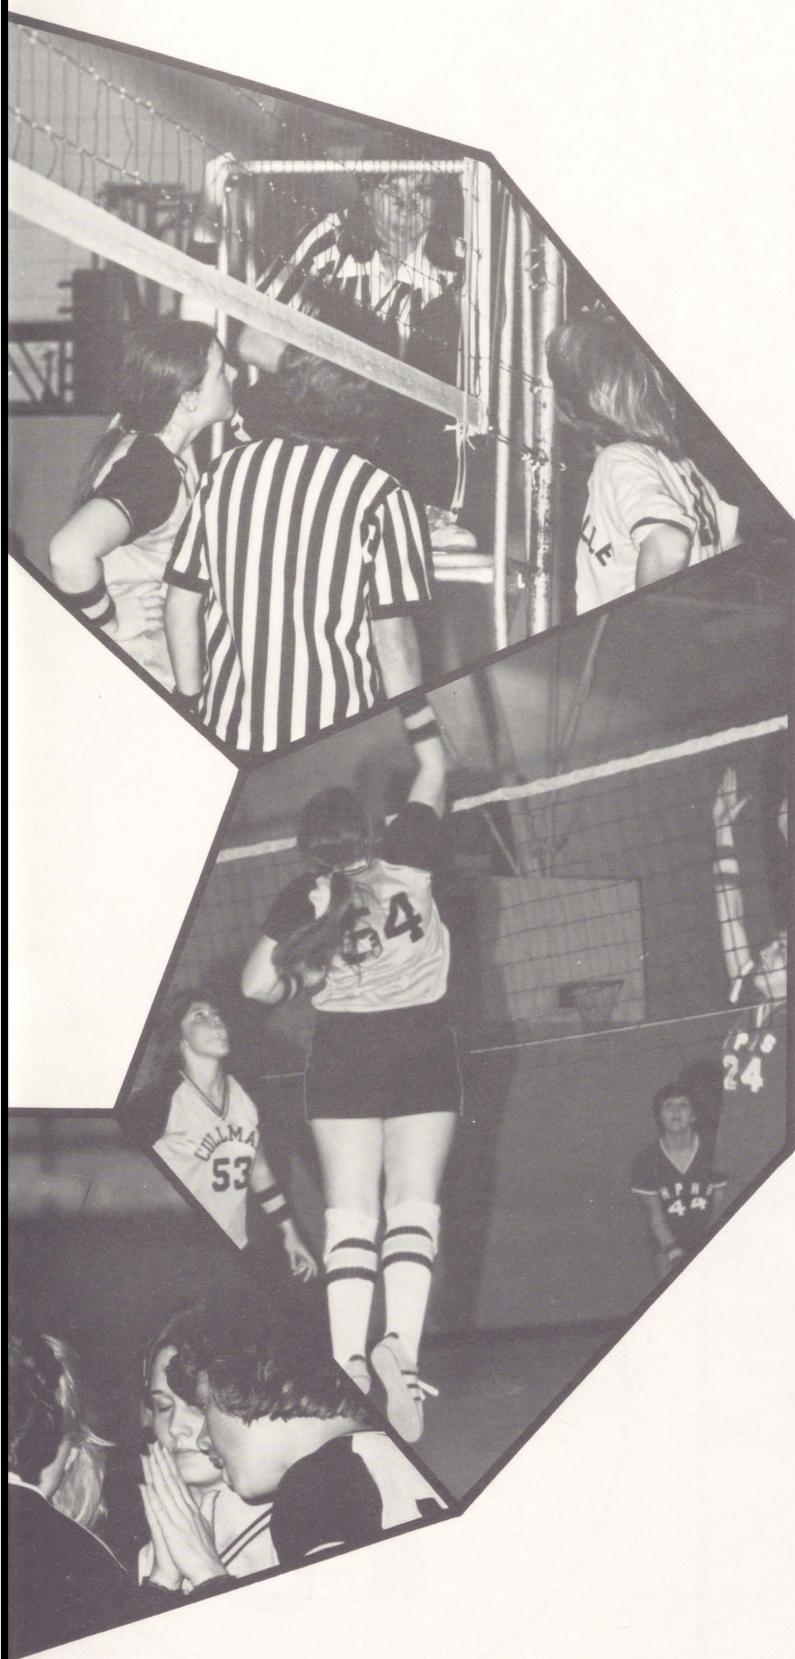

Pictured (from left to right) is the Varsity Girls' Volleyball team: Michelle Drinkard, Vanessa Keel, Phyllis Mangum, Renee McConnell, Robbie Keenum, and Beth Burrow.

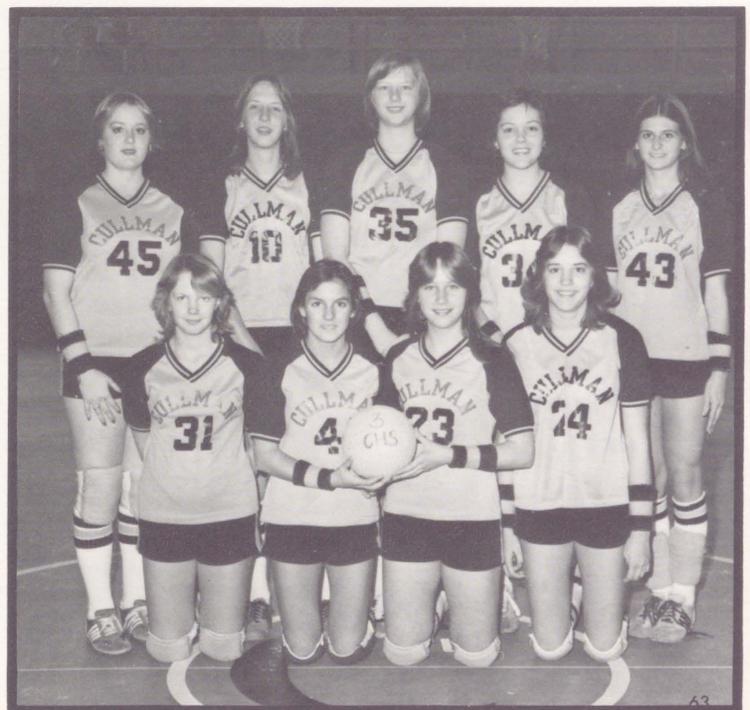

# Bearcats 77-78

The C.H.S. Girls' Volleyball Team swept their way through a winning season of 9-5 in 1977. After completing their regular season, the girls competed in the Area Tournament where they finished second. Vanessa Keel and Phyllis Mangum received All-Area honors. The team also finished in the 1st runner-up position in the Regional Tournament after competing against eight teams. Phyllis Mangum was named to the All-Regional Team. In their final competition of the year, the girls placed second in the Girls' Sport Conference. All G.S.C. players included Cullman's Renee McConnell and Phyllis Mangum. Coach Virginia Parker felt quite pleased about the volleyball team's success and looked with pride to a bright future.

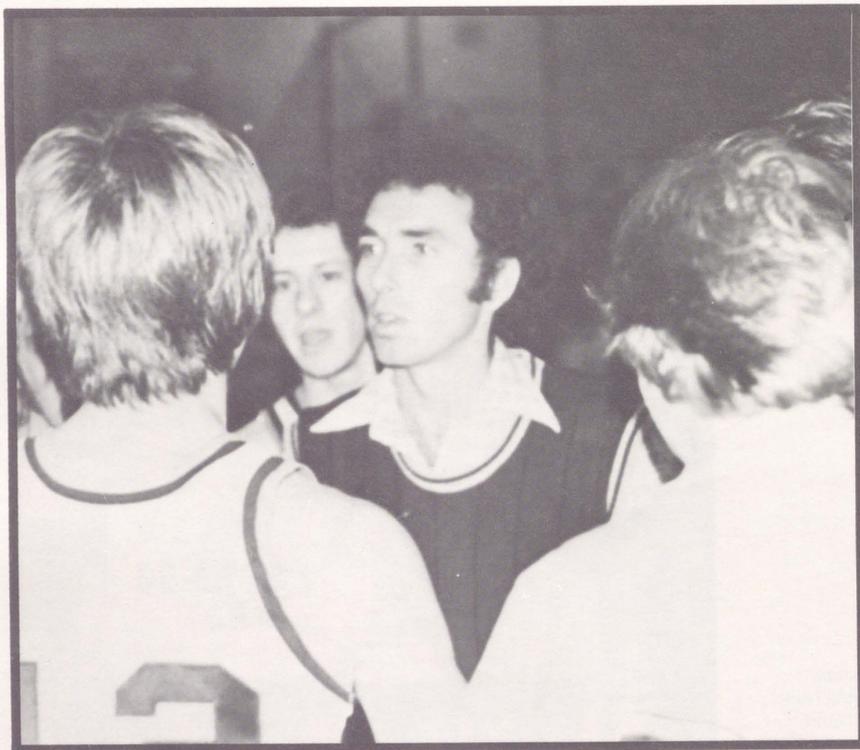

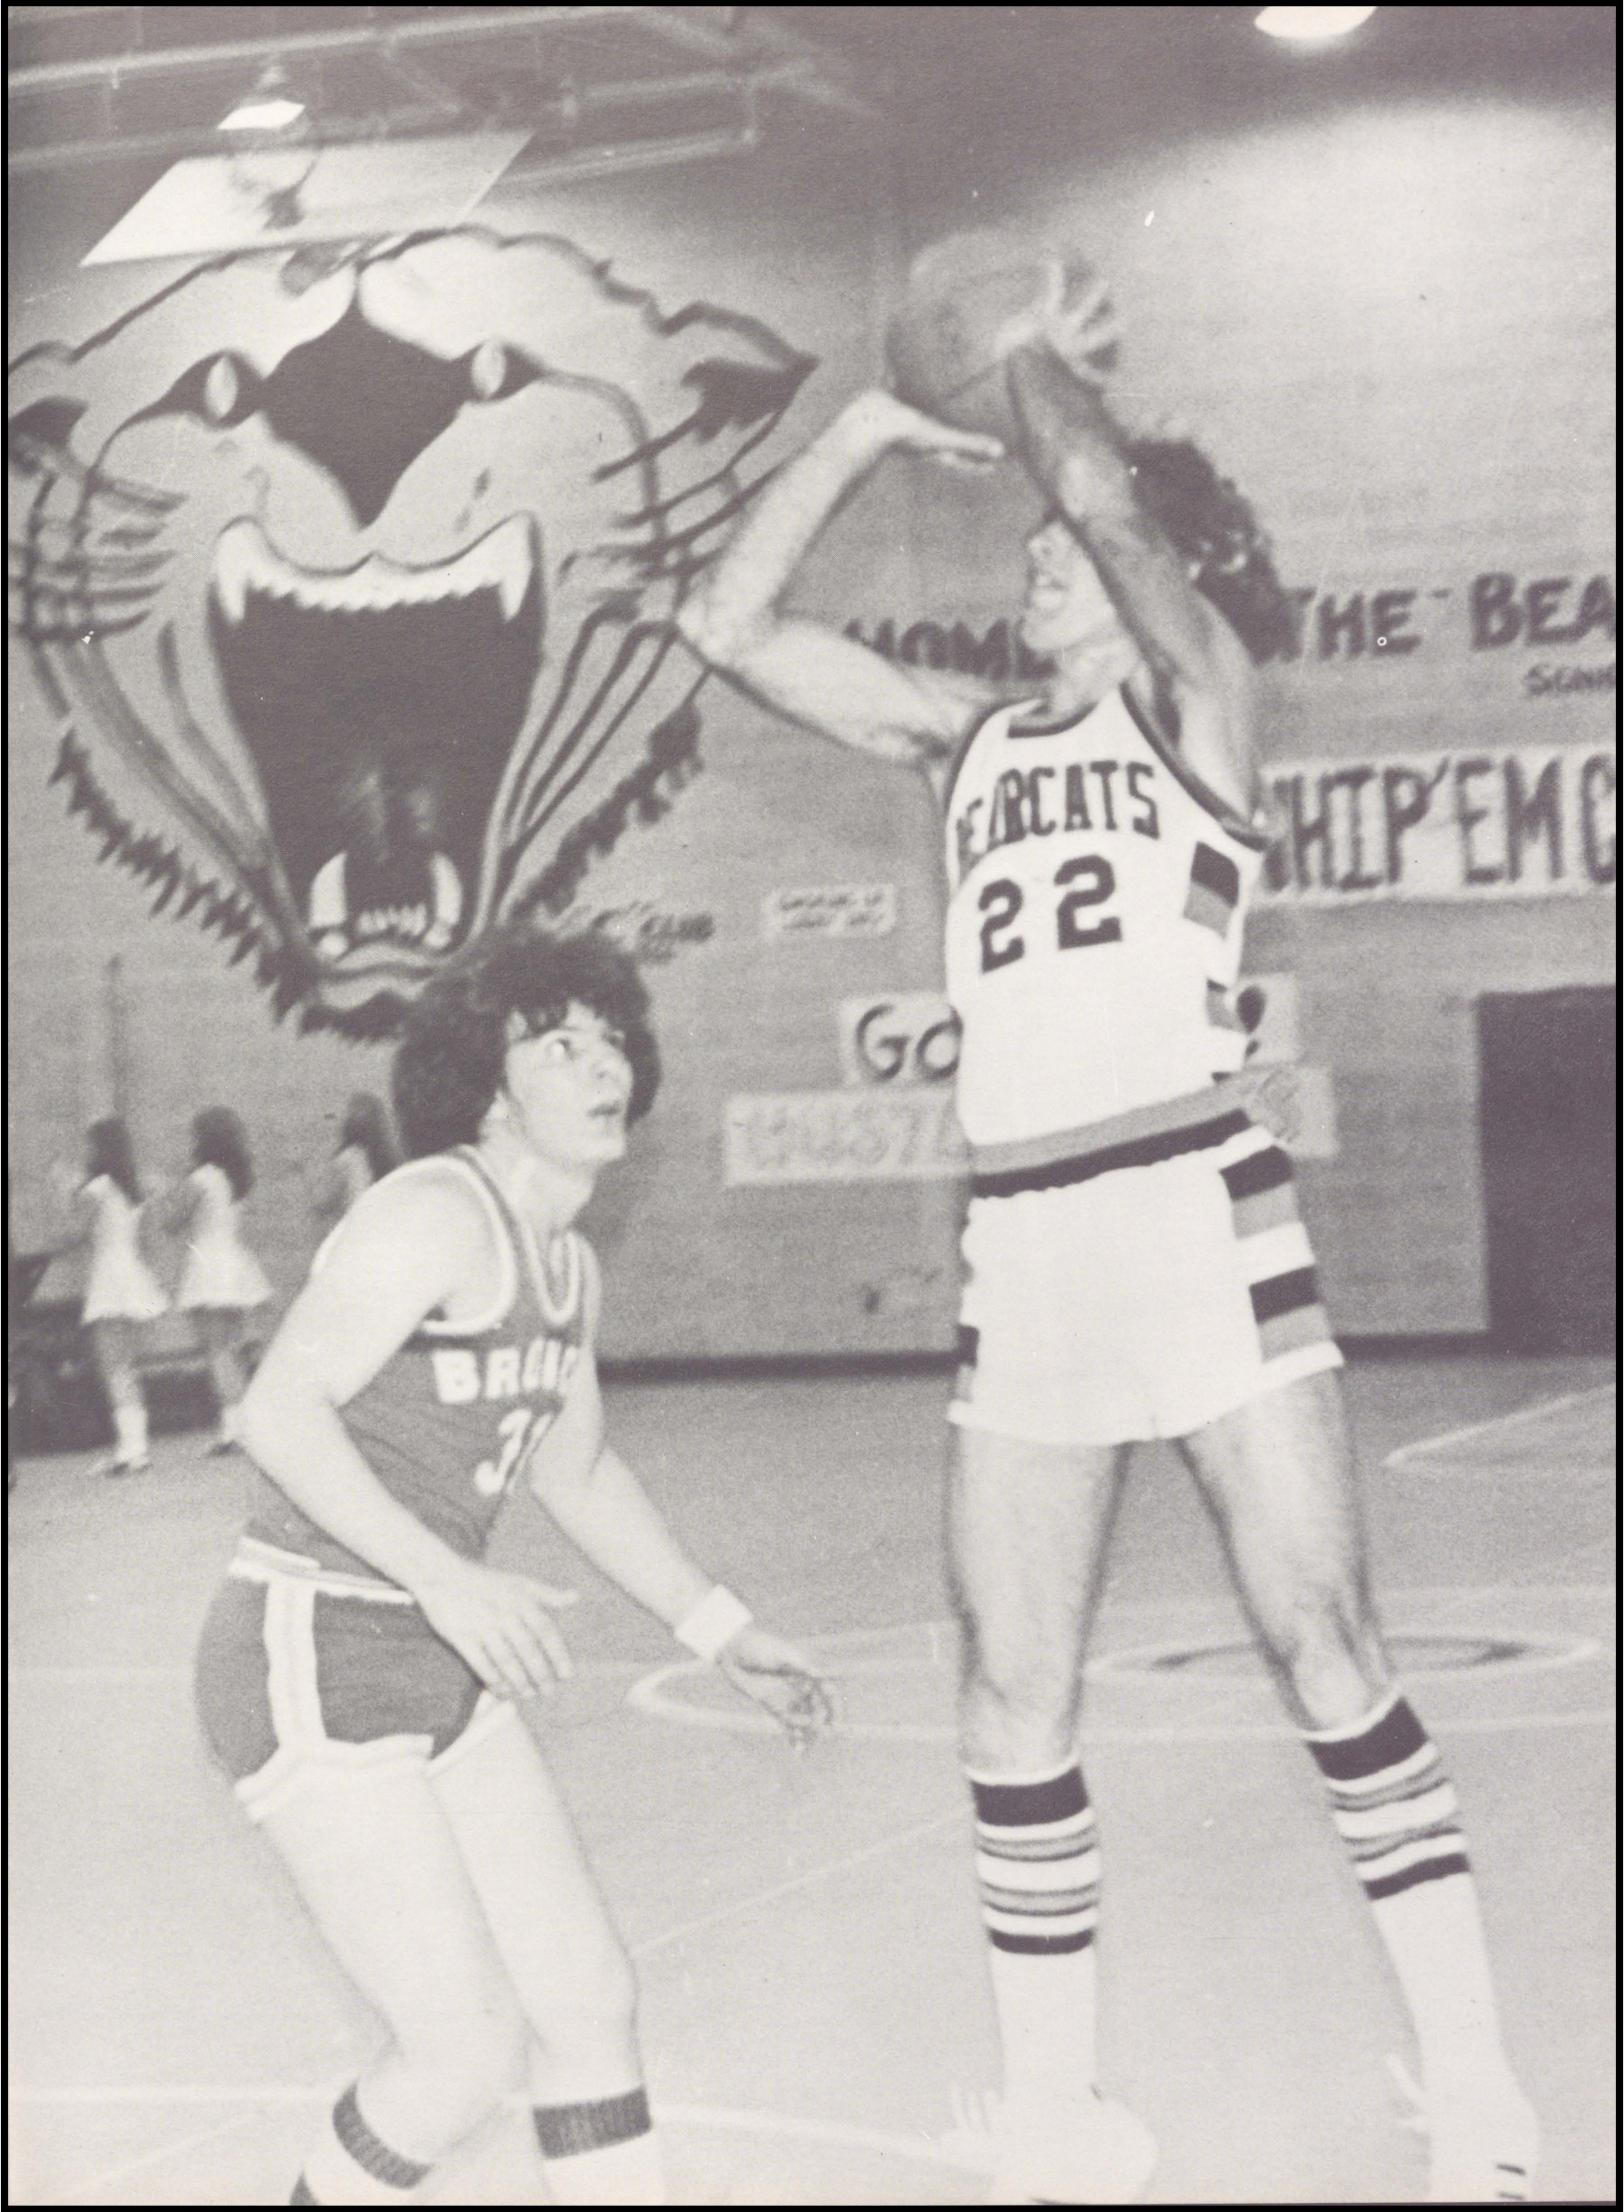

Pictured (from left to right) is the Girls' B Team: Suellen Stringer, Monique Angermann, Debbie Marty, Tammy Sylvius, LaDonna Nail, Dorothy Rodgers, Ann Imbusch, Karen Hulse, and Tomesa Dunn.

The Bearcat Varsity Basketball team struggled through a rebuilding season in 1977-78. First-year Coach Jimmy Hutchinson brought in a fiery spirit to the team, but they simply didn't have the height to win consistently against much taller competition. The 'Cats did manage to put it all together a couple of nights including a 96-70 crushing of West Point in which sophomore Steve Mayfield poured in 44 points, shattering the old record of 40 held by Robbie Hearin for number of points scored in a single game. With Coach Hutchinson stressing defense all the way, and the promotion of several players from a strong '78 B-Team, the Bearcats can look forward to a brighter future in 1978-79.

# Fellowship of the Young Generation

FYG is a Christian service club which is new at Cullman this year and has 45 active members. Its primary function is to provide fellowship for all believers in a Christian atmosphere. The members enjoyed going to hear Andrae Crouch and the Disciples along with other outings during the year. They also worked on supporting a family at Easter, Church visitation, and sponsoring an assembly program to help others know more about FYG. Although the club is new, they are serious about making it become an important part of Cullman High School.

A.F.S. is a worldwide organization which devotes its service to help foreign and American students alike visit other countries. During each year the A.F.S. Chapter in Cullman, composed of a student committee and an adult committee, participates in several fund-raising activities which enables Cullman to host a foreign student for a year. These activities include A.F.S. Week, the A.F.S. Talent Show, and the A.F.S. State Convention which is one of the highlights of the school year. This year's convention brought forty-nine chapter members and their foreign students from schools all over the state of Alabama for a weekend full of memorable events for the students and the community.

Walk together, talk together, all ye people of the world.

Glynis Blackstock, from Dublin, Ireland, is spending her year in America with the Gerry Hearin family. Glynis and her American sister, Lisa, enjoy a number of activities but their main interest lies in attending football and basketball games together. Glynis likes to travel, work with children, and listen to music in her free time. Her interests at Cullman include Key Club, Student Council, and the German Club of which she is an honorary member.

## Miss Tracy Teeter

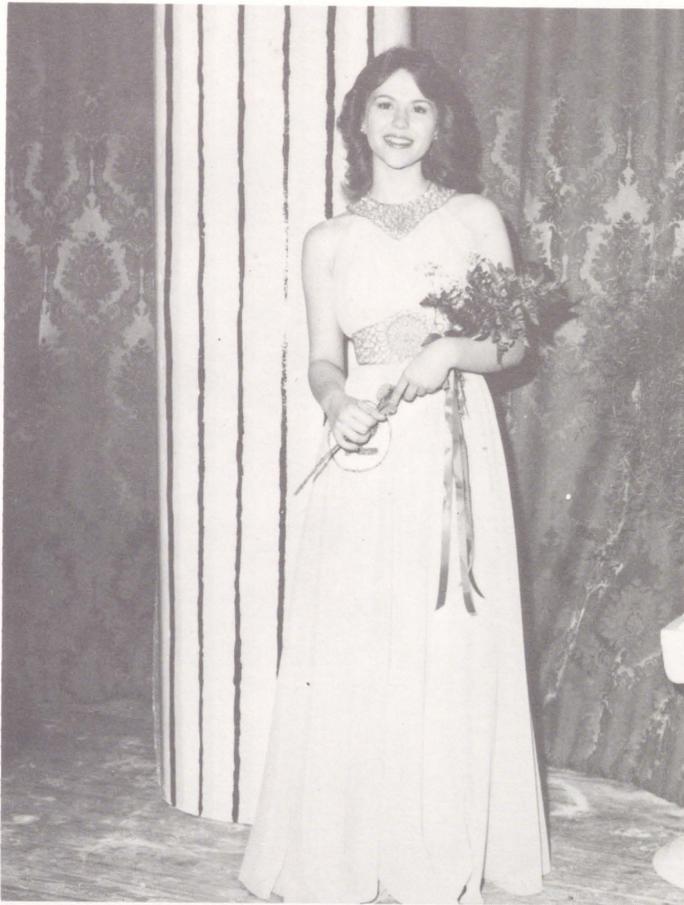

Leigh Hudson and Tim Binkowski were chosen as Mr. and Miss CHS for 1977-1978. Elected by the student body, Mr. and Miss CHS are selected on the basis of their leadership qualities, personalities, and their favorable contributions to the school. Leigh's enthusiasm for promoting school spirit was exhibited countless times in her role as head cheerleader. She fulfilled other duties as she served on the Student Council, as Senior Class secretary, and as Interact Sweetheart. Tim's dedication was displayed in the hard work and effort put forth on the varsity basketball team and in the National Honor Society, of which he was president. He also served as treasurer of the Senior Class. Tim's and Leigh's spirit and service to the school helped make them two important people at Cullman High School who contributed to the success of the 1977-1978 school year.

Though his tractor stands still and the walls of the weather-beaten barn no longer echo sounds of his familiar voice and mischievous laughter, J. D. Hardeman has left with us many pleasant and wonderful memories. We remember him not only as a teacher, but also as a friend who devoted his life to his community, school, church, and family. He was also a man who loved the land and shared that love with those around him. Although he has left the treasures of earth for the greater treasures of Heaven, Mr. Hardeman's wonderful Christian spirit will always continue to live within us as a school and as individuals.

Life is filled with saying goodbye to places and people we love. Sometimes it hurts and it's hard to say, but that doesn't keep us from saying it. There's a lump in my throat that stops the tears, but somehow can't stop the words. So . . . good-bye.
