CHS students have a certain flair for friendship. The candle of true friendship is lit by our smiles.

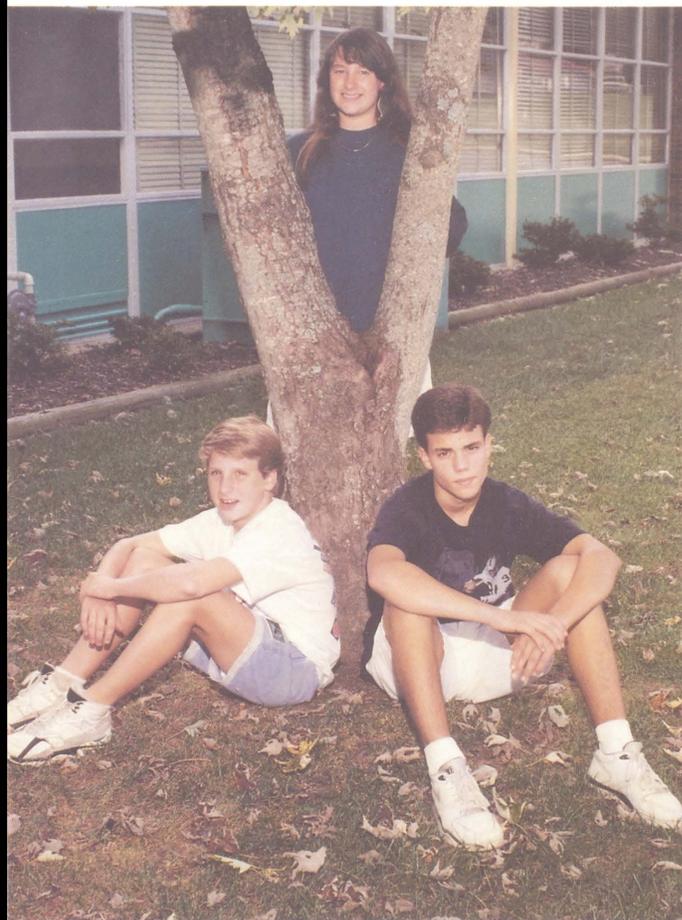

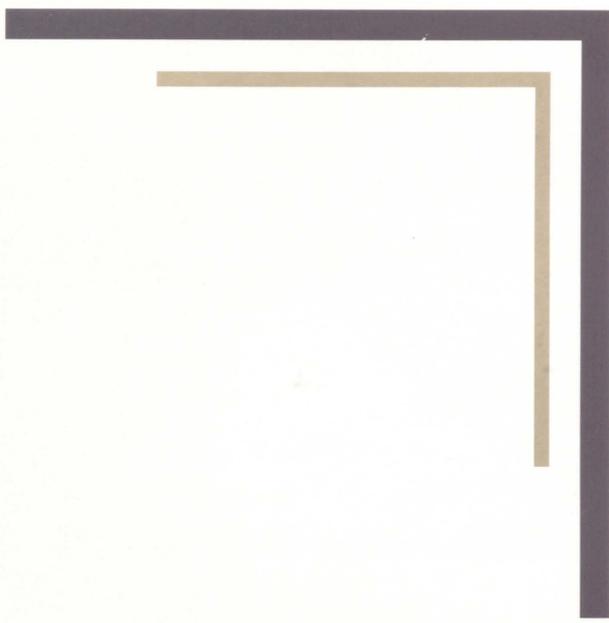

Encouraged by words of confidence, we have achieved our goals through competition.

Through trust, we have
successfully worked together
to serve our community.

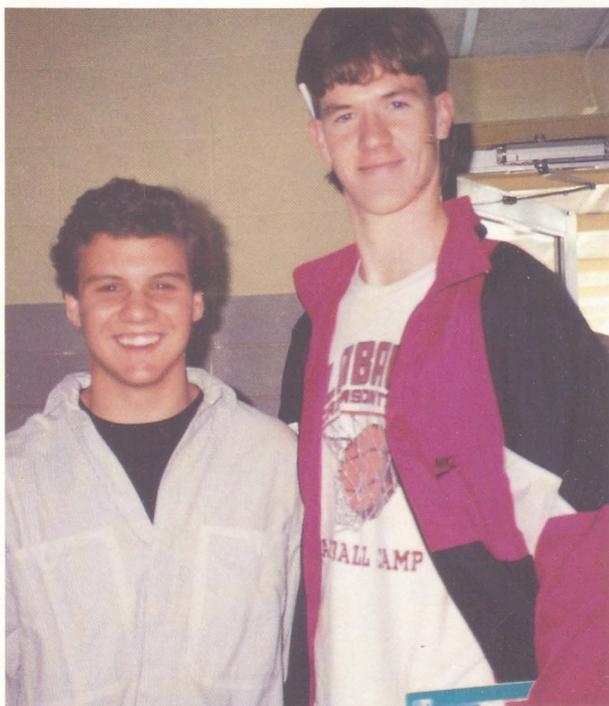

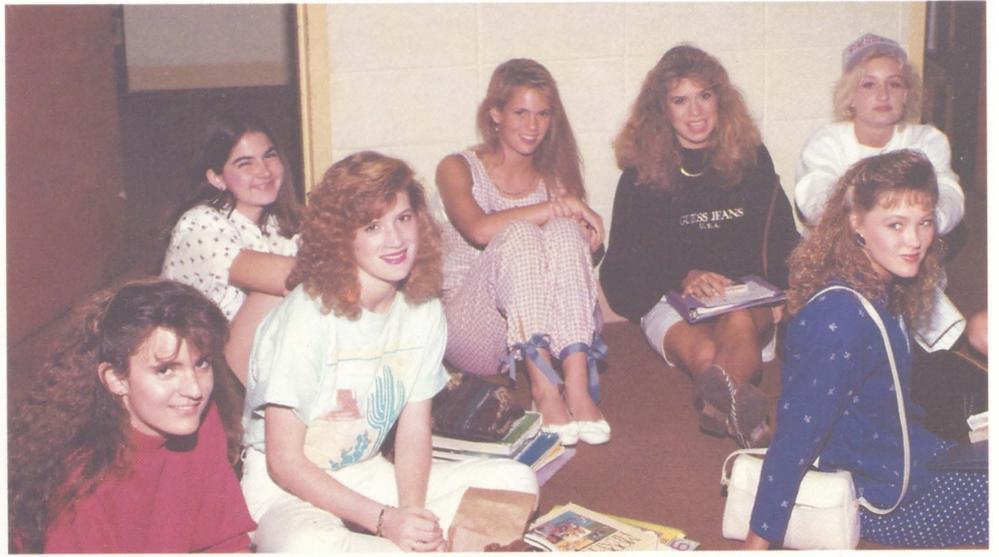

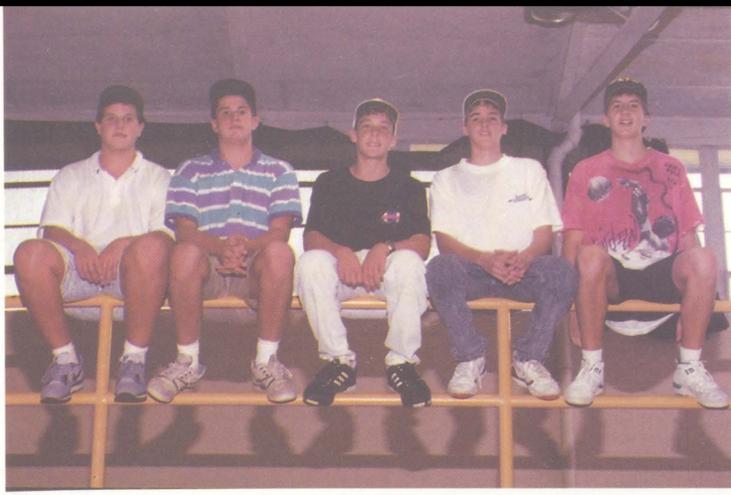

In time, the little flicker becomes a brilliant flame and lasting memories are made.

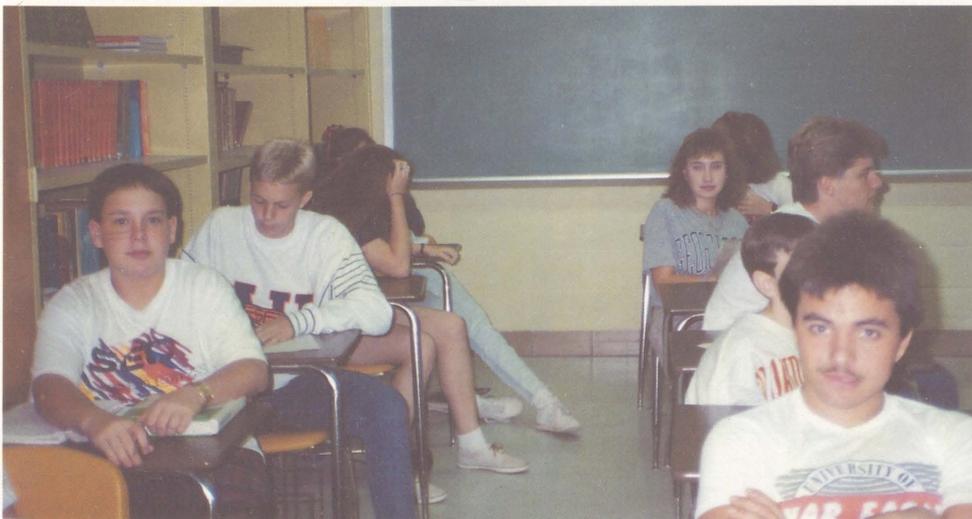

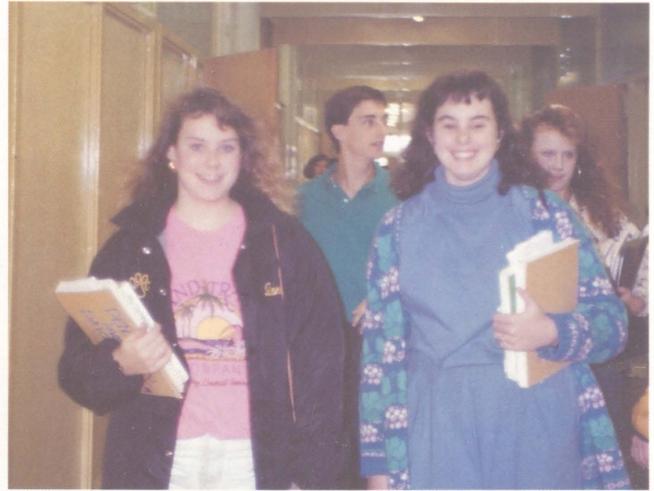

The light will burn low many times only to burst back into a flame — brighter and more beautiful than the flame before.

The only way to put out the flame is to blow it out yourself. Then the candle never relights; you must light another one.

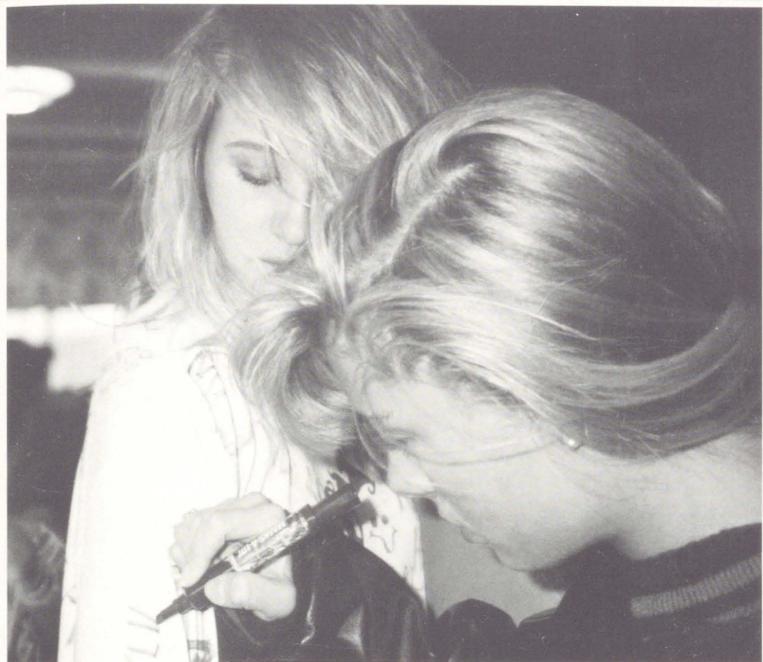

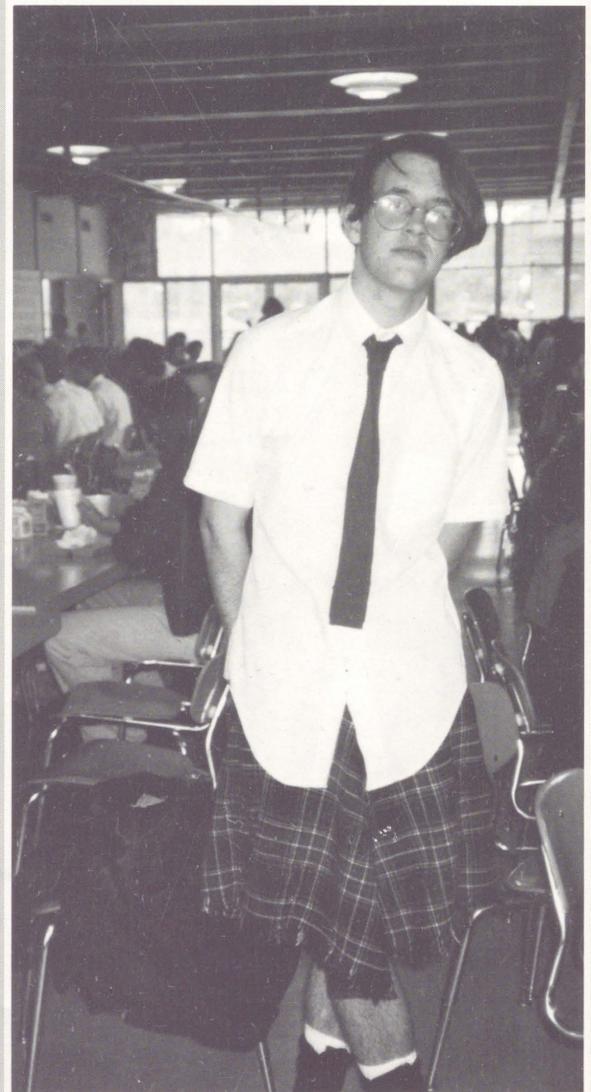

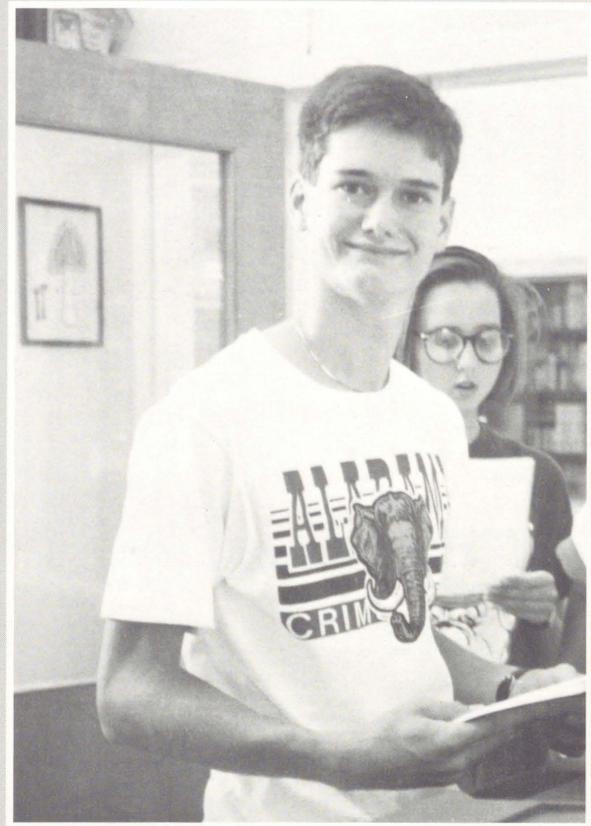

HOMECOMING

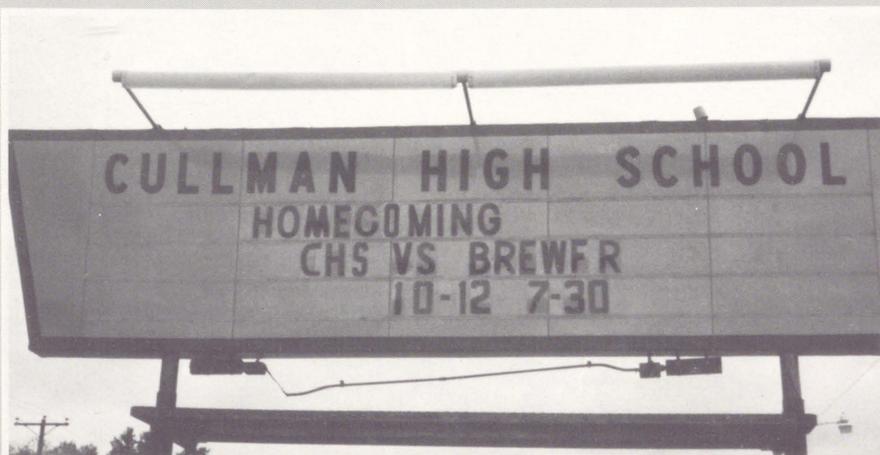

90

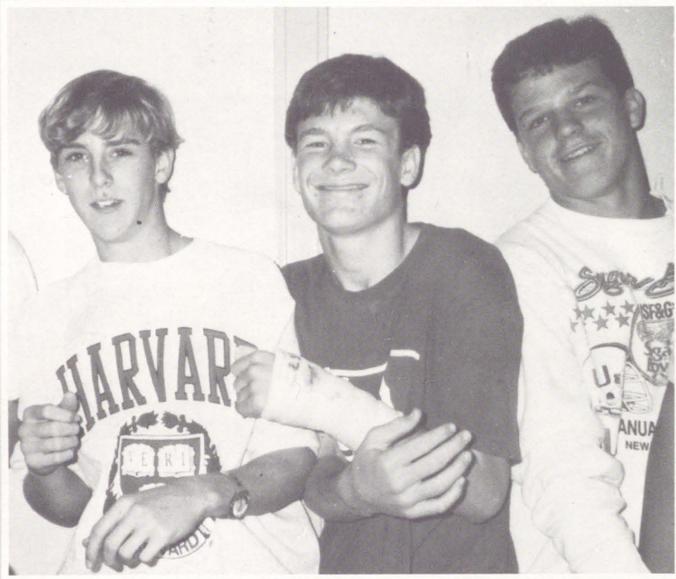

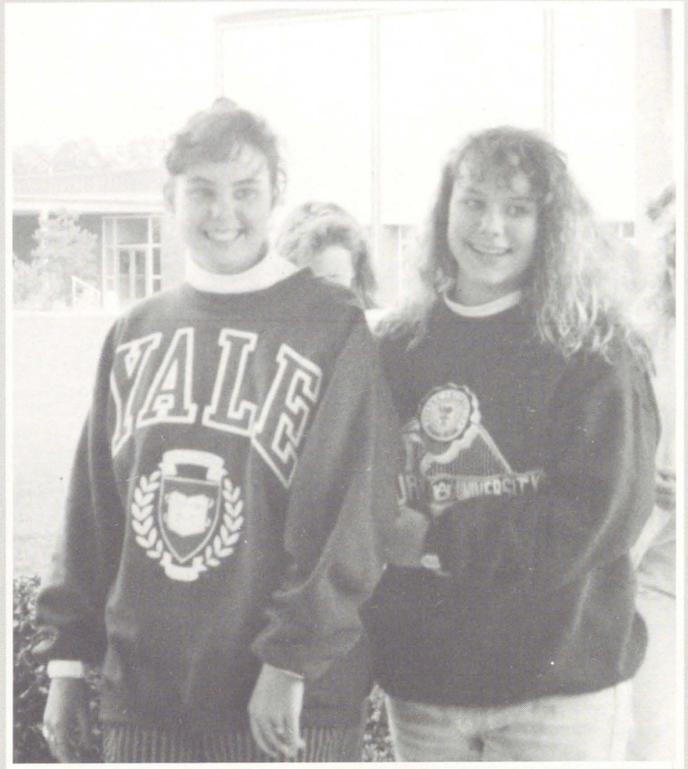

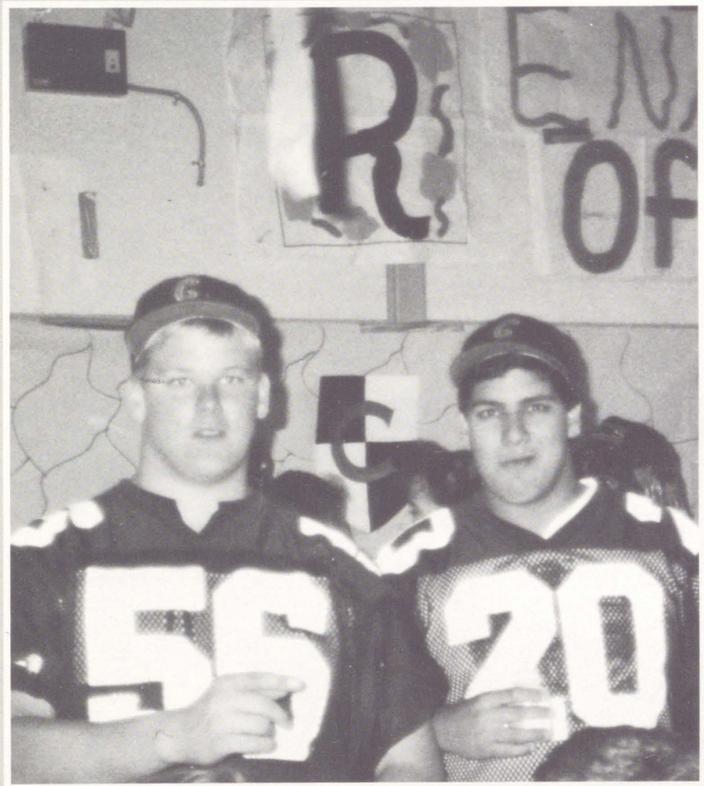

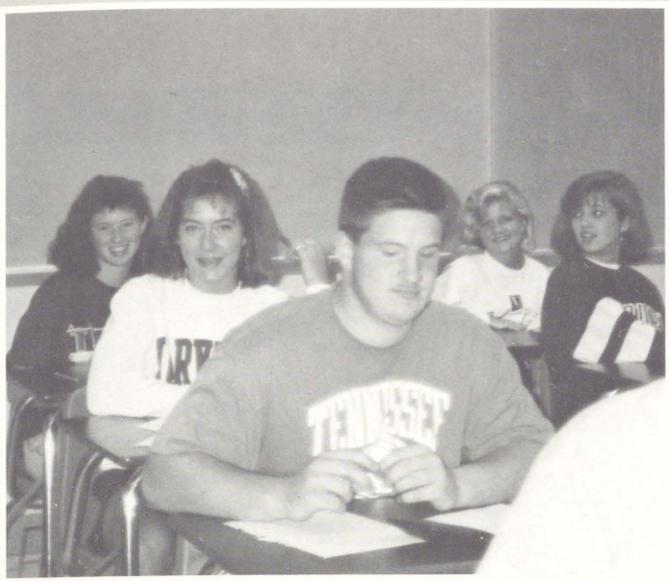

Homecoming week 1990 proved to be a very exciting time in the lives of CHS students. Each day classes competed for points ranging from one to four. Activities during the week included respectively hat day, college t-shirt day, dress-up day, graffiti t-shirt day, and traditional black and gold day. Classes also had the chance to earn points during field day on Friday. Class officers selected fellow classmates as team members to compete in activities such as the big wheel race, tug-of-war, sack race, and the air band competition. At the conclusion of the week, the seniors came away with the greatest total of points, closely followed by the junior class. The sophomore class came in third with 28 points and the freshman class came in last with 20 points.

Oliver Woodard Stadium Dedicated

In a dedication ceremony September 21, 1990, Cullman High School stadium became the Oliver Woodard Stadium in honor of the former Cullman High School coach. Mr. David Knight, former football player under Coach Woodard and currently the president of the Cullman City Board of Education, presented a plaque to his mentor while other players and coaches looked on. Coach Woodard came to Cullman in the fall of 1959 as head football and basketball coach. He continued to coach until 1974 and retired from teaching in 1986. This is a very deserving honor given to a very deserving educator.

Perspective

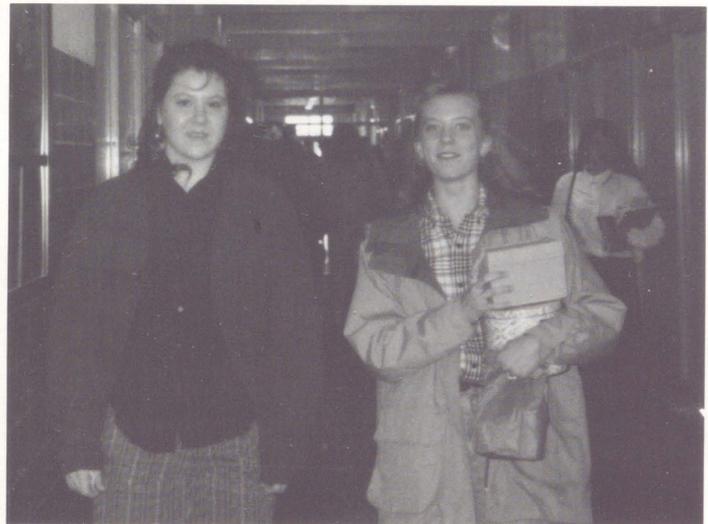

As the year comes to an end,
we cherish the lasting friend-
ships that have been made . . .

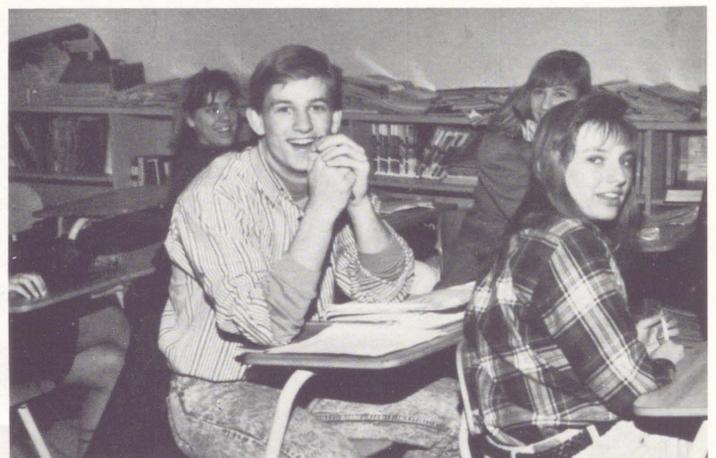

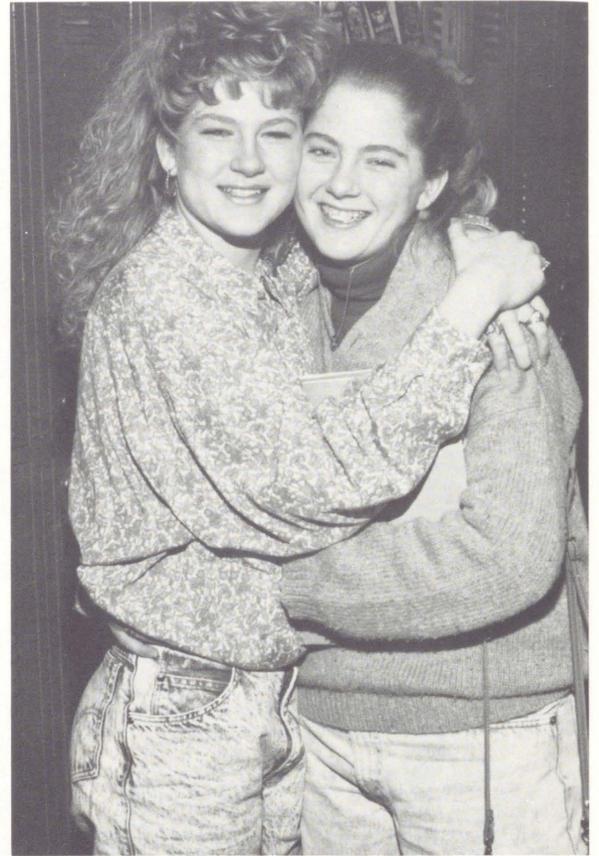

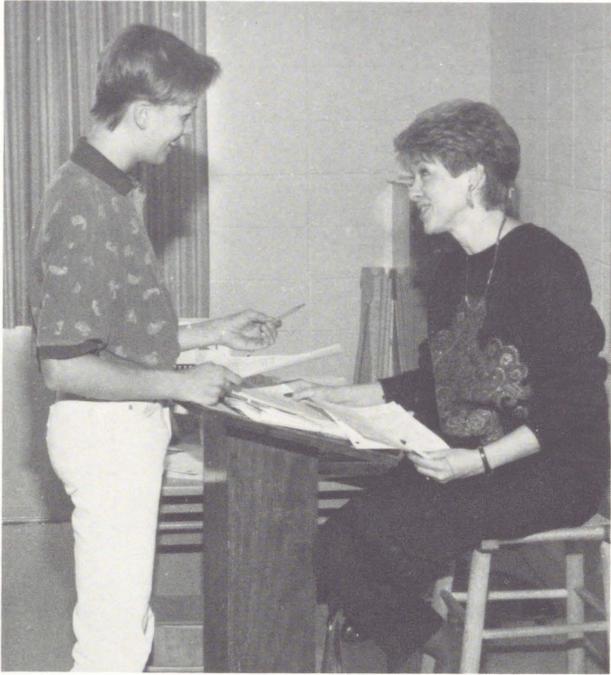

... and the lessons that have been learned, while at the same time we envision the future with excitement.

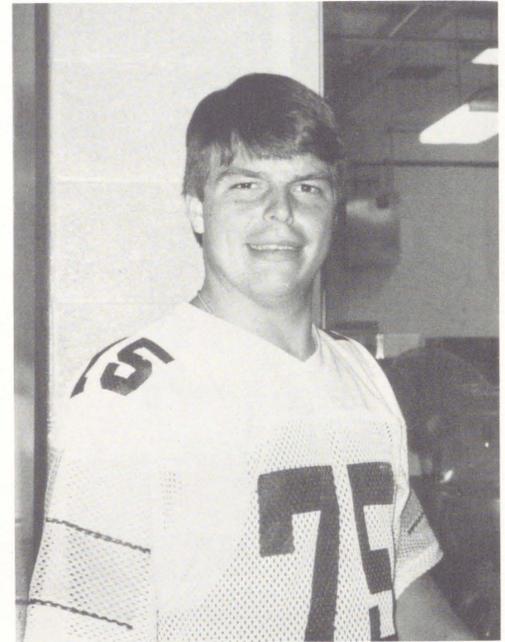

We have come to realize that CHS has **A Certain Flair** for memories that will burn in our hearts forever.

As seniors, we begin a new life, full of anticipation and uncertainty . . .

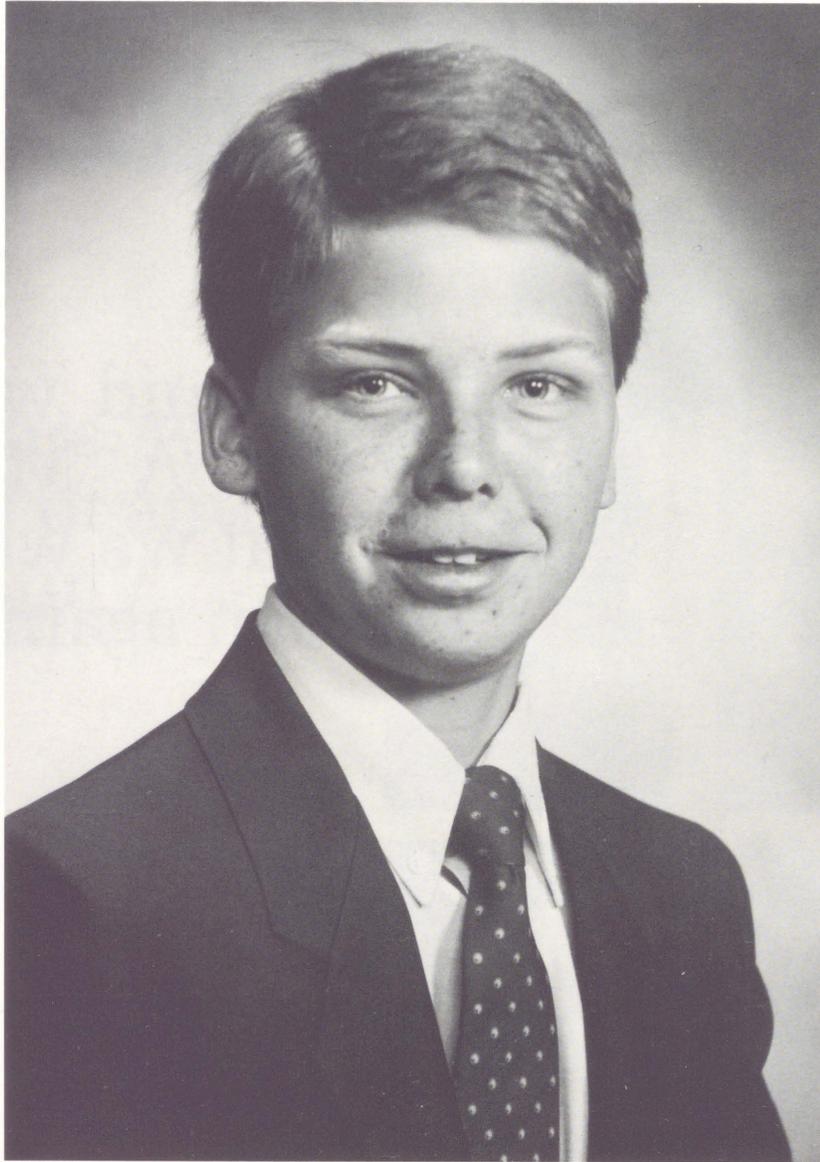

... and wish "Just for A Moment" that we were freshmen again.
