*I've been
This way before*

*Some people got to laugh,
Some people got to cry,
Some people got to make it through,
By never wondering why*

*Some people got to sing,
Some people got to sigh,
Some people never see the light
Until the day they die*

*But I've been released
And I've been regained
And I've been this way before
And I'm sure to be this way again,
Once again.*

Neil Diamond

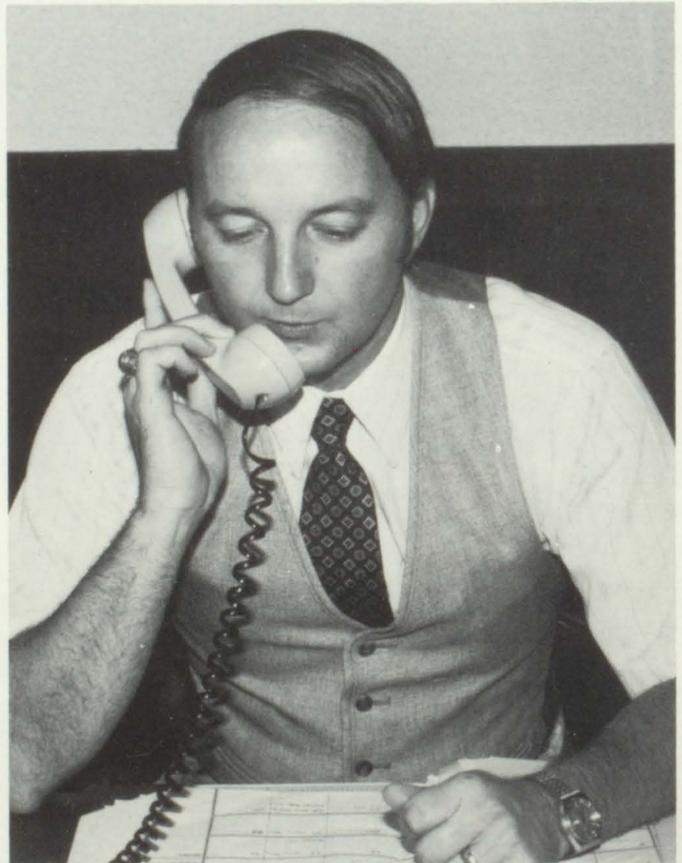

Principal

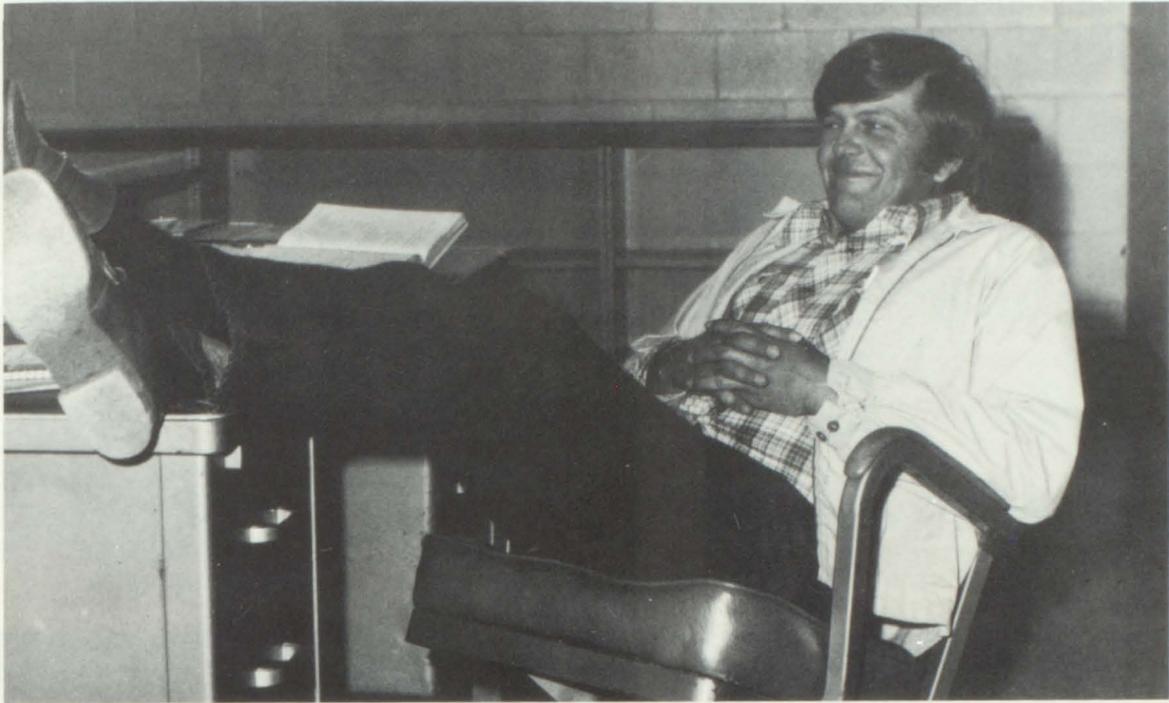

Keith Pattillo

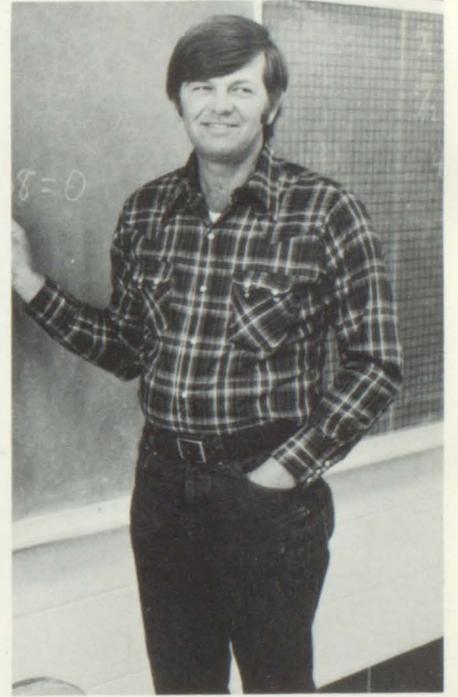

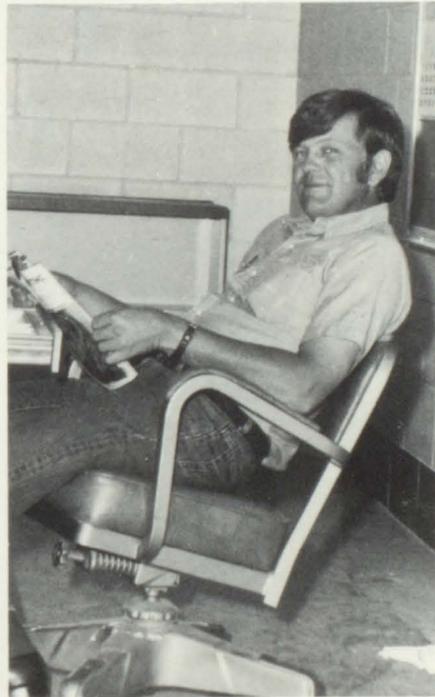

As principal, Mr. Keith Pattillo is very dedicated and helpful to both students and faculty. His administrative abilities and quiet sense of humor are among the many reasons he is respected at Fairview.

Dedication

Mr. R. W. Huddleston is a truly special man. Students at Fairview admire and respect him a great deal. He has taught advanced math classes and has helped sponsor the Scholars' Bowl team. He has always been a friend to each of his students. For these reasons, the Fairala Staff sincerely dedicates the 1979-80 annual to Mr. R. W. Huddleston.

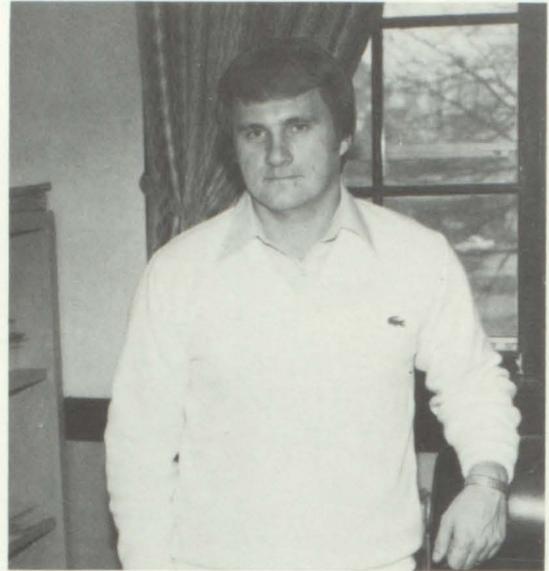

Office Staff

The members of the office staff play a vital role in the smooth operation of the school. Though they are extremely busy, they always find time to help the students.

In Memoriam

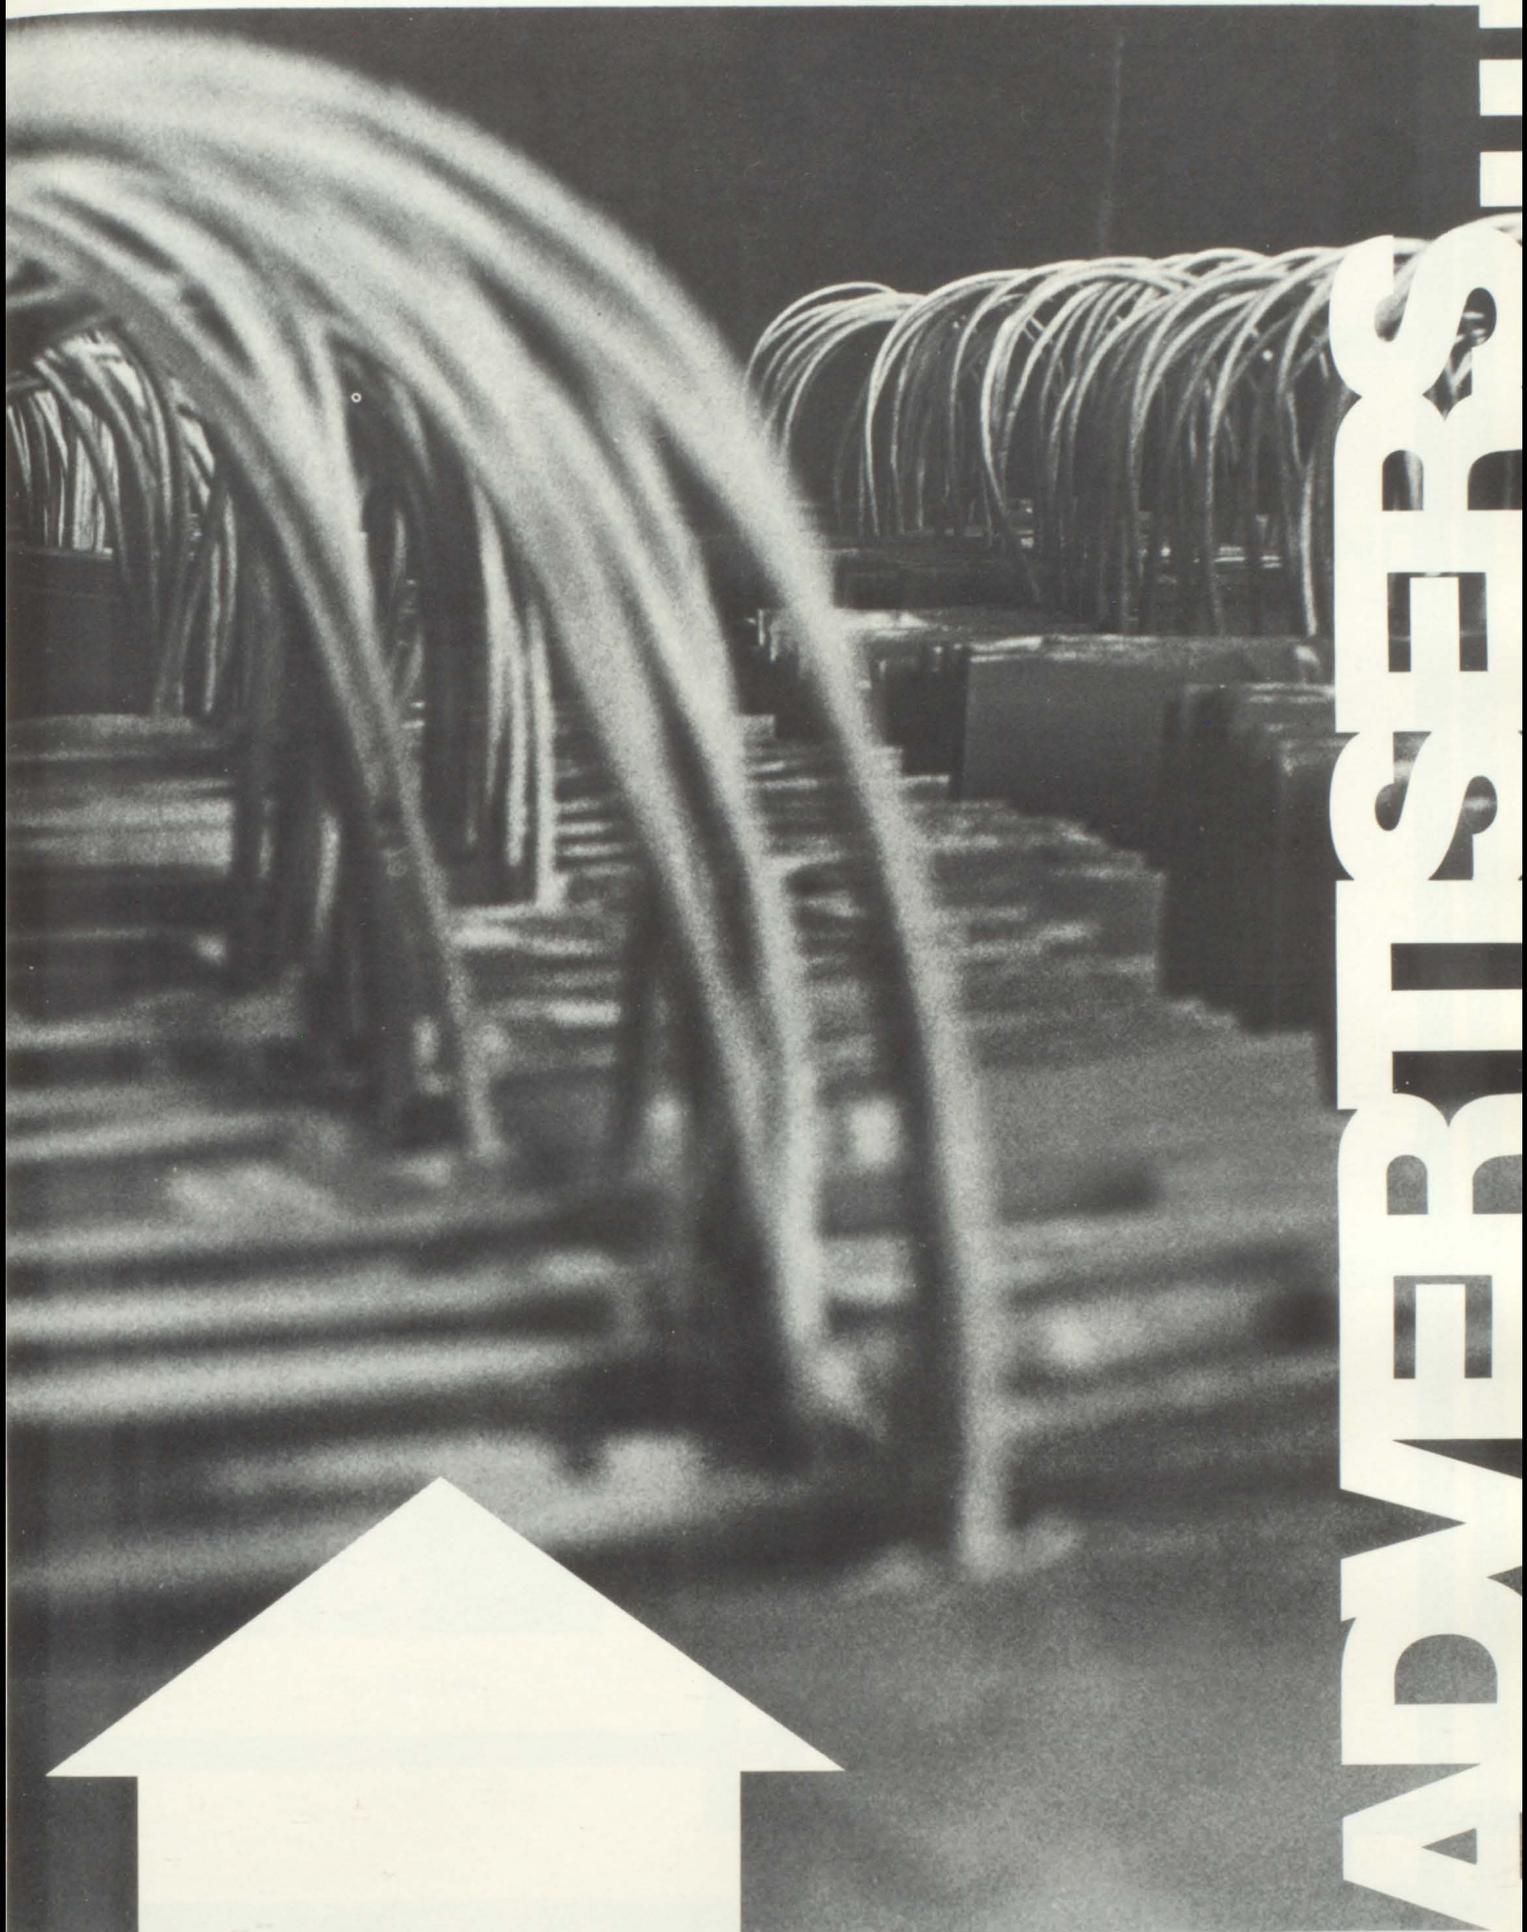

Kim Dunagan

They that love beyond the world can not be separated by it. Death can not kill what never dies. . . . Nor can spirits ever be divided, that love and live in the same divine principle, the root and record, of their friendship.

. . . Death is but crossing the world as friends do the seas; they live in one another still . . . This is the comfort of friends, that though they may be said to die, yet their friendship and society are, in the best sense, ever present because immortal.
