FAIRALA

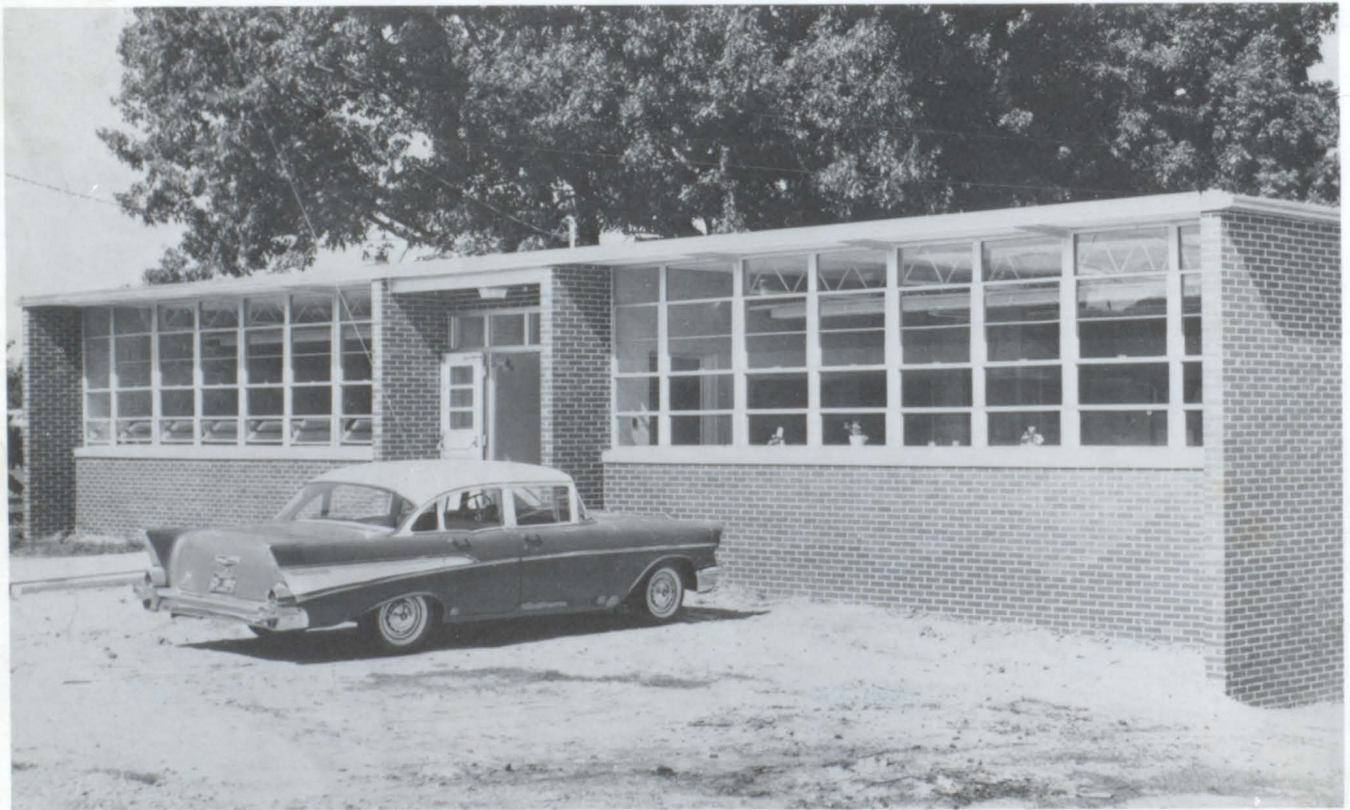

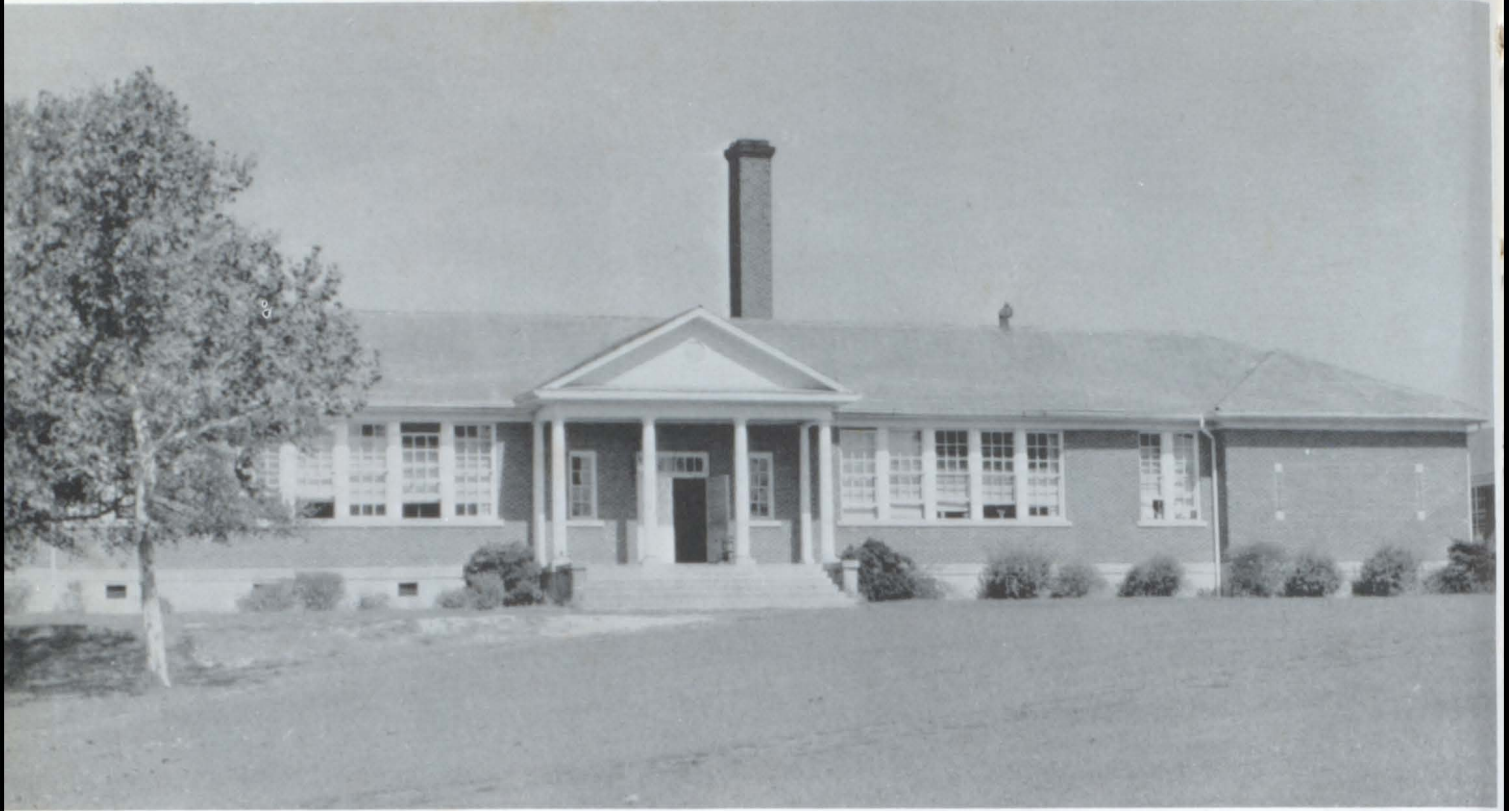

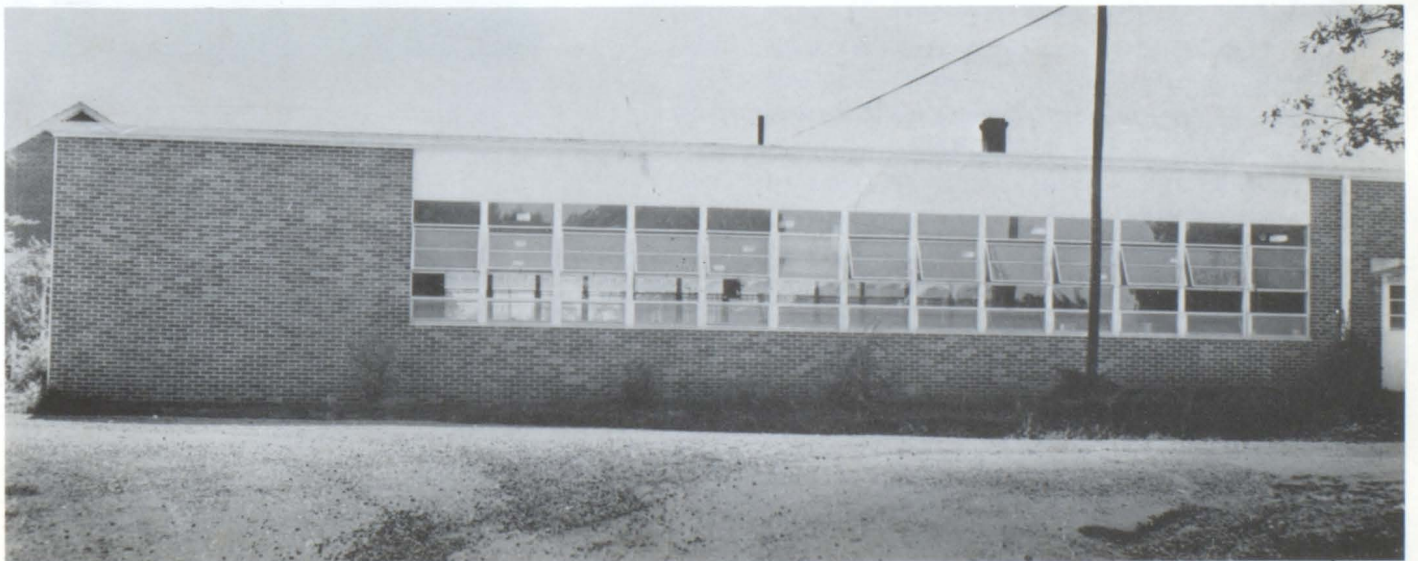

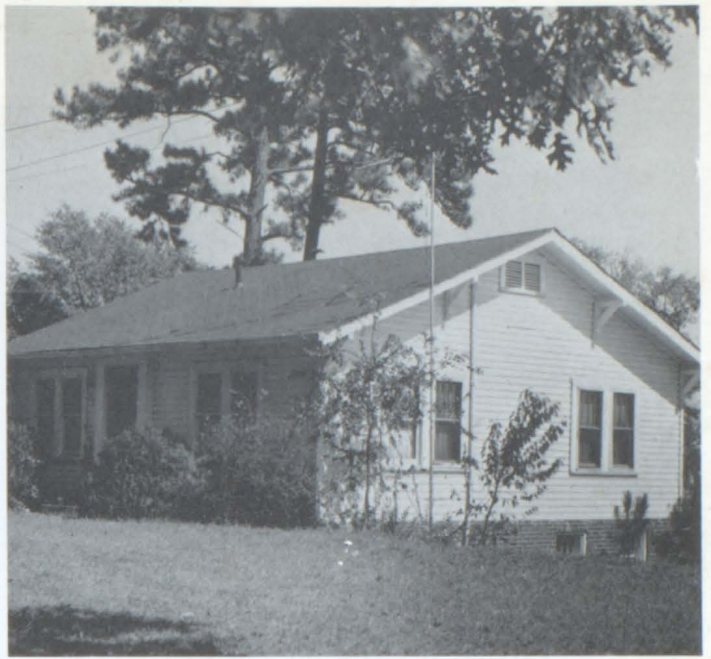

*THE 1964 FAIRALA  
FAIRVIEW HIGH SCHOOL  
Fairview, Alabama*

# *Fairview's Campus*

MRS. KATE OAKS

It is indeed an honor to pay tribute to one who has become such a genuine part of Fairview High School. Your interest in dramatics and speaking has helped our school to maintain an excellent dramatic standing; your interest in students and eagerness to help them as individuals have endeared you to all who have come under your influence.

Because you mean so much to so many, we, the Annual Staff of 1964, do dedicate to you, Mrs. Kate Oaks, the 1964 FAIRALA.

## *Dedication*

*Principal's  
Message*

Today is yours to live. You do not know what the future may hold for you, for no human hands can unlock the doors of the future.

Be cautious about setting your mind and heart on happiness that might come from mere material things, things earthly and mundane.

Rather, make today an opportunity to grow in inner wealth. Live your best, in gratitude, in love, in the fellowship of friends, and in the consciousness that life is more than meat or bread or things.

# *What is a high school?*

When you think of a high school, what do you see?

This is the picture that comes to me:

A high school is people, teenagers and all.

It's assemblies and classes and a rush in the Hall.

It's panic at grade cards: It's purple and gold;

It's thrills and excitement that never grow old.

Suspense fills the hallways, and rivalry's keen.

All yearn for a scholarship; who will be Queen?

A high school means projects, and clubs with their fun,

And everyone working till all tasks are done;

Tense moments at ball games - Will we win or not?

That "Fightin' Aggie" spirit means more than we thought!

What is a high school? What is its story?

We've told it here in all of its glory!

## *Foreword*

The pathways through high school are memorable ones. We hope that through this book, we have portrayed a span of these pathways to the future upon which each of us travels.

Education is in itself a wide and heavily traveled pathway. There are many forks in this pathway - each leading to some goal set by those who are traveling upon it.

Just as some roads are unpaved, so are some pathways to success unpaved. There are many rough and threatening sections. However, if the goal is kept in view, all difficulties can be surmounted, and the pathway will have served its purpose of furnishing a means of guidance.

With all these things in mind, we proudly present to you the 1964 FAIRALA.

## Ad Staff

On September 18, 1963, the 1963-64 FAIRALA Ad Staff went to Cullman to sell ads to the local merchants. After a long day of seemingly unending walking and selling the weary staff returned to school. This year the ad sales in both Arab and Cullman totaled over \$1,000, setting a record for the school.

Kaye Carter and Billie Jones were the highest ad sellers for the day. They sold \$113 and are pictured at the right.

The Journalism Staff wishes to express their appreciation to those who purchased an ad or booster, and to the Seniors who worked with them.

# ATHLETICS

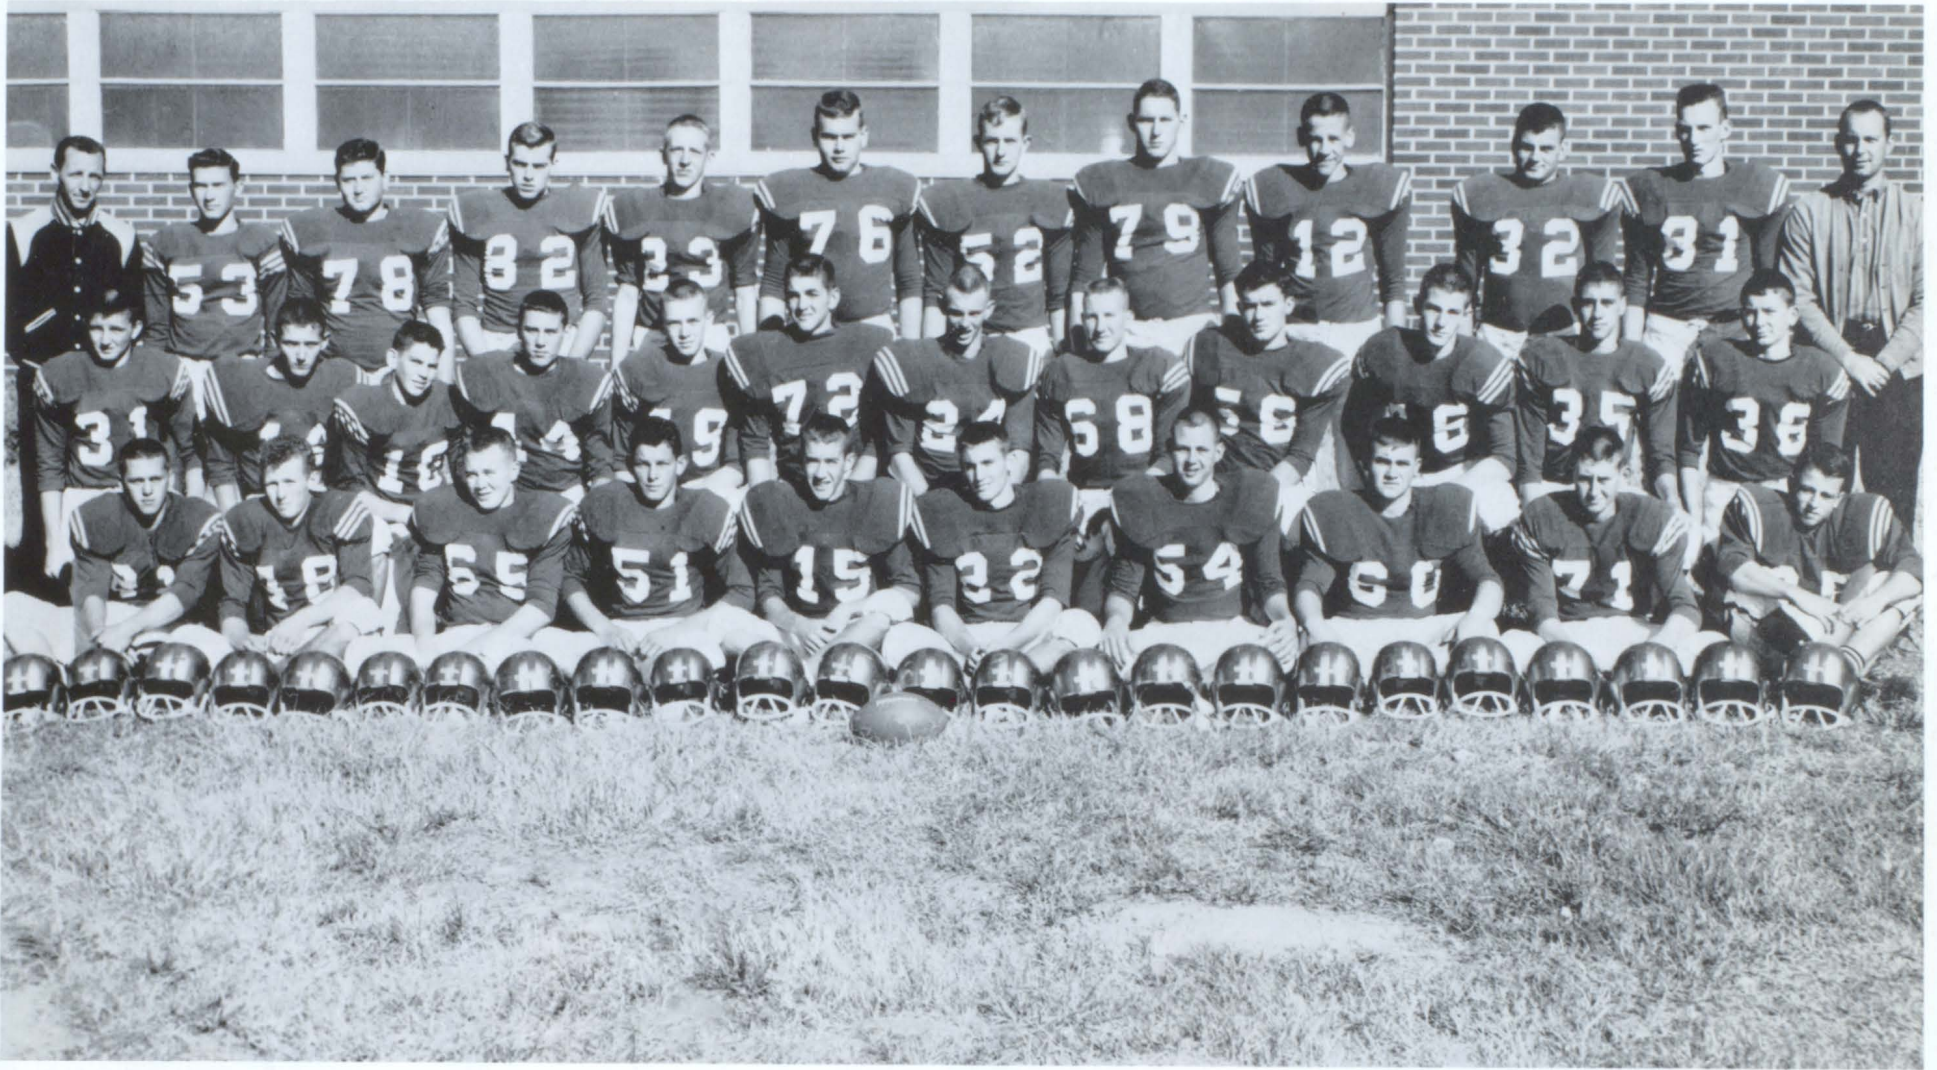

### AGGIE SPIRIT . . .

Across the gridiron, the court, the diamond,  
It welds players and Aggie fans into a force  
That takes its stand at the goal line.  
It is the tenacity that fights against odds,  
The humility that crowns a victory.  
It gives heart to the cheerleaders  
To urge the team on.  
It lingers after the last play,  
A part of past and future.

*In  
Action*

DWIGHT TUCKER

Coach has done a great job in organizing a football team at F.H.S. This the the first football team Fairview has had in many years. It has taken a lot of time and effort to get the gridiron in shape.

JOE SHULTS

With an earnest desire to develop each boy's potential, Coach Shults spends many long hours in drill and practice. Under his guidance, the Aggie Cagers have exhibited fine play throughout the season.

## *Our Thanks to You!*

J. C. BAILEY

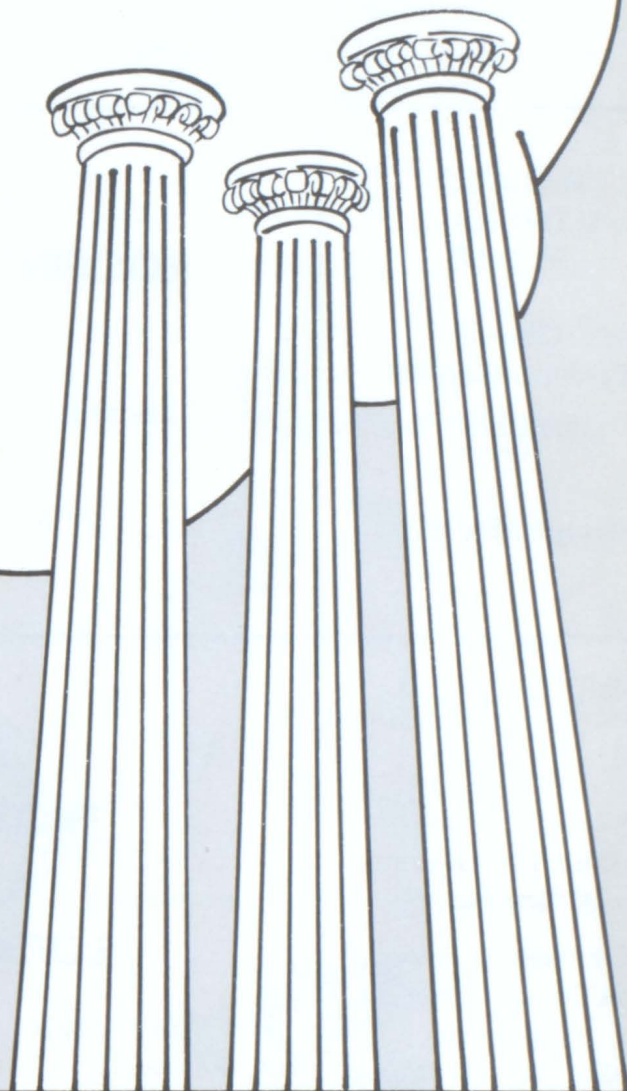

Fairview's Junior basketball team, guided by Coach Bailey, put on a fine show of good sportsmanship and a lot of exciting basketball this year.

CHARLOTTE KEMP

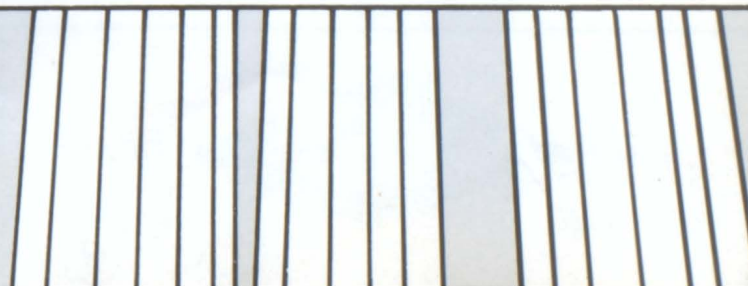

With the help of Miss Kemp, sponsor, the varsity cheerleaders turned out many exceptional routines at football and basketball games this year. She is also director of the girls P. E. Department.
