Another year's worth of days at CHS has come to its end. These times will not be forgotten, for they have strengthened us for this life's journey. Every twenty-four hours brings indiscriminately to each of us its blessings and its challenges.

We move through time striving always to become the best people we can be. However, the journey is not always easy, and **EVERY DAY IS A WINDING ROAD.**

## Closing

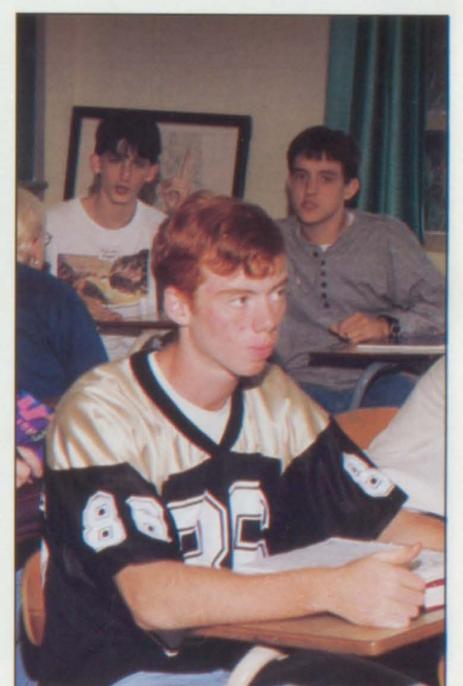

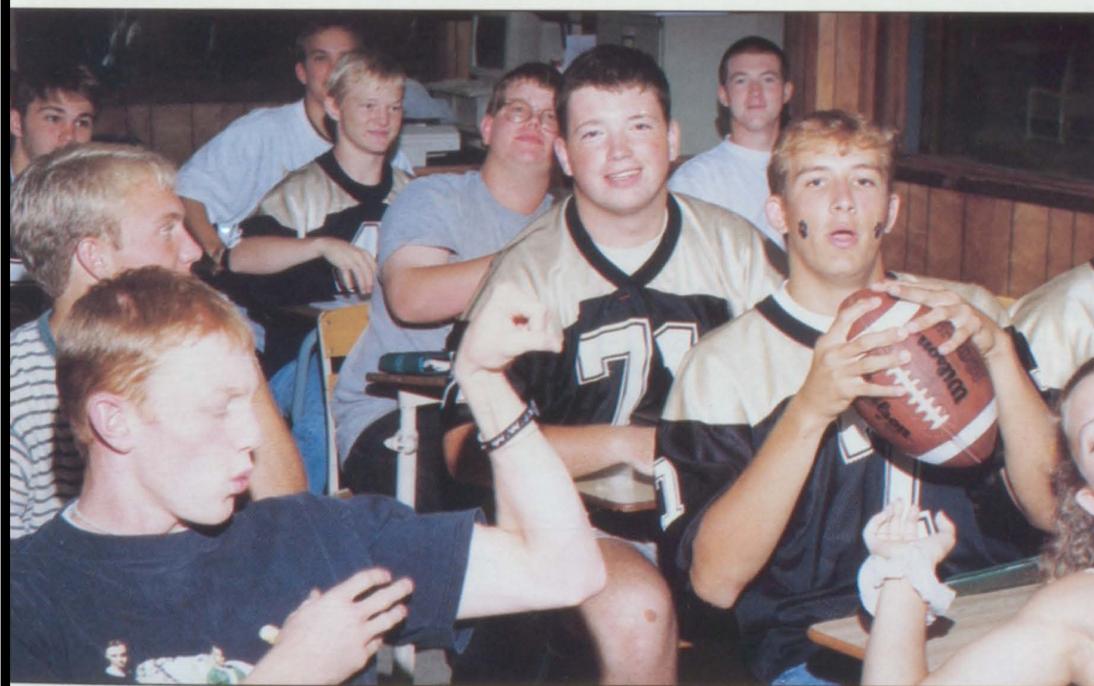

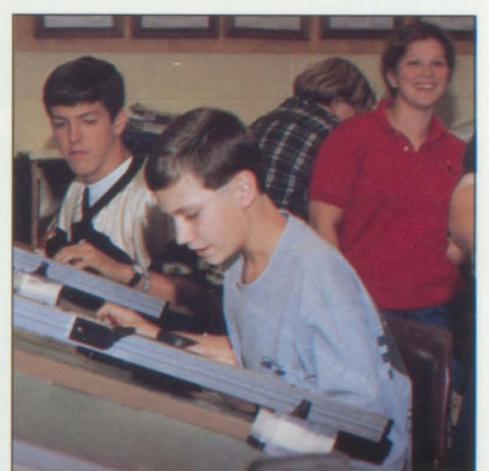

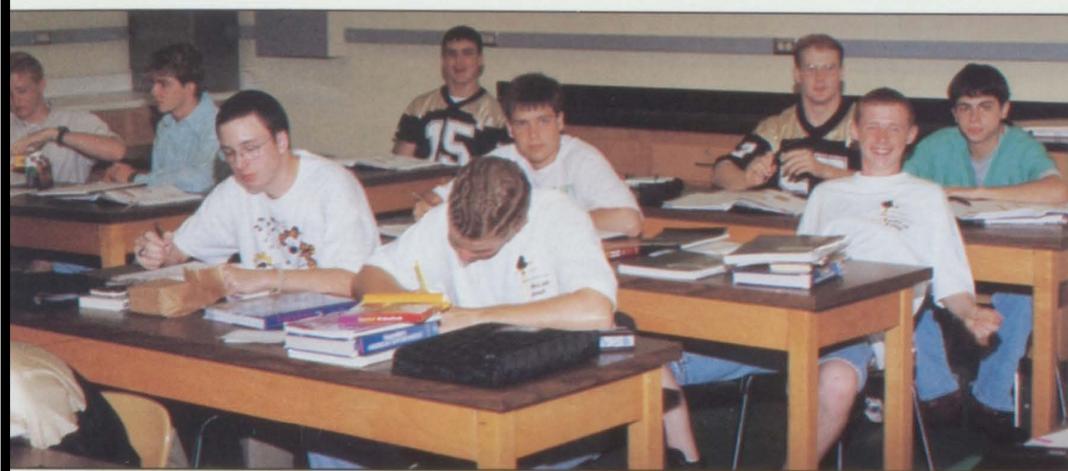

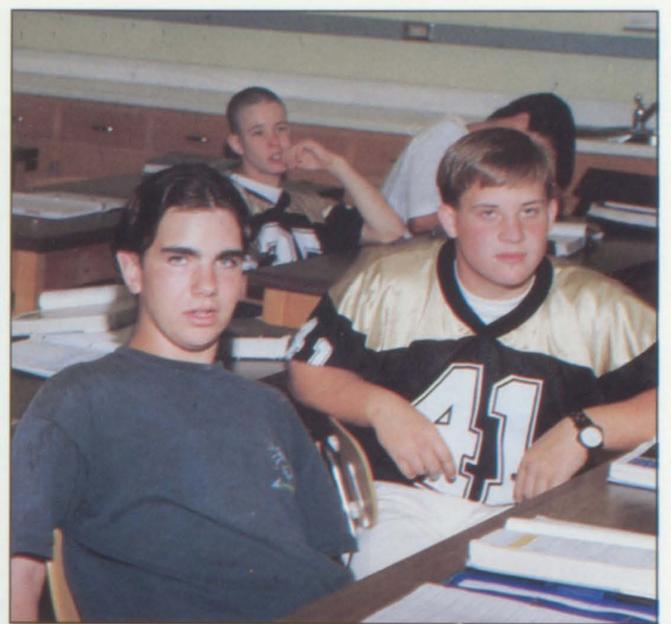

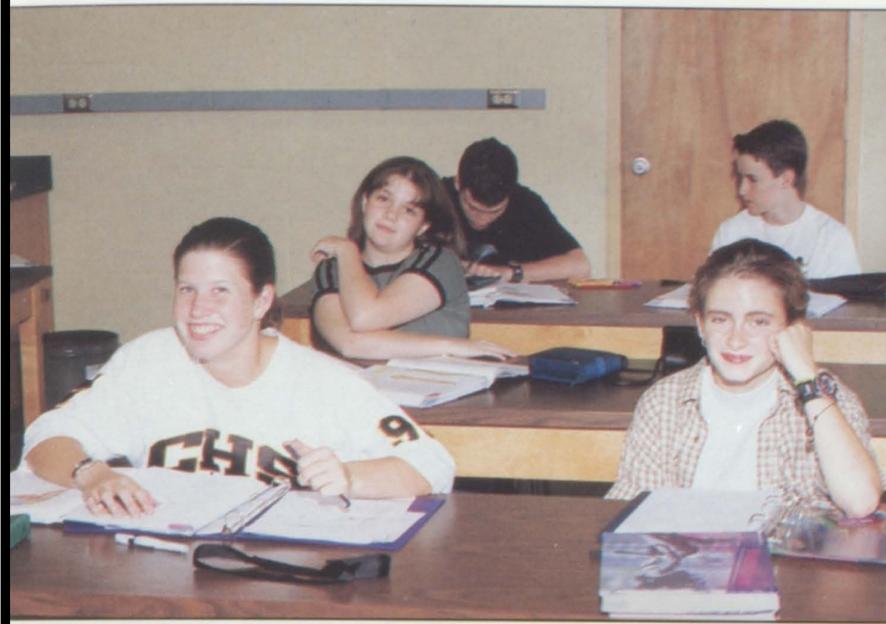

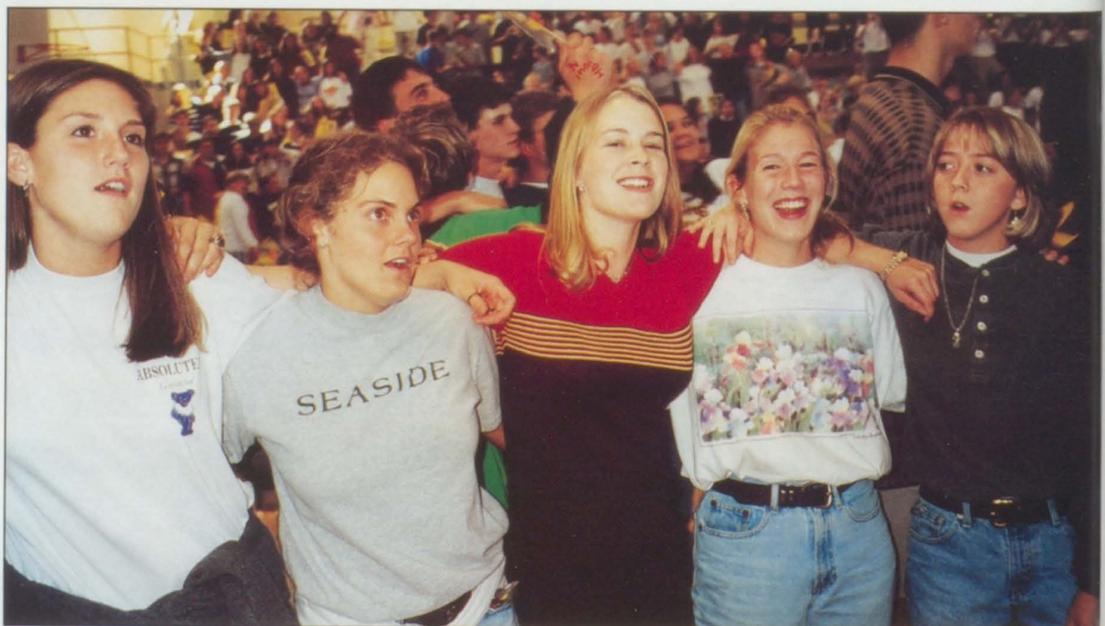

In the 1997-1998 school year, students spent 62,475 minutes in the classroom.

"I feel extremely lucky to have received my education at Cullman High School. I believe that we have many wonderful educators here and I know they have prepared me for college and the rest of my life better than any other school could have, I thank them all. -Kellie Gilbert

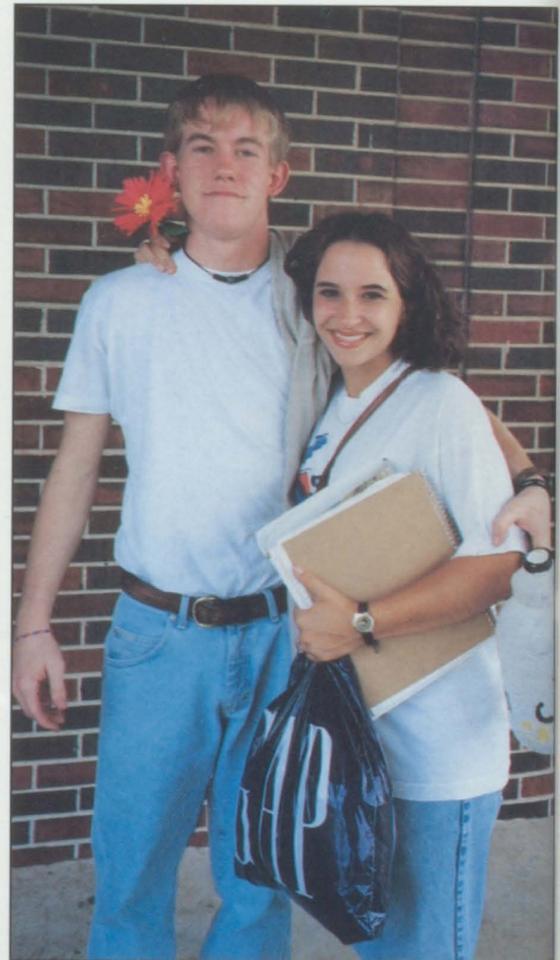

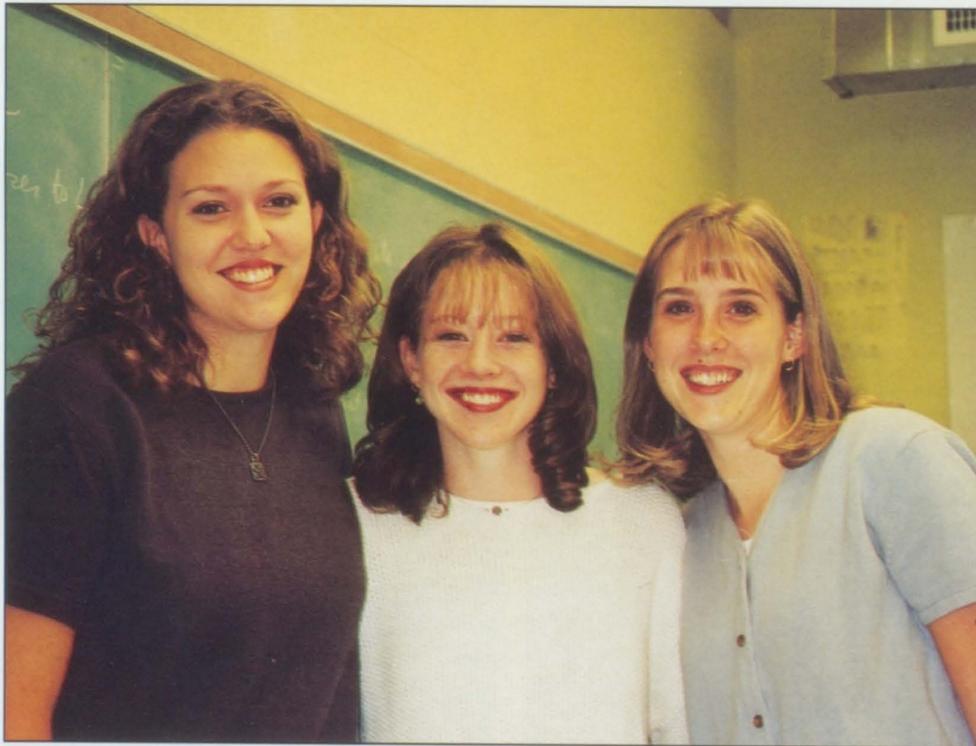

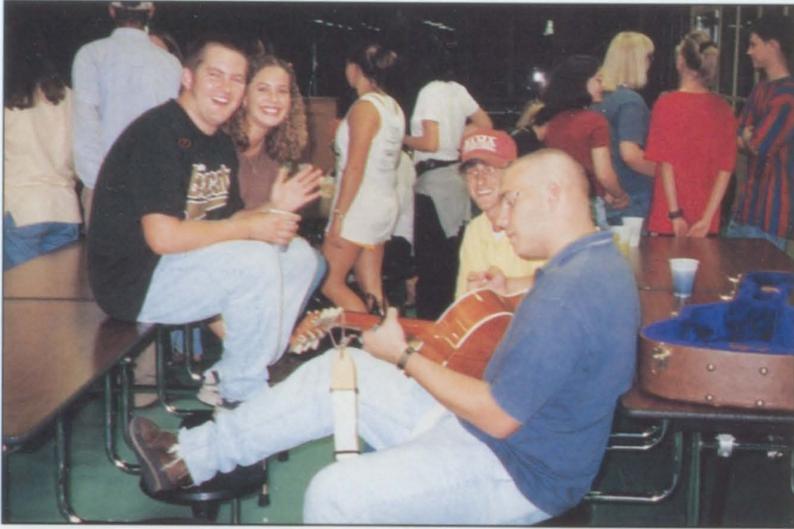

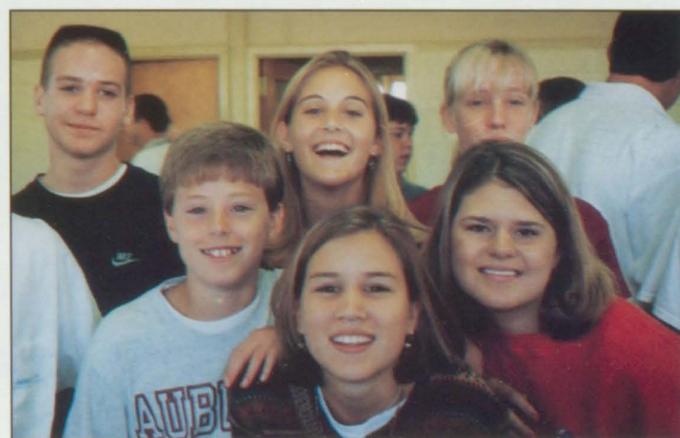

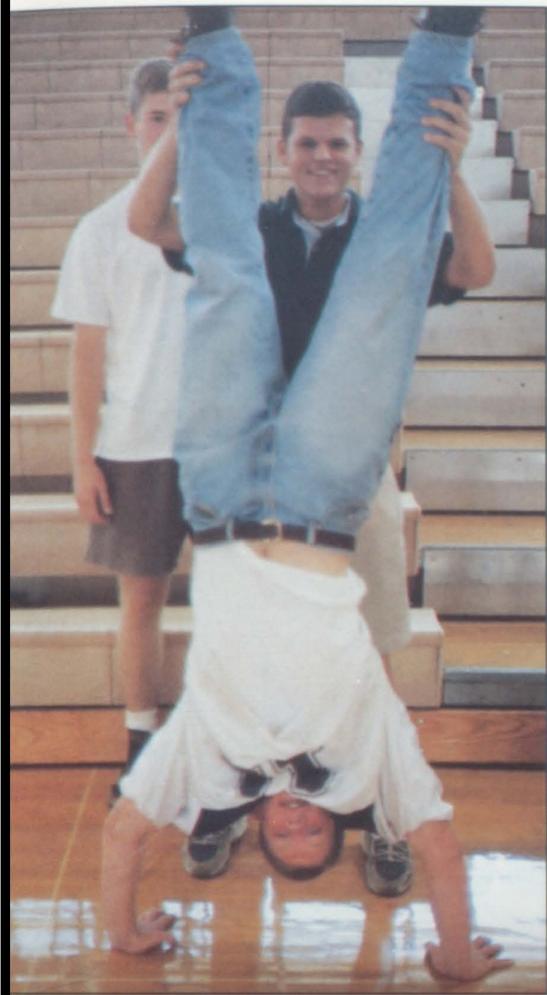

CHS pep rallies are a time when we all—students, cheerleaders, band, and athletes— come together to show Bearcat Pride.

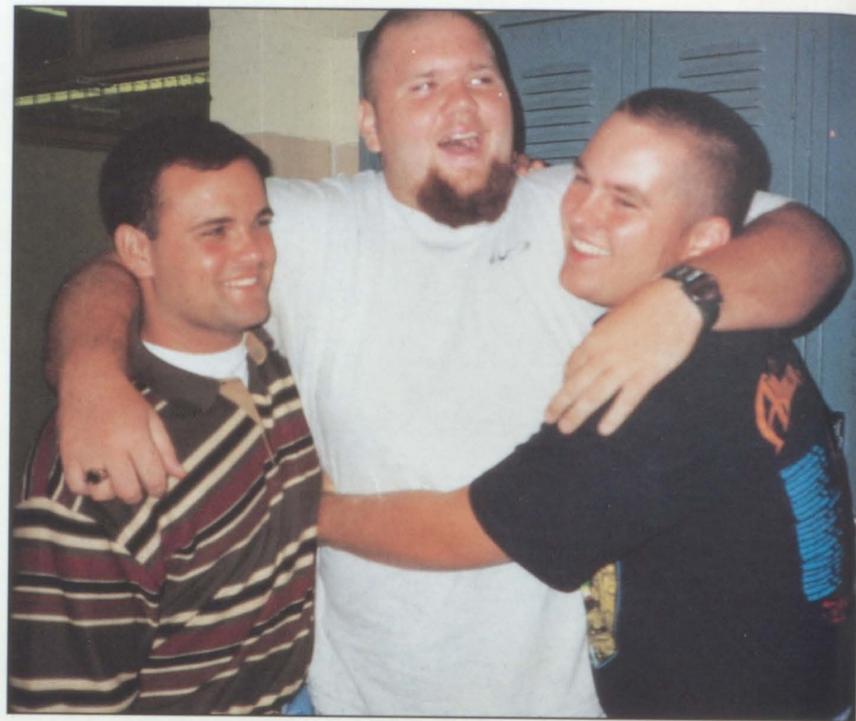

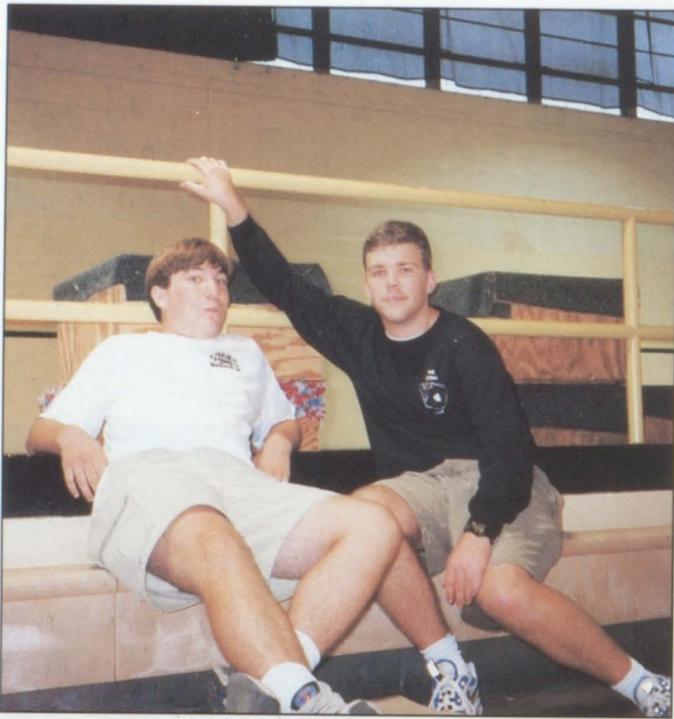

Although much time is spent in classes, the average CHS student yearly spends plenty of time outside of class: 4,375 min. at lunch; 1,750 min. at break; and 5,250 min. changing classes.

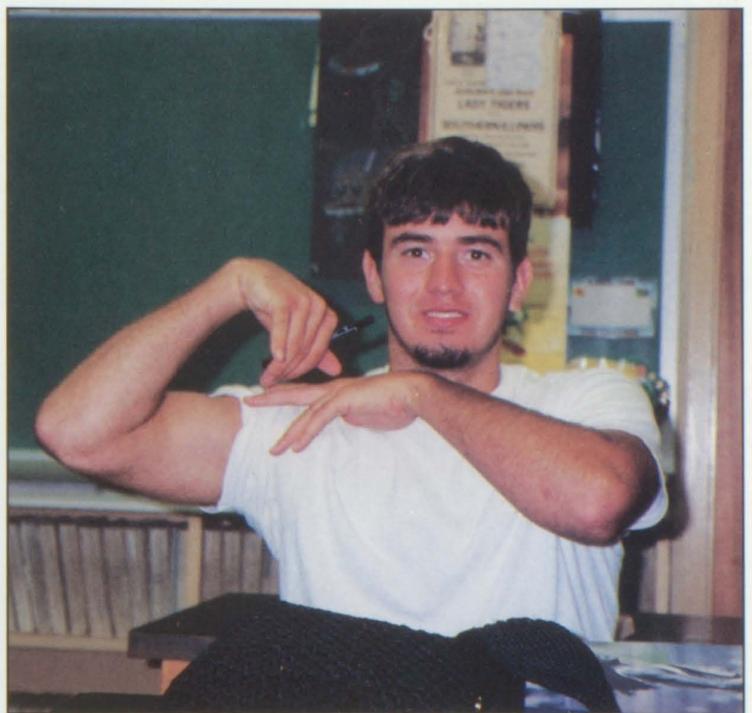

As seniors, we know that the end of the road that we have travelled for our entire lives has arrived. We will soon start a new road as our journey through life continues. The memories that have been made will last a lifetime.

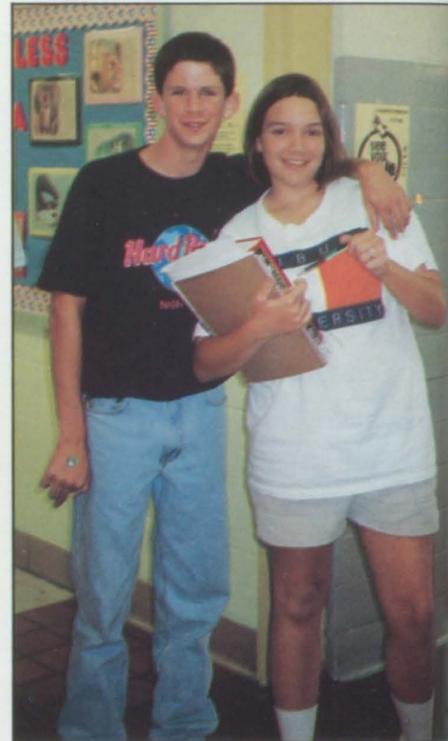

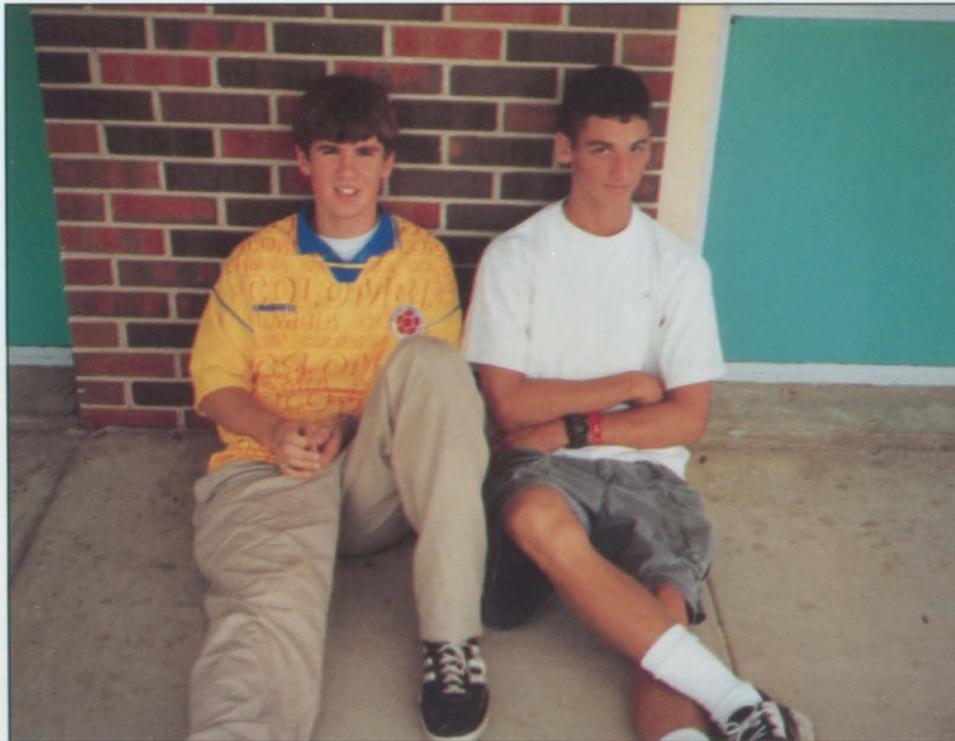

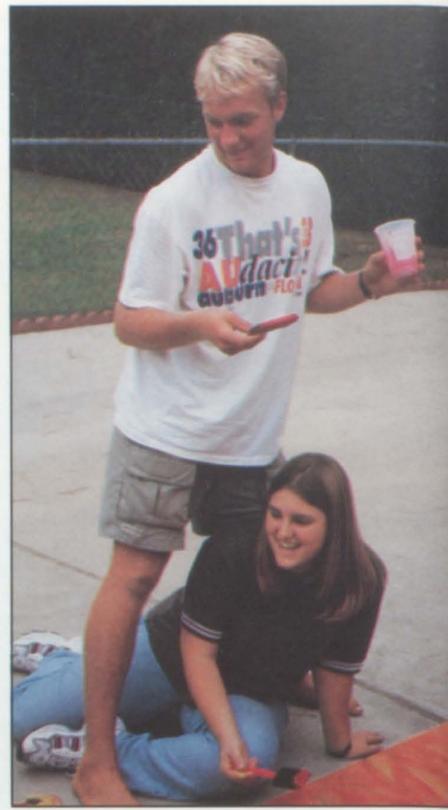

# End of the Road

"This is where it all ends and also where it all begins. It's the journey not the destination." - Author Unknown

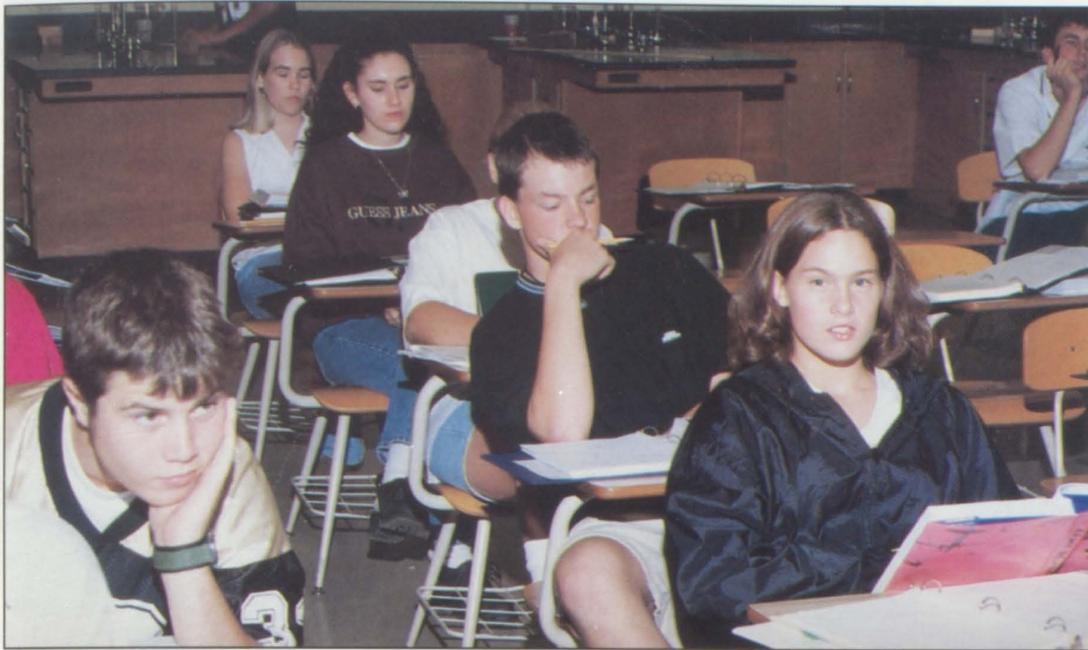

# Still Truckin'

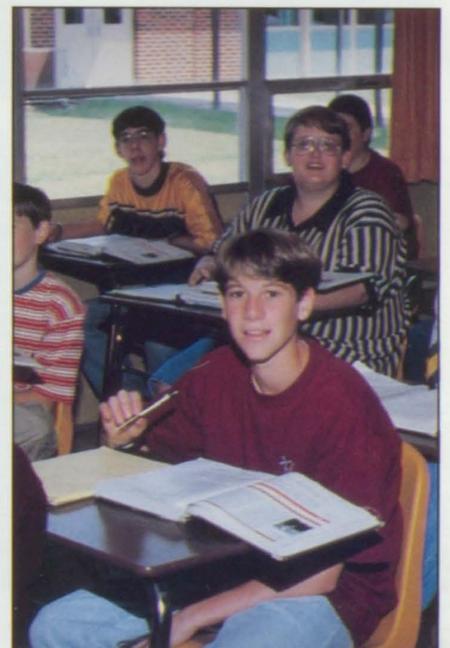

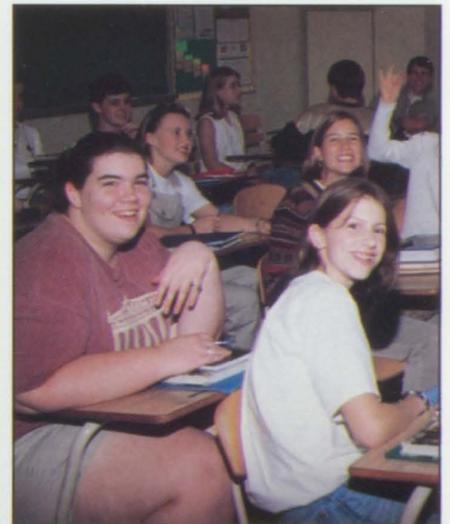

"My junior year has been the best year yet. All that we do has more meaning since graduation is getting closer." — Michele Maddux

# Rounding the Bend

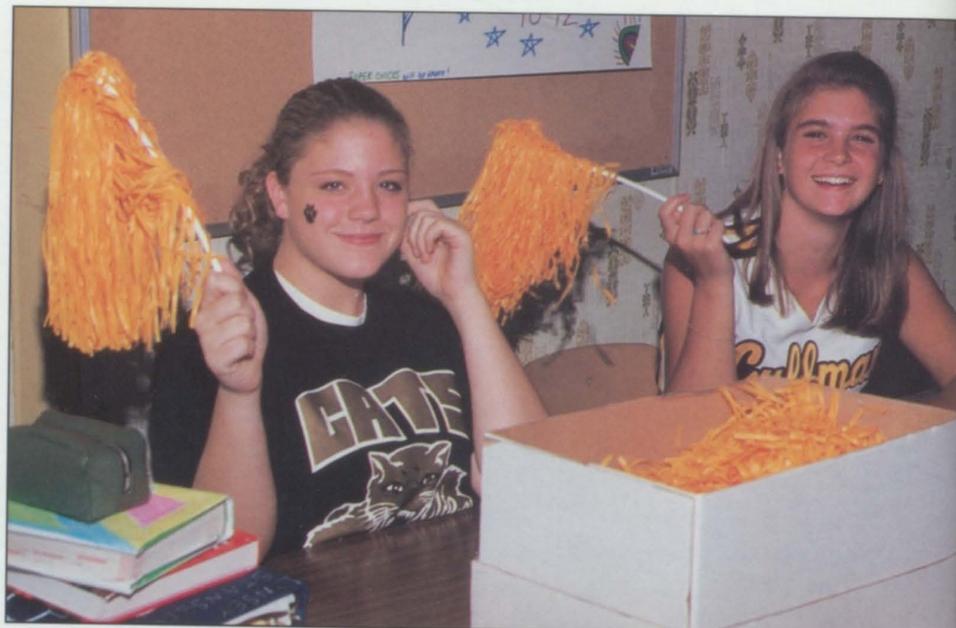

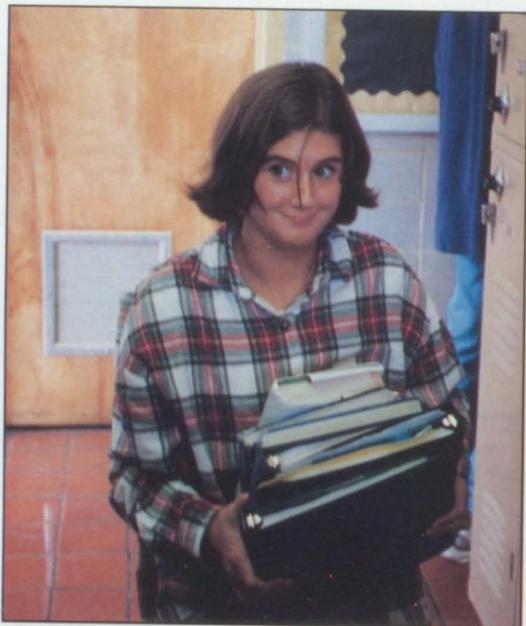

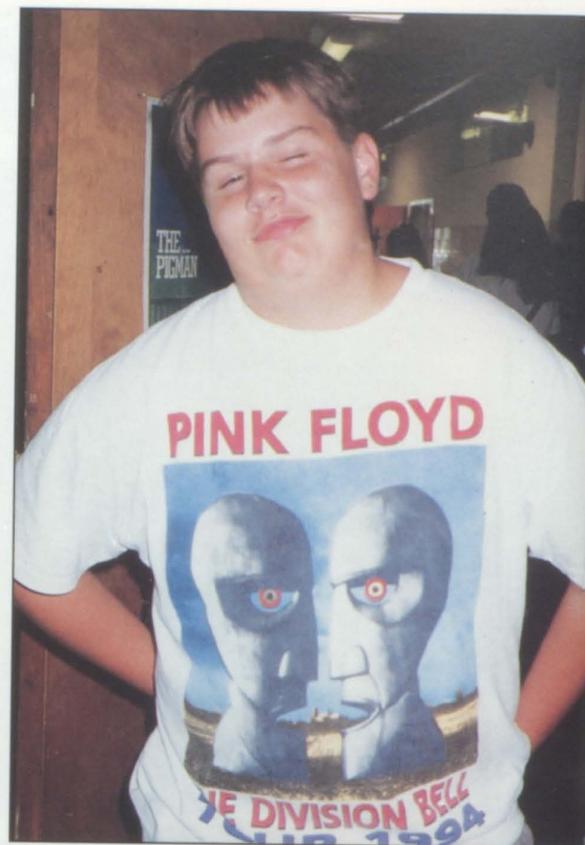

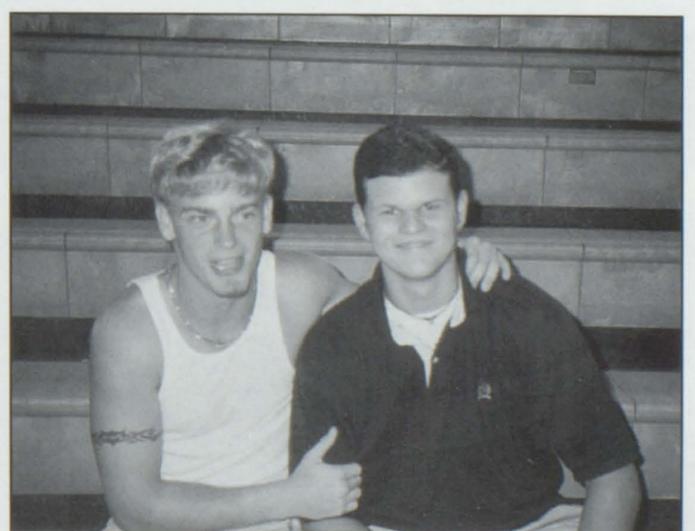

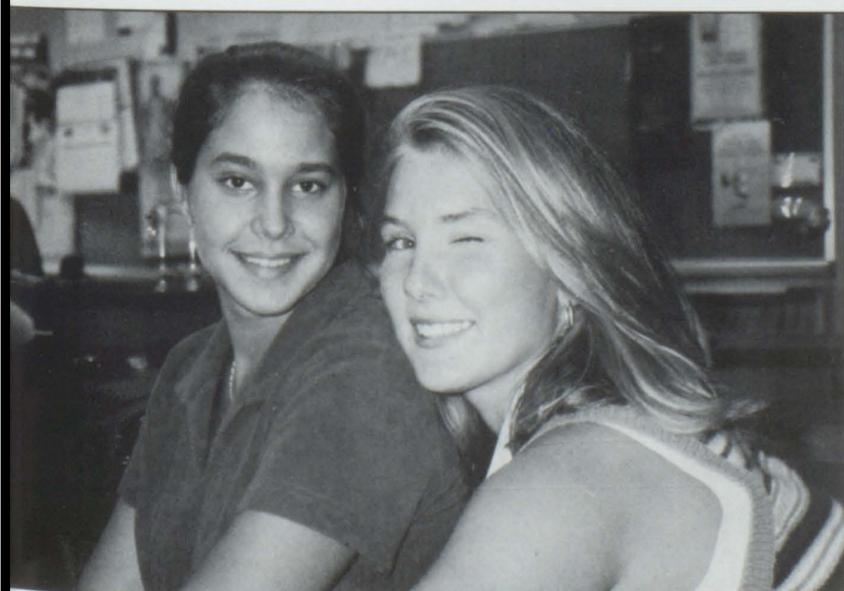

The sophomore year is characterized by many exciting events including the independence of receiving a driver's license.

# An Unfamiliar Road

The freshman class embarked upon a new road this year. Finding lockers, classes, and new friendships characterize their first year at CHS.

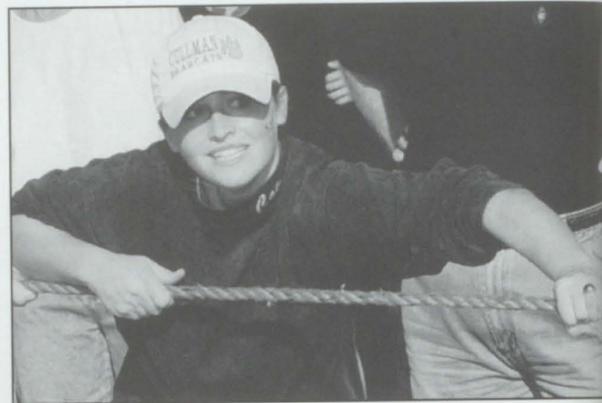

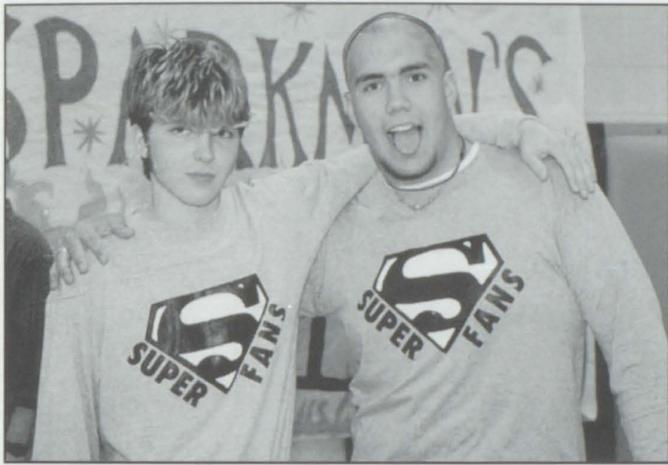

# HOMECOMING 1997

Although there were many unexpected changes to Homecoming Week, it turned out to be one of the most memorable. The festivities started on Tuesday with Pajama Day. Wednesday brought a new dress-up day, Twin Day, as well as the big announcement of moving Game Day up to Thursday night because of potential bad weather. This produced a very busy afternoon since preparation time for the festivities had to be cut from thirty hours to seven. Fortunately, with the combined efforts of the administration, Coach Bates, the Band, Key Club, and the fans, the bonfire and pumping were a huge success. Black and Gold Day and the judging of pomping and door decorations were moved to Thursday to coordinate with the game. We had a grand pep rally with the Jazz Band, the Soul Man (Mr. Pennington), and Moon Man (Mr. Moon). The pep rally was followed by Field Day, which was very exciting and even included one known injury. We tried two new events this year: "Whatever Floats Your Boat" and "Riding the Wave." Right after Field Day, Southtrust provided drinks for all of the students. The most important event of the week was the Sparkman game, which we won 30-26. In addition, there was another battle other than the one taking place on the field, and that was the Battle of the Bands. We closed this memorable week with Camo Day and an inspiring visit from Jay Barker.

— Brad Brooks, Student Council Vice President

# MR. AND MISS CHS

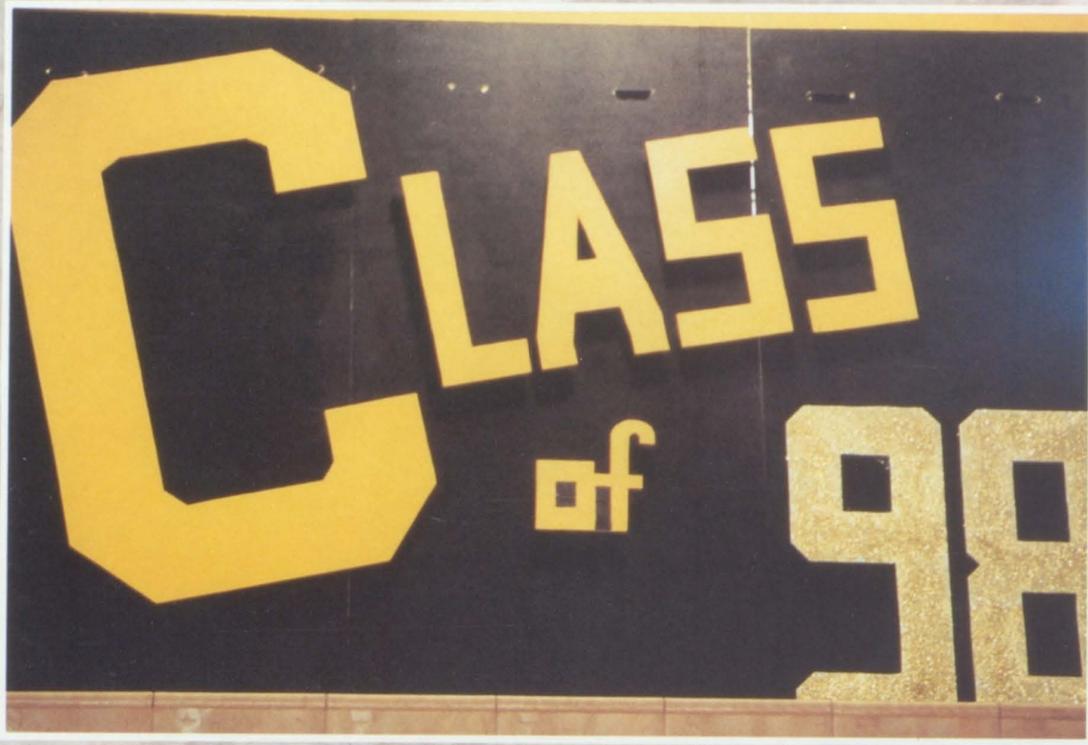

Mandy Davies was chosen by our student body as the 1997-1998 Miss CHS. She has represented the school for four years as Class Favorite, and as Homecoming Attendant. Mandy served as class president for two years; she participated in Key Club, FHA, SADD, YFC, FCA, and was the president of FBLA. This year hard work and dedication made Mandy an important asset to the Cullman gymnastics squad and softball team.

This year the Cullman High student body selected Matt Hopper as Mr. CHS. In addition to having an important position on the varsity football team, Matt was involved in many clubs and organizations. The offices held in Student Council and Key Club along with his participation in FFA, FBLA, FCA, and SADD made him an excellent choice for Mr. CHS. Matt's attitude won him many friends.

THE WRIGHT STYLE

"By merely being educated, I have been able to become an individual, to think for myself, and in turn teach others."- Amber Strickland

"My advice to the underclass of CHS is this: The world is before you and you need not take it or leave it as it was when you came in. Take every opportunity that is offered to you. I will never regret a single minute that I've spent here. Remember that once you get an education, no one can take that knowledge away from you."- Amanda Gamble

# ALMA MATER

By old Cullman's northern border

Reared against the sky

Proudly stands our Alma Mater

As the years go by.

Forward ever be our watchward

Conquer and Prevail,

Hail to thee our Alma Mater,

Cullman High, All Hail!

“My membership on the Majorette line at CHS was an unforgettable one. The girls I twirled with were not just any group of girls, but some of my best friends. They will never know how much I appreciated everything that they did. One of the most memorable moments I have had twirling was the time when Corinne hit herself in the nose with her baton before the Brewer game! I will never forget the talks by the podium and the memories we have all shared together.” Alecia Hulsey

“Being a member of the CHS Band, especially the flag corps, has been one of the most rewarding experiences of my high school career. It has taught me a great deal about responsibility and teamwork while giving me the opportunity to make lasting friendships and memories. I am very thankful that I have had the chance to be a part of such a worthwhile organization.” Emilie Kraft

"I feel that much of my strength and ambition have resulted directly from being welcomed wholeheartedly into such a prestigious, while diverse, group of talented, compassionate individuals, all very precious to me. The innumerable hours of loving guidance and encouragement given by the directors have made a great impact upon the shaping of our lives. We have not only been taught the fundamentals of music; we have been given the secrets of success in life."

# Officers

Mark Yates, President; Vaughn Sparks, Vice President; Josh Murphree, Secretary; Matt Hopper, Treasurer

“This year Key Club made changes which ended a long era, an era of only male members and female sweethearts. A long tradition of initiation also came to an end due to change in our society. I feel that the club will continue to grow and become stronger because or in spite of these changes. In my opinion without Key Club, Cullman High School would be like a turkey without dressing.”

Josh Murphree

# Board Of Directors

Nicholas Apel, Deke Perkins, Travis Jackson, Burke Buster

“Being in Key Club was one of the highlights of my high school career. I was involved with some really great people while working on various volunteer community projects. Key Club is a service organization whose primary goal is helping the community.”

Vaughn Sparks

# Drama Class

“Drama Class was an experience that has taught us many lessons. We learned lots of things about acting, the pressure of getting a play together at the last minute, and getting in an argument with someone, only for it to make your friendship stronger after settling it. Drama truly taught us a lot about working with others and many valuable life lessons.”

Veteran Drama Members,

# Tech Crew

“Tech crew has been a very important part of our high school career. It has introduced us to many different faces and sides of faces that we’ve never seen before. It involves many extra hours and much concentration. We are responsible for lighting, sound in the gym, lunchroom, auditorium, and anywhere else we are needed.”

Layla Plunkett

# SADD

“To me SADD was a club all about saving lives. We tried to show you don’t have to drink to have fun. While not all alcohol related accidents are caused by teenagers, last year 17,000 teenagers nationwide were killed in alcohol related accidents. We need to do something big and soon! While it might not be cool for your parents to take your keys away, it may be the coolest thing you ever do for a friend.”

“This was my second year of being in FHA. This year, I had the honor of serving as president. We enjoyed doing many things together as a group including our Goal Post Banner. We also had fundraisers that had us all work together. FHA took a lot of hard work, but we had great time, and grew closer together as friends.” Kellie Gilbert

# Youth For Christ

“YFC had plenty of things for people to do. God had tons of things planned out in this organization. It held weekly meetings, parties, and devotions. I made friendships that will last an eternity. The best memory that will stand out in my mind is this past Barn Bash at the Murphree's house. We had the devotion outside by the bonfire, and it was utterly and profoundly peaceful. I pray that you will all stay strong in God and keep him close to your heart. Be on fire for God and fan your flames to the world.”

“Being in S.A.V.E. gave me the opportunity to volunteer in environmental projects on campus, adopt an endangered animal, and donate toys and clothing to the needy every year. S.A.V.E. also organized the aluminum can drive during homecoming. I remember having to dig through sticky garbage bags full of nasty, smelly cans to count each one. Luckily, now Cash for Trash weighs the cans for us. S.A.V.E. taught me that saving our environment is important and we should do all we can to help.”  
Kelly Cooke

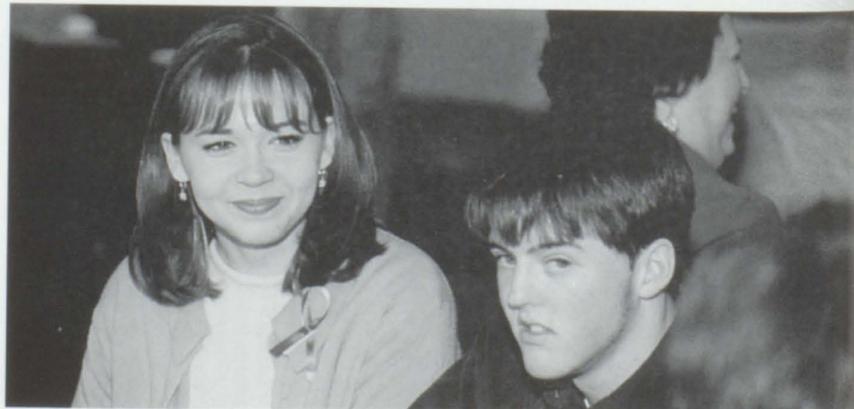

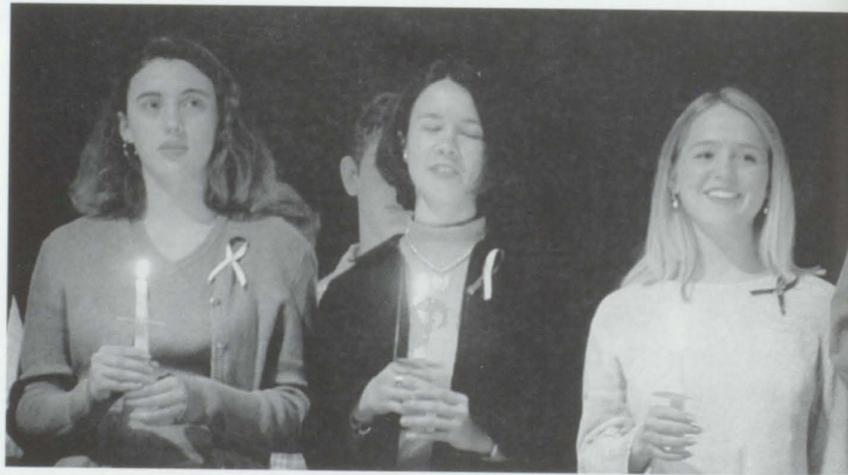

# National

“National Honor Society provides the opportunity for students with similar academic abilities and objectives to work together in service to the community. Through this organization, each NHS member is able to contribute to the world in such ways as giving Christmas gifts to the needy and obtaining funds for cancer research. In addition, it allows its members to use one of their most special talents, academic strength, to assist others through tutoring programs.”

# Honor Society

"My time in National Honor Society has been very fun and interesting. It all began with the prestigious event of tapping. After tapping we began working on the various projects ahead. One being raising money for Relay for Life. This was very special because I was able to work with my friends in order to raise money for a good cause. National Honor Society is responsible for many of my high school memories that I will certainly remember."

# Scholars Bowl

“Scholars Bowl was more fun than most people might think. It was a team effort, not putting so much pressure on individual performance, and it offered a great opportunity for the growth of friendships.”

Susan Satterfield

“Scholar's Bowl, whose matches this year could be seen on Cullman's TV-52, was always fun. Regardless of the outcome of a match, even a loss to rival West Point, the camaraderie of this group made it memorable.”

How's My Driving?

# Highest of Highs...

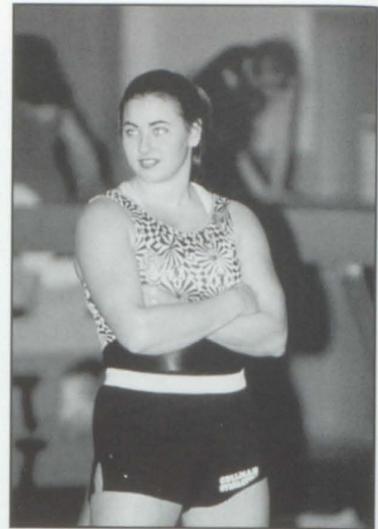

"It was the first game of my sophomore year, and I was scared to death. I knew I was going to play, but I didn't know how much. On the opening kickoff, John Lowry broke his ankle; therefore, I ended up starting up at middle linebacker. We ended up beating West Point, which was an awesome experience."

Matt Hopper - Football

"My greatest memory throughout gymnastics happened during my sophomore year at the state meet. It was here that I received a state title."

Leslie Marks - Gymnastics

"My best sports memory occurred last year in the second round of the state 5A playoffs against Clay-Chalkville. I played the best overall game of my high school career. I went 2 for 2 with 2 singles, 2 walks, 3 R.B.I's and scored 2 runs. It was amazing playing in such a dramatic game with such high stakes on the line."

David Cole - Baseball

"The greatest accomplishment is that we, the Cullman soccer girls, unlike our ancestors, have the right and the ability to play sports and excel in athletics. Go 19th Amendment!"

Jaime Knight - Soccer

"My greatest memory would definitely have to be winning the state championship. The feeling is indescribable. It seemed time stood still for the moment. All the hard work paid off!"

Mandy Davies - Softball

"My two best memories are beating Sparkman 30-26, which gave us our first Homecoming win in five years and beating East Lawrence 28-0 because they had beaten us the previous year 25-0."

Bobby Wilkerson - Football

"Winning state titles at #4 and #3 my sophomore and junior years would have to be one of my greatest memories. Well, pep talks with Coach Burks and bus trips to away matches might come a close second."

Sara Price - Tennis

# Lowest of Lows

"My worst memory was losing to Thompson in the state playoffs."  
Shane Sanders - Baseball

"My worst memory was losing to Brewer and having to run 50 hills."  
Tomi Ponder - Softball

"I was having the best year when I started feeling a sharp pain in my right leg. Coach eventually made me see a doctor, and he informed me that I had developed a severe stress fracture in my shin. I would not be able to finish the season."  
Kelly Cooke -  
Cross Country

"My least favorite memory happened last year. We were playing Coach Miller's boys' team. We were so confident that we could win because they were only twelve years old. They annihilated us by about eleven points."  
Rebecca Hanes - Soccer

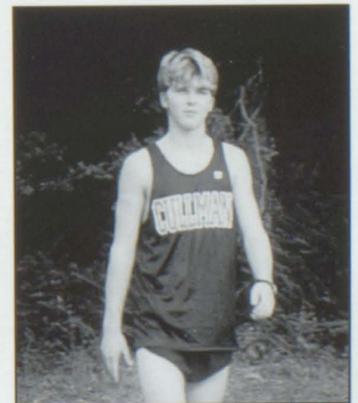

"My worst memory was when a tornado hit after Sectionals. We pulled into a gas station and stayed in their freezer until the storm was over."  
A m a n d a  
Wilhite  
Softball

"My worst memory occurred when I had to run in the state meet all by myself because all the other girls on the team were hurt."  
Haley Chandler -  
Cross Country

"A bad memory that sticks out in my mind is the first time Coach Burks made me do . monkeys."  
Heath Harden -  
Basketball

"Before the first game of my junior year, the soccer team had received new goals, and as a result of some manufacturer's flaw, the front poles sloped backwards. We had a game that night against Randolph and didn't have time to return the goals. The only goal Randolph scored went through the gap where a normal pole would have been."

# IS BIGGER BETTER?

Merchants Bank customers know better. All the services they'd find at bigger banks they get at home with Merchants Bank, from checking and interest bearing accounts, to retirement accounts, from credit services and Express 24 Automatic Teller Machines to commercial banking. And they get personal service that bigger banks could never give them.

## Success

To laugh often and love much; to win respect of intelligent people and the affection of children; to earn the appreciation of one's critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to give one's self; to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to have played a laughed with enthusiasm and sung with exultation; to know even one life has breathed easier because you have lived..... this is to have succeeded.
