Student Life . . .

*f only all the hands
that reach could touch . . .*

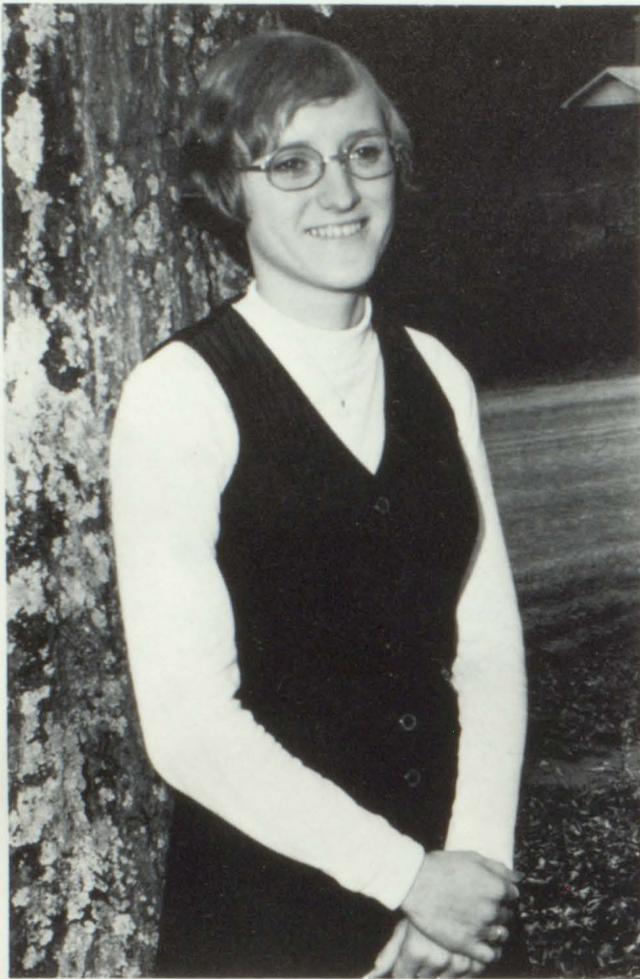

M. Loberg

*Friendship is a chain of gold
Shaped in God's all perfect mold,
Each link a smile, a laugh, a tear,
A grip of the hand, a word of cheer,
Is steadfast as the ages roll
Binding closer soul to soul;
No matter how far or heavy is the load,
Sweet is the journey of friendship's
road.*

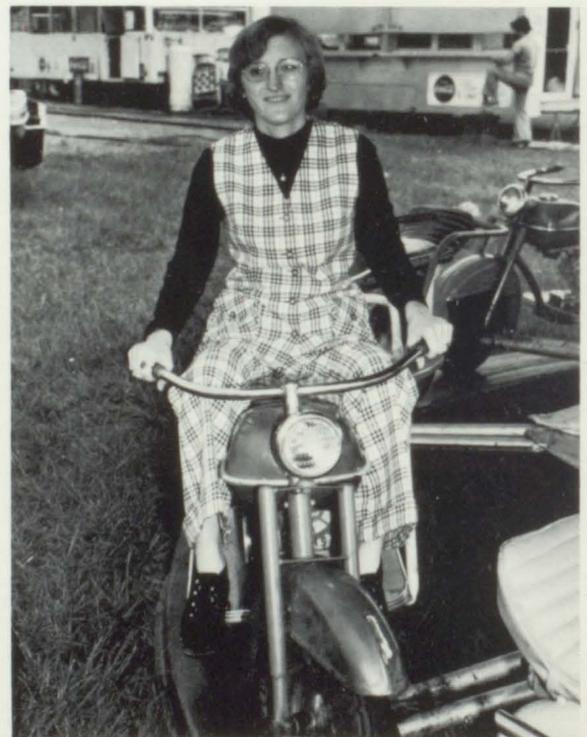

Emily H. Pollard

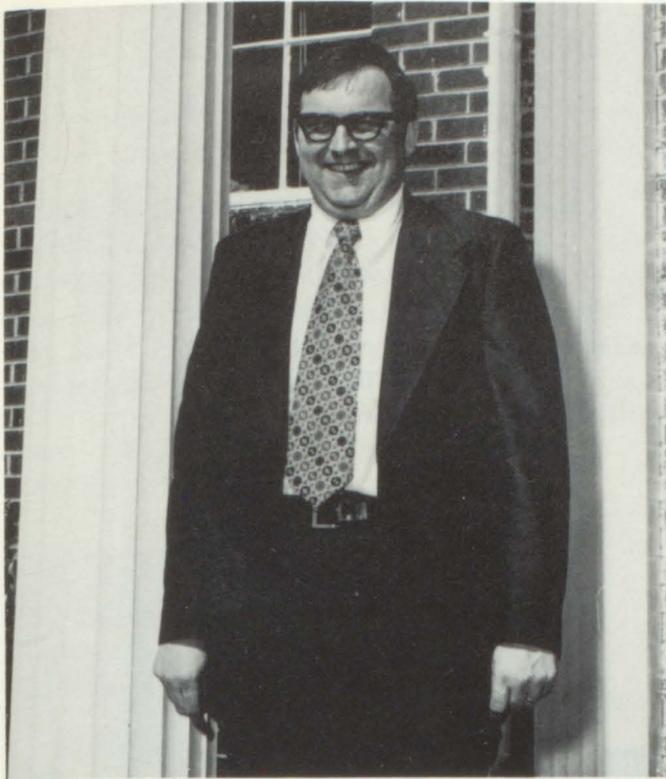

Dedication

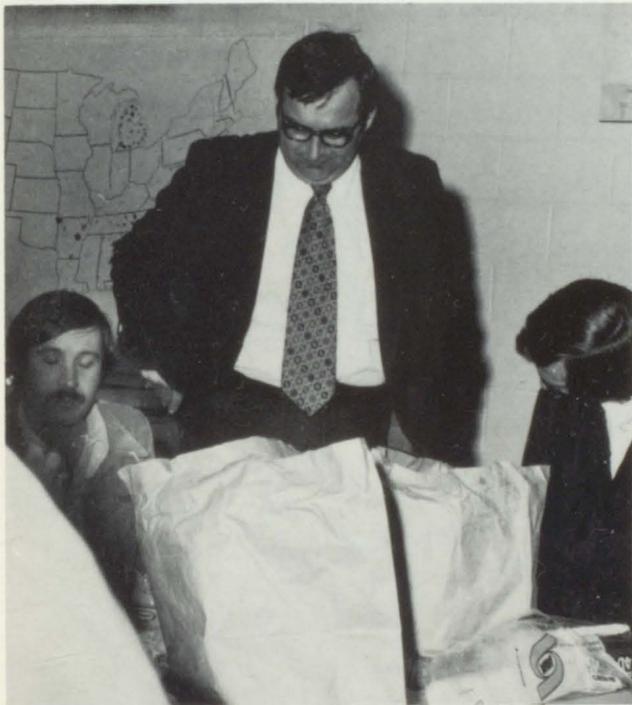

Mrs. Dianne Bailey is a very special and dedicated teacher. She is a warm, sincere person who is a good friend of her ninth and tenth grade English students at Fairview. She is fair, she is patient, and she is a good sport. Sponsoring the annual staff is a challenge which she has met with grace and humor. Years from now we will remember her as a person who "quietly came and quietly went and quietly changed the world." And she always smiles . . . For her special devotion to her job the Fairala staff dedicates the 1976-77 annual to Mrs. Dianne Bailey.

Principal

As principal, Mr. Jones has a great responsibility to the school. He must face day to day problems at school, which he does with a smile, and make sure that the office staff keeps things going smoothly. The students, as well as the faculty, are appreciative to Mr. Jones for his services to our school.

Office Staff

Mrs. Annie Sue Cooley,
Assistant Principal.

Mrs. Peggy Harris,
Lunchroom Accountant.

(Picture not available)
Mrs. Wynell Ryan,
Bookkeeper.

The office staff performs many jobs, large and small, that keep the school functioning. These jobs range from answering the ever-ringing telephone to filling out endless reports.

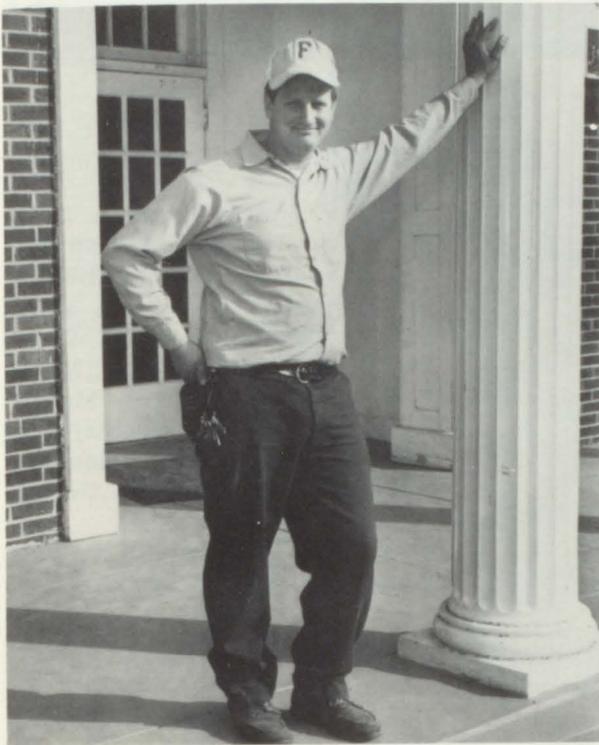

Miss Anne Andrews,
Secretary.

School Assistants

Walter Bolze, the custodian, has the continuous job of maintaining the school. There is always a stopped-up sink, a broken window, or a number of other jobs that need doing. Brant Hochstetler helps in the athletic department. He helps with the P.E. classes and is also an assistant coach. Marie Cole is a favorite at Fairview. She is the school store manager. The store is a popular spot on campus.

Listen!

At your graduation exercises, the commencement speaker will say something to the effect that “the future of this nation is in your hands” or “you are being given a great challenge”.

They always say things like that at graduation exercises. It seems to be the thing to do.

They’ve said it so much that most folks expect it and don’t even hear it.

That’s bad . . . because it’s true.

The future is in your hands . . . whether you hear it or not . . . and whether you like it or not.

Do something about it . . . Listen.
